COMMERCIAL SEARCH REVIEW & REPRODUCTION

Email:

Record Description:

Scope of work and performance dates for TAD Contracts with Areva and NAC International

Preferred Form or Format: electronic version if possible

Type of Requester (if provided):

Fees and Fee Waivers:

I request a waiver or reduction of fees.

Waiver or Reduction of Fees Factors (if provided):

1. The subject of the request: Whether the subject of the requested records concerns "the operations or activities of the government."

AULG nuclear waste oversight programs

2. The informative value of the information to be disclosed: Whether the disclosure is "likely to contribute" to an understanding of government operations or activities.

AULG oversight

3. The contribution to an understanding by the general public of the subject likely to result from disclosure, taking into account your ability and intent to disseminate the information to the public in a form that can further understanding of the subject matter.

AULG oversight

4. The significance of the contribution to public understanding: Whether the disclosure is likely to contribute "significantly" to public understanding of government operations or activities.

AULG oversight

Expedited Processing:

I believe a compelling need exists to warrant expedited processing because there is:

an urgency to inform the public concerning actual or alleged Federal Government activity exists (this option available ONLY for requesters primarily engaged in disseminating

FOIA-2009-00032

Brenda

information)

Specific Justification for Expedited Processing:

Chris Kouts had made reference to the above documents at the Jan. 7, 2009 DOE/NRC meeting. Lincoln and White Pine Counties are AULG monitoring the Yucca Mountain licensing process.
