CONTRACT DATA REQUIREMENTS LIST
(1 Data Item)

Form Approved
OMB No. 0704-0188

The public reporting burden for this collection of information is estimated to average 110 hours per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing the burden, to the Department of Defense, Executive Services and Communications Directorate (0704-0188). Respondents should be aware that notwithstanding any other provision of law, no person shall be subject to any penalty for failing to comply with a collection of information if it does not display a currently valid OMB control number. **Please do not return your form to the above organization. Send completed form to the Government Issuing Contracting Officer for the Contract/PR No. listed in Block E.**

A. CONTRACT LINE ITEM NO.	B. EXHIBIT	C. CATEGORY: TDP ____ TM ____ OTHER X

8. APP CODE	11. AS OF DATE	13. DATE OF SUBSEQUENT SUBMISSION
A	SEE BLK 16	SEE BLK 16

16. REMARKS

BLOCK 9: The ECP pages shall be marked based on the most restrictive distribution statement of the data contained within the ECP.

BLOCKS 10, 11, 12 and 13: Submit all changes following Physical Configuration Audit (PCA) to the Government for approval. Submit Class 1 ECPs as follows:

Routine: within 30 days of identification of need for change.
Urgent: within 10 days of identification of need for change.
Emergency: within 2 days of identification of need for change.

Submit Class 2 ECPs within 30 days of identification of need for change.

The ECP shall be clear and comprehensive from technical, cost, and scheduling perspectives. All potential impacts, including technical, operational, support, schedule, and cost, shall be included with each change.

The contractor may elect to use standard forms which are available from the Government upon request or from http://contracting.tacom.army.mil/engr/engrchange.htm.

Government processing times for ECPs are based on the targets below but criticality of the need for decision will dictate the actual processing time:

Routine: 90 days
Urgent: 30 days
Emergency: 2 days

Incorporate and deliver new or revised product data in the ERR Package within 10 days of Government approval of each ECP.

BLOCK 14: E-mail delivery per e-mail addresses on BEB IPT List.

Repro = electronic copy

For ECPs larger than 10MB but less than 2 GB, deliver to e-mail addressees via Army SAFE FTP site: https://safe.amrdec.army.mil/safe2.
