FORT LEE POLICY NO.: 03-12

MEMORANDUM FOR SEE DISTRIBUTION

SUBJECT: Metal Detector Use Policy

1. REFERENCES:

a. Army Regulation 200-1, Environmental Protection and Enhancement, 13 December 2007

b. Archaeological Resources Protection Act

c. Antiquities Act of 1906

d. National Historic Preservation Act of 1966

2. PURPOSE: To inform personnel residing, visiting, or working on Fort Lee that the use of metal detectors is prohibited.

3. APPLICABILITY: This policy applies to all military and civilian personnel on Fort Lee, including installation residents and non-residents.

4. POLICY:

a. In order to protect discovered and undiscovered archaeological resources, the use of metal detecting equipment is prohibited on Fort Lee property. Numerous Federal laws, Army regulations and policies protect historic and prehistoric artifacts and sites. Protection is not limited to identified archaeological resources, but also includes undiscovered cultural resources that have the potential of being historically significant.

b. There are specific educational, work experience, and permitting requirements of those individuals who may conduct archaeological surveys or excavations and assess significance of archaeological resources.

5. PROPONENT: The Directorate of Public Works is the proponent for this policy. The POC is Cultural Resources Manager, (804) 734-4434 or email at amy.b.wood2.civ@mail.mil.
