** All cars must be reported according to the Year Acquired. If you are requesting different speeds be used in determining the allocation to Montana, you must report the cars by Car Type and use a separate form for each type. Speeds will be calculated according to ARM, 42.22.121.

This form may be reproduced as necessary

Example: by Year Acquired

| | | | | | | |
|---|---|---|---|---|---|---|
| Tanks, Hoppers | AAAX, AABX, | 2001 | 123 | $236,789,452 | $0 | $236,789,452 |
