1.1.A.-(DoD584) For your USN/USMC activity/installation, provide the following information in the table below. If any of the information requested is subject to change between now and the end of Fiscal Year (FY) 2005 due to known redesignations, realignments/closures, or other action, provide current and projected data and so annotate. Identify your Immediate Superior In Command (ISIC). If your ISIC is not your primary funding source, please identify that source in addition to the operational ISIC.

1.1.B.-(DoD585) If you are a USN/USMC activity/installation, are you a host command? A host command is an activity that provides facilities for its own functions and the functions of other (tenant) activities. A host has accountability for Class 1 (land), and/or Class 2 (buildings, structures, and utilities) property, regardless of occupancy. A Host Command may also be a tenant at other host activities.
(Yes/No)
( )Yes
(X)No

1.1.C.-(DoD586) If you are a USN/USMC activity/installation and a Tenant Command, fill out the following table. A tenant command is an activity or unit that occupies facilities for which another activity (i.e., the host) has accountability. A tenant may have several hosts, although one is usually designated its primary host.

1.1.F.-(DoD591) If you are a USN/USMC activity/installation, identify your relationship with other activities, not reported as a host/tenant, for which you provide support. The intent of this input is to capture the full breadth of the mission of your command and your customer/supplier relationships. Include in your answer any Government Owned/Contractor operated facilities for which you provide administrative oversight and control.

For EACH building of owned, administrative space that is located on your installation, excluding the Pentagon Reservation, complete the following table by occupant per building. Include each occupant's name/UIC or department equivalent and which building(s) they occupy (building number, name, address), as well as the GSF (Gross Square Feet) and personnel breakdown (authorized and on-board/detailees) per occupant per building. Provide the projected number of ADDITIONAL personnel and space needed to meet any surge requirements. NOTE - there can and should be multiple entries for the SAME building IF it contains more than one occupant. Space/buildings occupied by DoD Defense Agencies should NOT be included, but all other DoD space should be reported. In the final column answer this yes/no questions: If additional personnel ARE required under operational and/or contingency plans to perform administrative functions, do you have sufficient administrative space to accommodate the surge?

3.1.A.-(DoD104) If your installation hosts specialized skills training (sub functions of Initial Skills Training, Skills Progression Training and Functional Training), complete the following. List each formal school/training center and complete each field. Group courses by formal school/training center. The OSD OCC code can be found in the Department of Defense occupational conversion index, DoD 1312.1-1 and are also available at the Defense Manpower Data Center web page. The classroom hours, lab hours, auditorium hours, range hours and other hours should equal the total hours of the course as prescribed by the POI.

(a) No live ordinance. (b) Environmental Limitations: Nesting season for the California Least Tern and Western Snowy Plover begins 15 March and runs through 15 September annually. To avoid harm to these listed species units are to remain in assigned beach training areas. During nesting season units are to utilize the backshore road or the hard pack sand below the high water mark for ingress and egress to training areas. Remain well clear of nesting areas identified by blue traffic cones and small yellow caution signs. All beach operations that may potentially alter habitat or impact nesting birds must be submitted to Navy Region SW Natural Resources Office for review.
