Re: FOIA-2009-000207

Dear Mr. Pluta:

This is in final response to the request for information that you sent to the Department of Energy (DOE) under the Freedom of Information Act (FOIA), 5 U.S.C. 552. You asked for all DOE documents relating to the eligibility of Tronox for Title X funds. Specifically you asked for:

1. All DOE documents relating to the eligibility of Tronox for Title X funds.
2. All site reclamation plans submitted by Tronox to DOE with respect to the Chicago Thorium site.
3. All documents related to DOE's reimbursement of the costs incurred by Tronox for remediation perform at the Chicago Thorium site.

In response to item 1, the Office of Environmental Management has provided you an electronic copy of the Title X Annual Report. In our letter dated, April 6, 2009, we informed you that the remaining documents that you requested fall under the jurisdiction of the Environmental Management Consolidated Business Center (EMCBC). The FOIA Officer at that location will provide a response to you for item 2 and 3.

I appreciate the opportunity to assist you with matter. If you have any questions about this correspondence, please contact Ms. Vera Dunmore of my staff at (202) 586-4047.

Sincerely,

Alexander C. Morris
