Subject: RE: Potential investigators

Dear Ms. [purged]:

Here is the link to the list on the Food and Drug Administration's (FDA's) website of all clinical investigators who have been inspected by the Center for Drug Evaluation and Research (CDER):
http://www.fda.gov/cder/regulatory/investigators/ .

and to the list of investigators who have been inspected by the Center for Biologics Evaluation and Research (CBER): http://www.fda.gov/cber/compl/clininvlist.htm.

Please note that the lists do not include clinical investigators who have been inspected by the Center for Devices and Radiological Health. I don't believe there is such a list.

I hope this is helpful.

Sincerely,

Carolyn Hommel

Subject: Potential investigators

Hello,
I am a monitor at a CRO and was informed that we could verify on your website whether or not a potential investigator has been audited by the FDA. Can someone direct me to where this information may be found online?
Thanks.
