Subject: Freedom of Information Act Request for Documents Related to the ATVM Loan Application Program

Dear Mr. Montgomery,

In accordance with the Freedom of Information Act, I am requesting certain public information concerning the Department of Energy's Advanced Technology Vehicles Manufacturing (ATVM) Program that was established by section 136 of the Energy Independence and Security Act of 2007.

Specifically, the following documents are requested:

1) the most recent document showing the names of entities that have filed one or more applications for ATVM loans;

2) the most recent document identifying the names of the entities that have filed one or more ATVM loan applications that have been deemed "substantially complete" by the DOE ATVM staff;

3) the most recent document summarizing the status of ATVM loan applications;

4) the most recent document summarizing the amount of money requested by applicants that have filed "substantially complete" ATVM loan applications;

5) a copy of the non-confidential portions of all ATVM loan applications proposing projects to build vehicles for the United States Postal Service;

6) the most recent document listing or describing the projects that are proposed in the ATVM loan application filed to date.

In submitting this request, I agree to pay up to $500 for the requested information.
