Re: FOIA-2009-000159

Dear Ms. Callaham:

This is in response to the request for information that you sent to the Department of Energy (DOE) under the Freedom of Information Act (FOIA), 5 U.S.C. 552. You asked for a copy of any document that pertains to Law Engineering or MACTEC's NQA-1 or 10 CFR 50 Appendix B quality manual, and the quality manual.

Today, in a telephone conversation with Ms. Sheila Jeter of my staff, you agreed that the request should be sent to the Nuclear Regulatory Commission (NRC). For this reason, I have transferred the request to the NRC for appropriate action.

If you have any questions about the processing of the request by the NRC, you may contact the Ms. Donna Sealing, FOIA/PA Officer, NRC, Washington, DC 20555. She also can be reached on (301) 415-5130.

I appreciate the opportunity to assist you with this matter. If you have any questions about this correspondence, please contact Ms. Jeter on (202) 586-5061.

Sincerely,

Joan Ogbazghi
