1/ For information on the State Children's Health Insurance Program (SCHIP) sample expansion, see http://www.census.gov/prod/2002pubs/tp63rv.pdf.
2/ These differences result from a change in the population control. While there is sampling error associated with these differences, the amount of sampling error is trivial. Therefore, no significance testing was performed on these differences.
NOTE. Data based on the Annual Demographic Supplement to the March 2001 and March 2002 Current Population Survey. For information on confidentiality protection, sampling error, nonsampling error, and definitions, see http://www.census.gov/prod/2002pubs/tp63rv.pdf.
