Subject:	OBAMA CAMPAIGN CONTRIBUTIONS MUST BE AUDITED 'FOR CAUSE'
Date:	02/19/2009 01:53 PM

Dear Commissioners,

The Obama Campaign reported spending $744 million to the FEC. Yet they have
reported only $485 million in campaign contributions with donors disclosed. Is
it believable that $259 million came from donors under the reporting limits? Our
Studies of the reported contributions show that approximately:

- $1.8 million appears to be over the contribution limit of $4,600.
- $26 million appears to be over the contribution limit of $2,300 per election.
- $4 million appears to come from foreign residents.

Please stand up for the American Public and audit the Obama Campaign Funds. We
are especially in need of compliance to regulation and enforcement at the highest levels of our government.

Sincerely,

Carol Fasano
