Re: FOIA-2009-000211

Dear Ms. Drake:

This is in further response to the request for information that you sent to the Department of Energy (DOE) under the Freedom of Information Act (FOIA), 5 U.S.C. 552. You asked for information that pertains to the Material Control and Accountability (MC&A) Program between DOE, National Nuclear Security Administration (NNSA), Los Alamos National Laboratory (LANL), and the Los Alamos Site Office from 2008 to the present.

With regard to inspection reports, the Office of Health, Safety and Security at Headquarters is processing that portion of the request as it relates to an inspection they completed of the site in mid-September, under FOIA-2008-000560. Any other documents that may exist at the Department that are responsive to the request are under the jurisdiction of the NNSA Service Center in Albuquerque. For this reason, the request has been sent to the FOIA Officer at the NNSA Service Center for action and to provide you a response.

If you have any questions about the processing of the request by the NNSA Service Center, you may contact Ms. Carolyn Becknell, NNSA Service Center, P.O. Box 5400, Albuquerque, NM 87185. She also can be reached on (505) 845-4869.

I appreciate the opportunity to assist you with this matter. If you have any questions about this correspondence, please contact Ms. Sheila Jeter of my staff at (202) 586-5061.

Sincerely,

Alexander C. Morris
