RE: FOIA Request No. 2009-000286

Dear Mr. Devine:

Thank you for your Freedom of Information Act request dated April 21, 2009, concerning information on coal combustion waste sites.

Data which the Energy Information Administration (EIA) has collected in the past on this subject were obtained using the Form EIA-767, "Steam-Electric Plant Operation and Design Report." As Mr. Robert Schnapp of my staff explained in a telephone call to you on April 30, 2009, all of the data are publicly releasable, except the latitude and longitude, and can be found on our Internet site at http://www.eia.doe.gov/cneaf/electricity/page/eia767.html.

Other parts of the Department of Energy are being asked to determine if they have any additional data. If so, you will be notified as soon as possible.

If you have any questions regarding this response, please contact Ms. Sharon Sutton at 202-586-0596.

Sincerely,

Scott Sitzer
