CONTRACT DATA REQUIREMENTS LIST
(1 Data Item)

Form Approved
OMB No. 0704-0188

The public reporting burden for this collection of information is estimated to average 110 hours per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing the burden, to the Department of Defense, Executive Services and Communications Directorate (0704-0188). Respondents should be aware that notwithstanding any other provision of law, no person shall be subject to any penalty for failing to comply with a collection of information if it does not display a currently valid OMB control number. **Please do not return your form to the above organization. Send completed form to the Government Issuing Contracting Officer for the Contract/PR No. listed in Block E.**

16. REMARKS

BLOCK 9: Government requires a distribution statement of all PQDRs investigated, on all deliverables. The contractor shall request the distribution statement from the Government 10 days before the delivery of the data. All technical documents that are determined to contain export-controlled technical data shall be marked "WARNING--This document contains technical data whose export is restricted by the Arms Export Control Act (Title 22, U.S.C., Sec 2751, et.seq.) or the Export Administration Act of 1979, as amended, Title 50, U.S.C., App. 2401 et.seq. Violations of these export laws are subject to severe criminal penalties. Disseminate in accordance with provisions of DoD Directive 5230.25."

BLOCK 10, 12 and 13: A PQDR investigation report and countermeasure proposal shall be submitted to the Government upon detection of any and all BEB deficiencies issued via PQDR. PQDRs shall be responded to within the following timeframes:

(a) Category I – Final Report: 15 working days- interim reports every five working days.
(b) Category II – Final Report: 30 days.
(c) Category I PQDRs are defined as follows:
  (1) May cause death, injury, or severe occupational illness.
  (2) May cause loss or major damage to a weapon system.
  (3) Could result in a production line stoppage.
  (4) Has restricted the combat readiness of the using organization.

Repro = electronic copy

****

PQDR format shall follow the quality assessment report format detailed in DI-QCIC-81187, using Standard Form (SF) 368. The PQDR shall include the investigation results, corrective actions, and countermeasures from the contractor investigation per requirements for Catagory I and Catagory II PQDRs. Additional information as follows:

(a) General: A PQDR shall be investigated upon receipt.
(b) Media: The PQDR specific media shall be SF 368.
(c) Format: The contractor shall investigate a PQDR according to DI-QCIC-81187 in the contractor format, but shall contain information needed in the blocks of the SF 368, as follows:

G. PREPARED BY	H. DATE	I. APPROVED BY	J. DATE
SUZANNE ARCHIBALD	09 NOV 12
