Re: FOIA-2009-000008

Dear Mr. McLeod:

This is in further response to the request for information that you sent to the Department of Energy (DOE) under the Freedom of Information Act (FOIA), 5 U.S.C. 552. You asked for records that relate to change or expansion of the scope or mission of the Stanford Linear Accelerator Center.

Any documents that may exist at the DOE that are responsive to the request are under the jurisdiction of the Oak Ridge Office (ORO). For this reason, I have sent the request to Ms. Amy Rothrock, the FOIA Officer at that location, to conduct a search of the files and provide you a response about the releasability of any responsive documents that are located.

If you have any questions about the processing of the request, please contact Ms. Rothrock at the ORO at P.O. Box 2001, Oak Ridge, TN 37831. She also can be contacted on (865) 576-1216.

This is the final response that you will receive about your request from this office. You may contact Ms. Ogbazghi on (202) 586-3595 with any questions about this letter.

I appreciate the opportunity to assist you.

Sincerely,
