FOIA REQUEST

Dear FOI Officer:

Pursuant to the federal Freedom of Information Act, 5 U.S.C. § 552, I request access to and copies of any meeting minutes, correspondence, or materials (such as presentations or reports) related to and provided by Enron Corp. and its related companies. In particular, I am interested in documents from 1985-2000 that specifically address the issue of energy and natural gas deregulation in the United States. Additionally, I am interested in material from 1997-2001 that address Enron's changing business model.

I agree to pay reasonable duplication fees for the processing of this request in an amount not to exceed $200.00. However, please notify me prior to your incurring any expenses in excess of that amount.

If my request is denied in whole or part, I ask that you justify all deletions by reference to specific exemptions of the act. I will also expect you to release all segregable portions of otherwise exempt material. I, of course, reserve the right to appeal your decision to withhold any information or to deny a waiver of fees.

As I am making this request as a scholar and this information is of timely value, I would appreciate your communicating with me by telephone, rather than by mail, if you have questions regarding this request.

I look forward to your reply within 20 business days, as the statute requires.

Thank you for your assistance.

Sincerely,

Gavin Benke
