Date: 02/20/2009 02:17 AM

Soetoro's choice for Attorney General sure has a strange way of uniting the country….NOT!!! Below is an Open letter to Mr. Holder from a Patriot named Rob Lamb…..I sure would like to see Al Sharpton rebut this guy… better yet…I can't wait to hear if Holder even has the guts to respond!!

Rob Lamb wrote an Open letter to Eric (beeping) Holder

Posted on February 20th, 2009 by David-Crockett

In relation to Eric Holder's sickening statements, see "a nation of cowards on racial matters," RobL wrote an open letter which he placed in a comment on this site. Well Rob I gladly place on the frontpage.

The usuper's henchman Eric (Beeping) Holder stated:

"Though this nation has proudly thought of itself as an ethnic melting pot, in things racial we have always been and I believe continue to be, in too many ways, essentially a nation of cowards"

So that is our first black attorney general, well let me tell ya Holder you are in insult to all black patriots is this country just like your usurper buddy Barry Soetoro, whose running dog you are.

In his comment Rob wrote "…I am quite sure I'll end up on the list. I sent the following letter to Eric Holder today…" well Rob let me assure you that I would feel honored ending up on one list together with a fine citizen like you.

But I tried to keep my little business afloat, to pay the bills for my very young family. I ended up with thousands of dollars in medical bills, thousands more in bills from the business, I could not pay back. We lost our home, we lost automobiles, we lost everything but our family, and our dignity, because I eventually repaid everybody. Every cent, and my young family paid for it in things I was forced to deny them. But the cowards got off scot free.

NO, HOLDER, THE COWARD IS YOU. You, and the Congress, and the Supreme Court, and the worthless sycophantic press in this country. All of you have been made aware that there is a huge issue with Soetoro's legitimacy to hold the office of President. Cowards? You are the cowards that won't deal with this issue; you would rather have a backyard picnic with Marc Rich and the rest of your neighbors than deal with the biggest deception ever, that will find Soetoro to be an illegal alien, ineligible to hold the office of President. He may have been in violation of the False Claims Act from the day he was sworn in as a U.S. Senator. He may have perjured himself in the federal arena and in all fifty states, he may have committed fraud, he is most certainly a liar. Soetoro is the fraud, and you are the coward. Fraud used to be the purview of the Attorney General's office, but now you're more concerned about 'candid discussions' with acquaintances?

You despicable moron. Coward, indeed! You need to look inward to find the cowardice my friend. The cowardice that comes from the too many millions of people who do not have the intestinal fortitude to pay attention in school, work hard, do the right things in life, get a job, any job, stand up for themselves, and start their lives with heads held high; instead they blame drugs, alcohol, and a vile, contemptible, loathsome system which has been gone for over a hundred and forty years. Millions of Americans of all colors do the right thing every day, but there are far too many who use the cowardice of 'injustice' to write off all their lack of self esteem.

Injustice? Sure, there are still injustices. Just remember, I received no 'justice.' None. Just thousands of dollars of debt, a felony record, and a bullet hole in my chest and the pain of knowing my family suffered as a result. But I went on with my almost-ruined life, held menial jobs to get back on my feet, and have seen my kids through college and graduate school.

TAKE YOUR COWARDICE AND SHOVE IT. Forget the Bar-B-Que in the park, find some real courage and do something about Soetoro. You don't have the balls, you coward.
