

My Story of Success

By: Jessica Hunter

I have made many accomplishments in my life. Such as when I learned to walk, swim, ride a bike and so on. But most important one of all is when I gave my life to Jesus.

In church I learned a lot about him, then I realized that I cant live my life without him. So after I realized it, I told my parents that I wanted to give my life to him.

On the exciting day of December 19, 1999 Pastor Randy Miller at NorthWood Church in Keller, TX baptized me. Scene that day I have been learning the many blessings of Jesus.

I Don't Understand

By: Jessica Hunter

I don't understand

Why do people fight?

Why do people not believe in Jesus the light?

Why do rainy days have to come?

Why do storm clouds hide the sun?

But most of all

Why do people die?

Why don't fish fly

Why does night come after day

Why do people wish their life away?

What I understand the most is

Why we have Jesus Christ

And why we have life.
