Dear Mr. Tait:

This is in further response to the request for information that you sent to the Department of Energy (DOE) under the Freedom of Information Act (FOIA), 5 U.S.C. 552. You asked for all records that pertain to a fire on July 10, 2008 on or around Eaton Road in Lewiston, Idaho.

Any documents that may exist at the DOE that are responsive to the request are under the jurisdiction of the Bonneville Power Administration (BPA). I have sent the request to Ms. Christy Brannon, the FOIA Officer at that location, to conduct a search of the files and provide you a response about releasability of any responsive records that are located.

If you have any questions about the processing of the request, please contact Ms. Brannon at the BPA at P.O. Box 3621-DK-7, Portland, OR 97208-3621. She also can be contacted on (503) 230-7303.

This is the final response that you will receive about your request from this office. You may contact Ms. Joan Ogbazghi in this office on (202) 586-3595 with any questions about this letter.
