RE: F2009-000256

Dear Ms. Gautam:

This letter is in final response to your request for information made pursuant to the Freedom of Information Act (FOIA), 5 U.S.C 552. You asked for the list of attendees of the Energy Information Administration: A New Climate for Energy Conference 2009.

In a telephone conversation with Mr. Alexander Morris on May 4, 2009, you agreed to accept the information with the deletion of personal information.

The EIA has completed the search and review of the documents. The enclosed diskette contains a listing of all non-personal email addresses of the attendees of the Energy Information Administration 2009 conference. You agreed to accept the list in electronic format.

The total fee associated with this request is $344.52. However, prior to completing the request we did not advise you that fees would exceed your agreed amount, and obtain your approval to pay that amount to continue to process the request. For this reason, you will only be billed in accordance with your agreement of $25.00. You will be billed for this amount under separate correspondence.

If you have any further questions, they may be directed to Sharon Sutton at 202-586-0596.

Sincerely,

Patricia Breed
Executive Assistant to Administrator and
Deputy Administrator
Energy Information Administration
