Dear Mr. Bierman:

This is in response to your January 14, 2009, email request for the scope of work and performance dates for the transportation, aging, and disposal contracts with Areva and NAC International. Your request was forwarded to the Office of Civilian Radioactive Waste Management (OCRWM) to prepare a response under the Freedom of Information Act (FOIA). Please reference FOIA-2009-000032 in any future correspondence regarding this matter.

Enclosed are copies of the statements of work and performance dates for each contract (40 pages) that we are releasing in their entirety. As a commercial requester, you would usually be assessed search, review, and duplication fees. However, in this instance, the cost of processing the reimbursement of fees would exceed the actual cost of responding to this request; therefore, fees are waived for this request.

Pursuant to 10 C.F.R. § 1004.7(b)(2), Alan B. Brownstein, Director, Policy and Implementation Division, OCRWM, is responsible for making these determinations.

This completes our response to your request. If you have any questions, please contact me at 202-586-5481 or by e-mail at Jackie.chestnut@rw.doe.gov.

Sincerely,

Jackie Chestnut
