Re: FOIA-2009-000038

Dear Mr. Casad:

This is in further response to the request for information that you sent to the Department of Energy (DOE) under the Freedom of Information Act (FOIA), 5 U.S.C. 552. You asked for a copy of the grant application and all publicly available information that pertain to the grant entitled "Development of a Commercial-Ready Enzyme Application System for Ethanol," awarded to Novozymes in 2008.

In a letter dated January 23, 2009, you were informed that the request had been assigned to the Office of Energy Efficiency and Renewable Energy to conduct a search of its files for responsive documents. Since that time, we have determined that the grant you requested is under the jurisdiction of the Golden Field Office of the Department. For this reason, I have transferred your request to that office for appropriate action. Upon completion of the search by that office, they will provide a response to you.

In your letter, you agreed to pay all fees associated with the processing of the request. With respect to fees, the Golden Field Office will inform you about any fees incurred in the processing of the request.

If you have any questions about the processing of the request, please contact Ms. Anna Martinez-Barnish, FOIA Officer, U.S. Department of Energy, Golden Field Office, 1617 Cole Boulevard, Golden, CO 80401. You may also call her on (303) 275-4927.

You will not receive any further correspondence from the DOE Headquarters about this matter. If you have any questions about this correspondence, you may contact Ms. Brenda Washington of my staff on (202) 586-6039.

I appreciate the opportunity to assist you with this matter.

Sincerely,

Alexander C. Morris
