FACTS SUPPORTING SECTION 104.003(b) APPLICABILITY						
The parties are affiliated.						
The rate is substantially the same as the rate between the gas utility and at least two of those customers under the same or similar conditions of service. Competition does or did exist either with another gas utility, another supplier of natural gas, or a supplier of an alternative form of energy.						

I affirm that a true and correct copy of this tariff has been sent to the customer involved in this transaction.
