CONTRACT DATA REQUIREMENTS LIST
(1 Data Item)

Form Approved
OMB No. 0704-0188

The public reporting burden for this collection of information is estimated to average 110 hours per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing the burden, to the Department of Defense, Executive Services and Communications Directorate (0704-0188). Respondents should be aware that notwithstanding any other provision of law, no person shall be subject to any penalty for failing to comply with a collection of information if it does not display a currently valid OMB control number. **Please do not return your form to the above organization. Send completed form to the Government Issuing Contracting Officer for the Contract/PR No. listed in Block E.**

16. REMARKS

VALIDATION PLAN. Contractor shall deliver its Validation Plan no later than thirty (30) days prior to the start of Validation.

The Government will review the Validation Plan and provide comments no later than two weeks prior to scheduled Validation.

Government receipt of documentation does not constitute acceptance. The Government will provide notice of acceptance for the documentation through the PCO to contractor within the established time frame and guidelines called out in the scope of work and applicable CDRLs.

Contractor can only invoice upon final Government approval. Final submission will be accompanied by a DD250.
