Re: FOIA-2009-000049

Dear Ms. Sandhu:

This is in further response to the request for information that you sent to the Department of Energy (DOE) under the Freedom of Information Act (FOIA), 5 U.S.C. 552. You asked for a copy of the contract that pertains to System Engineering and Program/Project reference number 9L7761.

In a letter to you dated January 28, 2009, I informed you that your request had been sent to the Office of Procurement Operations and Assistance Management to conduct a search of its files for responsive documents. That office has informed me that any documents responsive to the request are under the jurisdiction of the Savannah River Office. For this reason, I have transferred the request to the FOIA office at that location to conduct a search of their files and to provide you a response.

If you have any questions about the processing of the request by the Savannah River Office, please contact Ms. Pauline Conner, Savannah River Office, P.O. Box A, Aiken, SC 29801. She can be reached on (803) 952-8134.

I appreciate the opportunity to assist you with this matter. If you have any questions about this letter, please contact Ms. Sheila Jeter of my staff on (202) 586-5061.

Sincerely,

Alexander C. Morris
