Subject: APM 11-22 Threshold changes to MAPS 1.690
Date: Wednesday, September 21, 2011 14:08:00
Attachments: MAPS 1 690 Revised 092111.docx

Effective October 1, 2011, BCM approval thresholds for RCOs Quantico, Far East, Camp Pendleton, Camp Lejeune, Parris Island, and Hawaii are changed as described in the attached and outlined below. BCM thresholds for MCLC Albany and all other MCFCS offices remain unchanged. In addition, requirements for CCO reviews and approvals are clarified.

MAPS 1.690 (NMCARS), "Requirements to be met before entering into contracts," is revised to:

1. Increase the BCM approval threshold for RCOs Far East, Camp Pendleton, Camp Lejeune, Parris Island, and Hawaii from $1 million to $6.5 million;

2. Decrease the BCM approval threshold for RCO Quantico from $25 million to $10 million;

3. Clearly specify CCOs must:

(a) Establish business clearance review/approval procedures for contract actions between $150,000 and $1 million;
(b) Sign as the "Reviewer" any actions requiring ADC, I&L (Contracts) approval before submitting electronically to HQMC; and
(c) For MCLC and RCOs with clearance approval thresholds over $1 million, approve all business clearances between $1 million and the specified

BCM approval threshold.

Please ensure this policy is provided to all appropriate acquisition personnel.
