Medicaid Services and Payment

Indian Health Service/Tribal 638 can be paid:

- The All-inclusive Rate (Air)
- Fee For Service
- A Negotiated Rate

Medicine Dish

Medicaid AI/AN Provisions

When services are provided through Indian Health Service or Tribal 638 facilities, and the State pays for that service through Medicaid, the Federal government pays 100% of that payment back to the State.

Medicine Dish

Medicaid AI/AN Provisions

States are required to provide for outstationed eligibility at all Tribal health clinics and schools.

Medicine Dish

Medicaid AI/AN Provisions

States are required to consult with all federally recognized Tribes about Medicaid waiver applications, amendments and renewals.

Medicine Dish

Medicaid AI/AN Provisions
