Mr. David Hutcheson

Re: FOIA-2009-000013

Dear Mr. Hutcheson:

This is in further response to the request for information that you sent to the Department of Energy (DOE) under the Freedom of Information Act (FOIA), 5 U.S.C. 552. You asked for a copy of the Life Cycle Baseline for the Paducah Site including work performed for the DOE under the depleted uranium contract.

Any documents that may exist at the DOE that are responsive to the request are under the jurisdiction of the Environment Management Consolidated Business Center (EMCBC). For this reason, I have sent the request to Ms. Marian Wilcox, the FOIA Officer at that location, to conduct a search of their files.

In compliance with the FOIA, the 20 day response time will begin when the EMCBC receives the request. Ms. Wilcox will provide you a response about the releasability of any responsive documents that are located.

If you have any questions about the processing of the request, please contact Ms. Marian Wilcox at the EMCBC at 250 East 5th Street, Suite 500, Cincinnati, OH, 45202. She also can be contacted on (513) 246-0582.

This is the final response that you will receive about your request from this office. You may contact Ms. Vera Dunmore of my staff on (202) 586-4047 with any questions about this letter.

I appreciate the opportunity to assist you.

Sincerely,
