Subject: RE: Address for Acting Director of FDA Good Clinical Practice
Program (HF-34)

Dear Ms. [purged]:

Sorry for your inconvenience. Our mail deliverers usually know where to forward mail when someone has moved, especially within the same building.

Linda Tollefson is presently acting director of the Good Clinical Practice Program (GCPP). She is also deputy director of the Office of Science and Health Coordination (OSHC) and maintains her office there, as it is right across the hall from us. The incorrect mail stop may be what caused confusion as a result. Her correct mailing address is

RADM Linda Tollefson
Good Clinical Practice Program
Office of Science and Health Coordination, HF-32
5600 Fishers Lane, Room 14B-08
Rockville, MD 20857

If you need further information and/or have additional questions, please submit them once again to the official GCP mailbox, gcp.questions@fda.hhs.gov, in lieu of responding to my personal e-mail address.

Sincerely yours,

Jean Toth-Allen, Ph.D.
Good Clinical Practice Program
OSHC, Office of the Commissioner, US FDA
