Re: FOIA-2009-000020

Dear Ms. Theimer:

This is in final response to the request for information that you sent to the Department of Energy (DOE) under the Freedom of Information Act (FOIA), 5 U.S.C. 552. You asked for a list or log of correspondence between the Office of the Secretary of Energy and Steven Chu from January 1, 2004 to December 31, 2008.

The Office of the Executive Secretariat conducted a search of the electronic Document Online Coordination System for all correspondence responsive to the request. This system tracks all correspondence to and from the Office of the Secretary, the Office of the Deputy Secretary, and the Office of the Under Secretary.

The search identified the enclosed listing as responsive to the request. The listing is provided to you in its entirety.

Your letter requested that fees to process the request be waived. Fees to process the request did not exceed $15.00, the amount at which the Department assesses fees. For this reason, a determination about a waiver of fees was not necessary in this case.

Your letter also requested expedited processing of the request. Since we are providing you with a final response within the 10 calendar days allotted to provide a response on whether to grant or deny expedited processing, a decision is not necessary in this case.

I appreciate the opportunity to assist you with this matter. If you have any questions about this correspondence, please contact Mr. Chris Morris of this office at (202) 586-3159.

Sincerely,

Alexander C. Morris
