CONTRACT DATA REQUIREMENTS LIST
(1 Data Item)

Form Approved
OMB No. 0704-0188

The public reporting burden for this collection of information is estimated to average 110 hours per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing the burden, to the Department of Defense, Executive Services and Communications Directorate (0704-0188). Respondents should be aware that notwithstanding any other provision of law, no person shall be subject to any penalty for failing to comply with a collection of information if it does not display a currently valid OMB control number. **Please do not return your form to the above organization. Send completed form to the Government Issuing Contracting Officer for the Contract/PR No. listed in Block E.**

16. REMARKS

The contractor shall prepare the Technical Data Package (TDP) per Attachment 0010.

Contractor's CAD solid modeling software application is acceptable. Government's preference is PTC's Pro/Engineer CAD modeling software. Version of CAD modeling software used for CAD data delivery will be agreed upon at the Start of Work Meeting.

The contractor shall submit an initial sample assembly of 10-20 parts and subassemblies for format and standard validation. The package shall include 3D native CAD models, associated 2D models, STEP neutral files, and 2D PDF drawings. The package shall be delivered within 30 days from exercise option date.

BLOCK 8: Government Approval/Disapproval Turn-Around Time Is 60 days after receipt. Contractor Correction Response and resubmit time is 30 days after Government notification.

BLOCK 9: DISTRIBUTION STATEMENTS AND NOTICES:

Engineering drawings, models, associated lists or other reference type documents that are being prepared for or assembled into a Technical Data Package, shall be marked with an appropriate Distribution Statement and, as applicable, the Export Control Notice, prior to distribution, regardless of media. The Contractor shall contact the Program Office, SFAE-CSS-FP-H, for the appropriate distribution statement/export control warning, prior to finalization of data.

16. REMARKS *(Continued)*

BLOCKS 11, 12, 13 and 14: Government Format Technical Data Package Option Submission: The contractor shall deliver the draft TDP within 180 days after exercise option date. Subsequent new or revised data shall be delivered by ERR within 10 days of: 1) Government approval of each ECP or 2) Government design approval of new Product Baseline data. The contractor shall deliver the complete final TDP to the Government no later than 45 days before contract closing date. TDP shall meet all technical data requirements and populated with required parameters described. Delivered final data shall be approved by the Government.

Delivery Methods-Media:

a. Windchill ACE/ProjectLink. Access Link https://ace2.tacom.army.mil/index.html

b. Electronic Media Storage (CD, DVD, or firewire external hard drive). Mail storage device with proper markings to:

1. US ARMY TANK-AUTOMOTIVE AND ARMAMENTS COMMAND, TARDEC, 6501 E 11 MILE RD, SFAE-CSS-FP-H, MS:401, WARREN, MICHIGAN, 48397-5000.
