Re: FOIA-2009-000169 & FOIA-2009-000171

Dear Mr. Doll:

This is in further response to the request for information that you sent to the Department of Energy (DOE) under the Freedom of Information Act (FOIA), 5 U.S.C. 552.

Under FOIA-2009-000169 you asked for the winning proposals from the Department's 16 energy service companies awarded in December 2008. The awards are ESCOs and indefinite delivery/indefinite quantity (IDIQ).

Under FOIA-2009-000171 you asked for survey responses from energy service companies that are evaluated in the report entitled "A Survey of the U.S. ESCO Industry: Market Growth and Development from 2000 to 2006".

Any documents responsive to the requests that may exist at the Department are under the jurisdiction of the Golden Field Office of the Department. For this reason, I have transferred your requests to that office of appropriate action. Upon completion of the search by that office, they will provide a response to you.

In your letter, you agreed to pay up to $100.00 for fees associated with the processing of both requests. You also requested waiver of fees and provided information in response to the criteria required for the waiver. With respect to fees, the Golden Field Office will inform you about any fees incurred in the processing of the requests.

If you have any questions about the processing of the requests, please contact Ms. Anna Martinez-Barnish, FOIA Officer, U.S. Department of Energy, Golden Field Office, 1617 Cole Boulevard, Golden, CO 80401. You may also call her on (303) 275-4927.

You will not receive any further correspondence from the DOE Headquarters about this matter. If you have any questions about this correspondence, you may contact Ms. Brenda Washington of my staff on (202) 586-6039.

I appreciate the opportunity to assist you with this matter.

Sincerely,

Alexander C. Morris
