Re: **Request for Information Pursuant to the Freedom of Information Act**

Dear Sir/Madam:

I am writing pursuant to the Freedom of Information Act, 5 U.S.C. § 552 (FOIA) to request access to, and unredacted copies of, the following document: A January 30, 2009, letter from Joel Van Winkle, Senior Counsel at Whirlpool Corporation, to Michael McCabe, Senior Engineer in the Building Technologies Program at the Department of Energy, regarding "Comments regarding proper implementation of DOE Energy Procedure."

Please notify me promptly if you should make an initial determination that portions of the document include material that could be deemed exempt from disclosure. In the meantime, please do not wait until final resolution of any potential exemption issues to forward non-exempt portions of the document to me at the following address: John A. Hodges, Esq., Wiley Rein LLP, 1776 K Street, NW, Washington, DC 20006.

I am prepared to pay the reasonable cost of search, review and duplication applicable to "commercial use" requests, in accordance with the fee schedule established by Department of Energy regulations. Please advise me, in advance, if the anticipated fees will exceed $500.

Please feel free to contact me at (202) 719-3377 if you have any questions regarding this request or require any further information to assist you in your search
