Re: FOIA-2009-000177

Dear Mr. Mize:

This is in further response to the request for information that you sent to the Department of Energy (DOE) under the Freedom of Information Act (FOIA), 5 U.S.C. 552. You asked for materials developed for the groundwater basin administered by the Orange County Water District.

Any documents that may exist at the DOE that are responsive to the request are under the jurisdiction of the National Nuclear Security Administration Service Center (NNSA). Ms. Carolyn Becknell, the FOIA Officer at that location, has informed me that her office is processing a request from you for this information. The NNSA will provide a response about the releasability of any responsive documents that are located.

This is the final response that you will receive about your request from this office. You may contact Ms. Vera Dunmore of my staff on (202) 586-4047 with any questions about this letter.

I appreciate the opportunity to assist you.

Sincerely,

Alexander C. Morris
