| Rider MF             | <p>Service hereunder and the rates for service provided are subject to the orders of regulatory bodies having jurisdiction and to the Company's Tariff for Gas Service.</p> <p>Special Conditions<br/>In order to receive service under Rate PT, Customer must have the type of meter required by Company. Customer must pay Company all costs associated with the acquisition and installation of the meter.</p> <p>Note:<br/>1 The Capacity Charge per MMBtu will be adjusted annually as calculated pursuant to Rider REV.<br/>2 2010 IRA - \$0.2454, 2011 IRA - \$0.2513, 2012 IRA - \$0.3731, 2013 IRA - \$0.5932.</p> <p>Rider MF is applicable to the Entire System pursuant to the Final Order in GUD 10000 dated 04/18/2011.<br/>Effective Date: For Bills Rendered On Or After 04/18/2011</p> <p style="text-align: center;">Rider MF - MUNICIPAL FEE ADJUSTMENT</p>                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                   |
| Rider RA a           | <p>Application Applicable to Customers inside the corporate limits of an incorporated municipality that imposes a municipal franchise fee upon Company for the Gas Service provided to Customer.</p> <p>Monthly Adjustment<br/>Company will adjust Customer's bill each month in an amount equal to the municipal fees payable for the Gas Service provided to Customer by Company. Municipal franchise fees are determined by each municipality's ordinance. Each municipality's franchise ordinance will specify the percentage and applicability of municipal fees.</p> <p>From time to time, Company will make further adjustments to Customer's bill to account for any over- or under-recovery of municipal fees by Company.</p> <p style="text-align: center;">RIDER RA - RETENTION ADJUSTMENT</p>                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                        |
| Rider REV 10295      | <p>APPLICABLE TO: Rate CGS - Mid-Tex, Rate CGS - Other and Rate PT<br/>EFFECTIVE DATE: 04/18/2011</p> <p>Applicability<br/>This Rider is applicable to Customers taking service under Rate CGS - Mid-Tex, Rate CGS - Other and Rate PT.</p> <p>Monthly Rate<br/>The retention percentage for Rate CGS - Mid-Tex, Rate CGS - Other and Rate PT is 1.00% of the volume of gas received into Atmos Pipeline -Texas' system for the account of a Customer.</p> <p>Rider REV is applicable to the Rate CGS - Mid-Tex, Rate CGS - Other and Rate PT pursuant to the Final Order in GUD 10000 dated 04/18/2011. Rider REV GUD 10000 is renewed as modified and extended under GUD10295 dated 12/18/2013. Effective Date: For Bills Rendered On Or After 12/18/2013</p> <p style="text-align: center;">Rider REV - REVENUE ADJUSTMENT</p> <p>Applicability<br/>This Rider will apply to Rate CGS - Mid-Tex, Rider CGS - Other and Rate PT.</p> <p>Adjustment Mechanism<br/>Effective each November 1, rate schedules subject to this Rider will be adjusted based on the change in 1) the level of Other Revenue for the twelve-month period from July 1 of the prior year through June 30 of the current year from 2) the level of Other Revenue credited to the total cost of service in GUD Docket No. 10000.</p> <p>Seventy-five percent of the difference between 1) the level of Other Revenue for the twelve-month period from July 1 of the prior year through June 30 of the current year less revenue related taxes and 2) the level of Other Revenue credited to the total cost of service in GUD Docket No. 10000 less revenue related taxes shall be allocated to the Rate CGS class and the Rate PT class in the same proportion as the Other Revenue was allocated to each class in GUD Docket No. 10000, as determined from the dollar amounts for Other Revenue Credit On Schedule J to the Final Order in GUD 10000, Columns (d) and (e), Line 6 for each class, respectively, as compared to the Total System Other Revenue Credit on Schedule J, Column (c), Line 6. The allocated portion of the difference in Other Revenue for each class shall be divided by the then current MDQ for such class, and that result shall be divided by 12 to calculate a monthly amount. The resulting amount shall be added to or subtracted from the capacity charge for each class.</p> <p>Such adjusted capacity charge will then be adjusted for any Interim Rate Adjustments approved by the Commission after the issuance of the Final Order in GUD Docket No. 10000.</p> <p>Adjustment Review Process</p> |

| Rider SUR c          | <p>No later than August 15th of each year, Atmos Pipeline - Texas shall file with the Commission an Other Revenue Adjustment Report showing the following:</p> <ol style="list-style-type: none"> <li>1. The actual Other Revenue billed by Atmos Pipeline - Texas during the twelve-month period from July 1 of the prior year through June 30 of the current year by FERC Account;</li> <li>2. A listing of the customers in the Other Revenue class by coded reference showing monthly volumes and monthly revenues for each customer;</li> <li>3. The then current contractual MDQ and the MDQ in the prior year`s filing for each customer in each class (CGS and PT);</li> <li>4. The Other Revenue allocation percentages for each class derived from Schedule J;</li> <li>5. The calculations described in the Adjustment Mechanism Section of this Rider REV and supporting schedules;</li> <li>6. A confidential cross reference listing of the Customer codes and names (for Railroad Commission Staff only);</li> <li>7. A statement on whether or not the proposed adjustment would generate additional revenue of more than 2 one-half% of Atmos Pipeline - Texas` annual per books revenue for the twelve-month period ending on June 30 of the current year; and</li> <li>8. Proposed tariffs showing the proposed adjusted rates.</li> </ol> <p>Atmos Pipeline - Texas shall provide notice to all directly affected customers by bill insert or direct mail on the same date as the date of the filing of the Other Revenue Adjustment Report. The notice shall provide the customers with the proposed adjustment and contact information on where the customer can inspect a copy of the filing. If the requested adjustment would generate additional revenue of more than 2 one-half% of Atmos Pipeline - Texas` annual per books revenue for the twelve-month period ending on June 30 of the current year, the notice shall contain a statement that within 20 days of the date of the filing the customer has a right to:</p> <ol style="list-style-type: none"> <li>1. request a copy of the complete filing and the address for making such a request;</li> <li>2. file a reply and the address for filing a reply; and</li> <li>3. request a hearing and the address for making such a request.</li> </ol> <p>If a hearing is requested, the Hearings Division of the Commission shall conduct the hearing, which shall be limited in scope to the sole issue of the reasonableness of any increase greater than 2 one-half% of Atmos Pipeline - Texas` annual per books revenue for the twelve-month period ending on June 30 of the current year, on an expedited basis in order to permit the Commission to approve, adjust or deny the proposed Other Revenue Adjustment on or before November 1 of the current year.</p> <p>The Commission shall have the opportunity to review the Other Revenue Adjustment Report and may submit discovery requests until the 40th day following the filing date of the Other Revenue Adjustment Report. Directly affected customers may also submit discovery requests until that date. The Commission shall approve, adjust or deny the proposed Other Revenue Adjustment on or before November 1 of the current year. Atmos Pipeline - Texas shall have the right to appeal the commission`s decision by filing a Motion for Rehearing with the Commission within 20 days following the issuance of the Commission`s decision.</p> <p>Atmos Pipeline - Texas shall promptly reimburse the Commission for the cost of reviewing each Other Revenue Adjustment Report upon the invoicing of such cost.</p> <p>The Other Revenue Adjustment, as adjusted by the Commission, shall be implemented on November 1 of the current year and shall remain in effect until revised on the following November 1st.</p> <p>This Rider REV will expire with the effective date of rates in the next statement of intent filing by Atmos Pipeline - Texas.</p> <p style="text-align: center;"><b>RIDER SUR - SURCHARGES</b></p> <p><b>APPLICABLE TO:</b> Rate CGS - Mid-Tex, Rate CGS - Other and Rate PT<br/> <b>EFFECTIVE DATE:</b> 06/13/2013</p> <p><b>Applicability</b><br/> This Rider is applicable to customer classes as authorized by the state or any governmental entity or regulatory authority pursuant to any statute, order, rule, contract, or agreement.</p> <p><b>Monthly Calculation</b><br/> Surcharges will be calculated in accordance with the applicable statute, order, rule, contract, or agreement.</p> <p><b>GUD 10132</b><br/> The following surcharges as authorized in GUD 10132 shall be recovered from the Rate CGS - Mid-Tex and Rate CGS - Other customers by adding the amounts designated below to their otherwise applicable total customer charge for each month in an appropriate</p> |

|                               | <p><u>Applicability</u><br/>This rate schedule is applicable to service by the Company under a Transportation Agreement - Pipeline, to a customer directly connected to the Atmos Pipeline-Texas System for the transportation of all natural gas supplied by Customer or Customer's agent for delivery to Customer at one Point of Delivery. Not applicable for service to City Gate Service customers.</p> <p><u>Type of Service</u><br/>This service provides interruptible transportation service to end use customers. Where service of the quantity and type desired by Customer is not already available at a Point of Delivery, additional charges and special contract arrangements between Company and Customer may be required prior to service being furnished at such Point of Delivery.</p> <p><u>Monthly Rate</u><br/>Customer's monthly bill will be calculated by adding the Monthly Customer and Usage charges to the amounts and quantities due under the Riders listed below. The Monthly Customer Charge each month will be equal to the Capacity Charge, as adjusted, multiplied by the Customer's Maximum Daily Quantity (MDQ) as set forth in the Transportation Agreement between Customer and Company. Total Usage Charges each month will be equal to the Usage Charge multiplied by the volume of gas delivered to Customer by Company during such month:</p> <table border="0" style="width: 100%;"> <thead> <tr> <th style="text-align: left;">Charge</th> <th style="text-align: left;">Amount</th> </tr> </thead> <tbody> <tr> <td>Capacity</td> <td>\$ 2.3061 per MMBtu of MDQ (Note 1)</td> </tr> <tr> <td>Annual Rider REV Adjustment</td> <td>\$ 0.0965 per MMBtu of MDQ</td> </tr> <tr> <td>Interim Rate Adjustment (IRA)</td> <td>\$ 1.4630 per MMBtu of MDQ (Note 2)</td> </tr> <tr> <td>Total Capacity Charge</td> <td>\$ 3.8656 per MMBtu of MDQ</td> </tr> </tbody> </table> <p>Usage                                    \$ 0.0163 per MMBtu</p> <p>Rider RA: Plus a quantity of gas as calculated in accordance with Rider RA.</p> <p>Rider TAX: Plus an amount for tax calculated in accordance with Rider TAX.</p> <p>Rider MF: Plus an amount for municipal fees calculated in accordance with Rider MF.</p> <p>Rider SUR: Plus an amount for surcharges calculated in accordance with Rider SUR.</p> <p>Rider REV: Plus an amount per MMBtu in accordance with Rider REV as an adjustment to the Capacity Charge per MMBtu of MDQ.</p> <p><u>Imbalance Fees</u><br/>All fees charged to Customer under this Rate Schedule will be charged based on the quantities determined under the applicable Transportation Agreement and quantities will not be aggregated for any Customer with multiple Transportation Agreements for the purposes of such fees.</p> <p><u>Monthly Imbalance Fees</u><br/>Customer shall pay Company the greater of (i) \$0.10 per MMBtu, or (ii) 150% of the difference per MMBtu between the highest and lowest midpoint price for the Katy point listed in Platts Gas Daily in the table entitled Daily Price Survey during such month, for the MMBtu of Customer's monthly Cumulative Imbalance, as defined in the applicable Transportation Agreement, at the end of each month that exceeds 10% of Customer's receipt quantities for the month.</p> <p><u>Curtailement Overpull Fee</u><br/>Upon notification by Company of an event of curtailement or interruption of Customer's deliveries, Customer will, for each MMBtu delivered in excess of the stated level of curtailement or interruption, pay Company 200% of the midpoint price for the Katy point listed in Platts Gas Daily published for the applicable Gas Day in the table entitled Daily Price Survey.</p> <p><u>Replacement Index</u><br/>In the event the midpoint or common price for the Katy point listed in Platts Gas Daily in the table entitled Daily Price Survey is no longer published, Company will calculate the applicable imbalance fees utilizing a daily price index recognized as authoritative by the natural gas industry and most closely approximating the applicable index.</p> <p><u>MDQ Adjustment</u><br/>If a Customer's daily usage on any day exceeds the Customer's MDQ as set forth in the applicable Transportation Agreement by 10% or more, the Customer's MDQ shall be increased to equal such daily usage. The effective date of such increase in the MDQ shall be the first day of the calendar month that begins following the day on which the Customer's daily usage exceeded the Customer's MDQ.</p> <p><u>Agreement</u><br/>A transportation agreement is required.</p> <p><u>Notice</u></p> | Charge | Amount | Capacity | \$ 2.3061 per MMBtu of MDQ (Note 1) | Annual Rider REV Adjustment | \$ 0.0965 per MMBtu of MDQ | Interim Rate Adjustment (IRA) | \$ 1.4630 per MMBtu of MDQ (Note 2) | Total Capacity Charge | \$ 3.8656 per MMBtu of MDQ |
| Charge                        | Amount                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                  |        |        |          |                                     |                             |                            |                               |                                     |                       |                            |

Customer must pay Company all costs associated with the acquisition and installation of the meter.</p> <p>Note:<br/>1 The Capacity Charge per MMBtu will be adjusted annually as calculated pursuant to Rider REV.<br/>2 2010 IRA - \$0.2454, 2011 IRA - \$0.2513, 2012 IRA - \$0.3731, 2013 IRA - \$0.5932.</p> <p>Rider MF is applicable to the Entire System pursuant to the Final Order in GUD 10000 dated 04/18/2011.<br/>Effective Date: For Bills Rendered On Or After 04/18/2011</p> <p style="text-align: center;">Rider MF - MUNICIPAL FEE ADJUSTMENT</p>                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                   |
| Rider RA a           | <p>Application Applicable to Customers inside the corporate limits of an incorporated municipality that imposes a municipal franchise fee upon Company for the Gas Service provided to Customer.</p> <p>Monthly Adjustment<br/>Company will adjust Customer's bill each month in an amount equal to the municipal fees payable for the Gas Service provided to Customer by Company. Municipal franchise fees are determined by each municipality's ordinance. Each municipality's franchise ordinance will specify the percentage and applicability of municipal fees.</p> <p>From time to time, Company will make further adjustments to Customer's bill to account for any over- or under-recovery of municipal fees by Company.</p> <p style="text-align: center;">RIDER RA - RETENTION ADJUSTMENT</p>                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                        |
| Rider REV 10295      | <p>APPLICABLE TO: Rate CGS - Mid-Tex, Rate CGS - Other and Rate PT<br/>EFFECTIVE DATE: 04/18/2011</p> <p>Applicability<br/>This Rider is applicable to Customers taking service under Rate CGS - Mid-Tex, Rate CGS - Other and Rate PT.</p> <p>Monthly Rate<br/>The retention percentage for Rate CGS - Mid-Tex, Rate CGS - Other and Rate PT is 1.00% of the volume of gas received into Atmos Pipeline -Texas' system for the account of a Customer.</p> <p>Rider REV is applicable to the Rate CGS - Mid-Tex, Rate CGS - Other and Rate PT pursuant to the Final Order in GUD 10000 dated 04/18/2011. Rider REV GUD 10000 is renewed as modified and extended under GUD10295 dated 12/18/2013. Effective Date: For Bills Rendered On Or After 12/18/2013</p> <p style="text-align: center;">Rider REV - REVENUE ADJUSTMENT</p> <p>Applicability<br/>This Rider will apply to Rate CGS - Mid-Tex, Rider CGS - Other and Rate PT.</p> <p>Adjustment Mechanism<br/>Effective each November 1, rate schedules subject to this Rider will be adjusted based on the change in 1) the level of Other Revenue for the twelve-month period from July 1 of the prior year through June 30 of the current year from 2) the level of Other Revenue credited to the total cost of service in GUD Docket No. 10000.</p> <p>Seventy-five percent of the difference between 1) the level of Other Revenue for the twelve-month period from July 1 of the prior year through June 30 of the current year less revenue related taxes and 2) the level of Other Revenue credited to the total cost of service in GUD Docket No. 10000 less revenue related taxes shall be allocated to the Rate CGS class and the Rate PT class in the same proportion as the Other Revenue was allocated to each class in GUD Docket No. 10000, as determined from the dollar amounts for Other Revenue Credit On Schedule J to the Final Order in GUD 10000, Columns (d) and (e), Line 6 for each class, respectively, as compared to the Total System Other Revenue Credit on Schedule J, Column (c), Line 6. The allocated portion of the difference in Other Revenue for each class shall be divided by the then current MDQ for such class, and that result shall be divided by 12 to calculate a monthly amount. The resulting amount shall be added to or subtracted from the capacity charge for each class.</p> <p>Such adjusted capacity charge will then be adjusted for any Interim Rate Adjustments approved by the Commission after the issuance of the Final Order in GUD Docket No. 10000.</p> <p>Adjustment Review Process</p> |

|                      | <p>No later than August 15th of each year, Atmos Pipeline - Texas shall file with the Commission an Other Revenue Adjustment Report showing the following:</p> <ol style="list-style-type: none"> <li>1. 1. The actual Other Revenue billed by Atmos Pipeline - Texas during the twelve-month period from July 1 of the prior year through June 30 of the current year by FERC Account;</li> <li>2. A listing of the customers in the Other Revenue class by coded reference showing monthly volumes and monthly revenues for each customer;</li> <li>3. The then current contractual MDQ and the MDQ in the prior year`s filing for each customer in each class (CGS and PT);</li> <li>4. The Other Revenue allocation percentages for each class derived from Schedule J;</li> <li>5. The calculations described in the Adjustment Mechanism Section of this Rider REV and supporting schedules;</li> <li>6. A confidential cross reference listing of the Customer codes and names (for Railroad Commission Staff only);</li> <li>7. A statement on whether or not the proposed adjustment would generate additional revenue of more than 2 one-half% of Atmos Pipeline - Texas` annual per books revenue for the twelve-month period ending on June 30 of the current year; and</li> <li>8. Proposed tariffs showing the proposed adjusted rates.</li> </ol> <p>Atmos Pipeline - Texas shall provide notice to all directly affected customers by bill insert or direct mail on the same date as the date of the filing of the Other Revenue Adjustment Report. The notice shall provide the customers with the proposed adjustment and contact information on where the customer can inspect a copy of the filing. If the requested adjustment would generate additional revenue of more than 2 one-half% of Atmos Pipeline - Texas` annual per books revenue for the twelve-month period ending on June 30 of the current year, the notice shall contain a statement that within 20 days of the date of the filing the customer has a right to:</p> <ol style="list-style-type: none"> <li>1. request a copy of the complete filing and the address for making such a request;</li> <li>2. file a reply and the address for filing a reply; and</li> <li>3. request a hearing and the address for making such a request.</li> </ol> <p>If a hearing is requested, the Hearings Division of the Commission shall conduct the hearing, which shall be limited in scope to the sole issue of the reasonableness of any increase greater than 2 one-half% of Atmos Pipeline - Texas` annual per books revenue for the twelve-month period ending on June 30 of the current year, on an expedited basis in order to permit the Commission to approve, adjust or deny the proposed Other Revenue Adjustment on or before November 1 of the current year.</p> <p>The Commission shall have the opportunity to review the Other Revenue Adjustment Report and may submit discovery requests until the 40th day following the filing date of the Other Revenue Adjustment Report. Directly affected customers may also submit discovery requests until that date. The Commission shall approve, adjust or deny the proposed Other Revenue Adjustment on or before November 1 of the current year. Atmos Pipeline - Texas shall have the right to appeal the commission`s decision by filing a Motion for Rehearing with the Commission within 20 days following the issuance of the Commission`s decision.</p> <p>Atmos Pipeline - Texas shall promptly reimburse the Commission for the cost of reviewing each Other Revenue Adjustment Report upon the invoicing of such cost.</p> <p>The Other Revenue Adjustment, as adjusted by the Commission, shall be implemented on November 1 of the current year and shall remain in effect until revised on the following November 1st.</p> <p>This Rider REV will expire with the effective date of rates in the next statement of intent filing by Atmos Pipeline - Texas.</p> |

|                               | <p><b>Applicability</b><br/>This rate schedule is applicable to service by the Company under a Transportation Agreement - Pipeline, to a customer directly connected to the Atmos Pipeline-Texas System for the transportation of all natural gas supplied by Customer or Customer's agent for delivery to Customer at one Point of Delivery. Not applicable for service to City Gate Service customers.</p> <p><b>Type of Service</b><br/>This service provides interruptible transportation service to end use customers. Where service of the quantity and type desired by Customer is not already available at a Point of Delivery, additional charges and special contract arrangements between Company and Customer may be required prior to service being furnished at such Point of Delivery.</p> <p><b>Monthly Rate</b><br/>Customer's monthly bill will be calculated by adding the Monthly Customer and Usage charges to the amounts and quantities due under the Riders listed below. The Monthly Customer Charge each month will be equal to the Capacity Charge, as adjusted, multiplied by the Customer's Maximum Daily Quantity (MDQ) as set forth in the Transportation Agreement between Customer and Company. Total Usage Charges each month will be equal to the Usage Charge multiplied by the volume of gas delivered to Customer by Company during such month:</p> <table border="0" style="width: 100%;"> <thead> <tr> <th style="text-align: left;">Charge</th> <th style="text-align: left;">Amount</th> </tr> </thead> <tbody> <tr> <td>Capacity</td> <td>\$ 2.3061 per MMBtu of MDQ (Note 1)</td> </tr> <tr> <td>Annual Rider REV Adjustment</td> <td>\$ 0.0965 per MMBtu of MDQ</td> </tr> <tr> <td>Interim Rate Adjustment (IRA)</td> <td>\$ 1.4630 per MMBtu of MDQ (Note 2)</td> </tr> <tr> <td>Total Capacity Charge</td> <td>\$ 3.8656 per MMBtu of MDQ</td> </tr> <tr> <td>Usage</td> <td>\$ 0.0163 per MMBtu</td> </tr> </tbody> </table> <p>Rider RA: Plus a quantity of gas as calculated in accordance with Rider RA.</p> <p>Rider TAX: Plus an amount for tax calculated in accordance with Rider TAX.</p> <p>Rider MF: Plus an amount for municipal fees calculated in accordance with Rider MF.</p> <p>Rider SUR: Plus an amount for surcharges calculated in accordance with Rider SUR.</p> <p>Rider REV: Plus an amount per MMBtu in accordance with Rider REV as an adjustment to the Capacity Charge per MMBtu of MDQ.</p> <p><b>Imbalance Fees</b><br/>All fees charged to Customer under this Rate Schedule will be charged based on the quantities determined under the applicable Transportation Agreement and quantities will not be aggregated for any Customer with multiple Transportation Agreements for the purposes of such fees.</p> <p><b>Monthly Imbalance Fees</b><br/>Customer shall pay Company the greater of (i) \$0.10 per MMBtu, or (ii) 150% of the difference per MMBtu between the highest and lowest midpoint price for the Katy point listed in Platts Gas Daily in the table entitled Daily Price Survey during such month, for the MMBtu of Customer's monthly Cumulative Imbalance, as defined in the applicable Transportation Agreement, at the end of each month that exceeds 10% of Customer's receipt quantities for the month.</p> <p><b>Curtailement Overpull Fee</b><br/>Upon notification by Company of an event of curtailement or interruption of Customer's deliveries, Customer will, for each MMBtu delivered in excess of the stated level of curtailement or interruption, pay Company 200% of the midpoint price for the Katy point listed in Platts Gas Daily published for the applicable Gas Day in the table entitled Daily Price Survey.</p> <p><b>Replacement Index</b><br/>In the event the midpoint or common price for the Katy point listed in Platts Gas Daily in the table entitled Daily Price Survey is no longer published, Company will calculate the applicable imbalance fees utilizing a daily price index recognized as authoritative by the natural gas industry and most closely approximating the applicable index.</p> <p><b>MDQ Adjustment</b><br/>If a Customer's daily usage on any day exceeds the Customer's MDQ as set forth in the applicable Transportation Agreement by 10% or more, the Customer's MDQ shall be increased to equal such daily usage. The effective date of such increase in the MDQ shall be the first day of the calendar month that begins following the day on which the Customer's daily usage exceeded the Customer's MDQ.</p> <p><b>Agreement</b><br/>A transportation agreement is required.</p> <p><b>Notice</b></p> | Charge | Amount | Capacity | \$ 2.3061 per MMBtu of MDQ (Note 1) | Annual Rider REV Adjustment | \$ 0.0965 per MMBtu of MDQ | Interim Rate Adjustment (IRA) | \$ 1.4630 per MMBtu of MDQ (Note 2) | Total Capacity Charge | \$ 3.8656 per MMBtu of MDQ | Usage | \$ 0.0163 per MMBtu |
| Charge                        | Amount                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                     |        |        |          |                                     |                             |                            |                               |                                     |                       |                            |       |                     |

Customer must pay Company all costs associated with the acquisition and installation of the meter.</p> <p>Note:<br/>1 The Capacity Charge per MMBtu will be adjusted annually as calculated pursuant to Rider REV.<br/>2 2010 IRA - \$0.2454, 2011 IRA - \$0.2513, 2012 IRA - \$0.3731, 2013 IRA - \$0.5932.</p> <p>Rider MF is applicable to the Entire System pursuant to the Final Order in GUD 10000 dated 04/18/2011.<br/>Effective Date: For Bills Rendered On Or After 04/18/2011</p>                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                           |
| Rider RA a           | <p style="text-align: center;"><b>Rider MF - MUNICIPAL FEE ADJUSTMENT</b></p> <p>Application Applicable to Customers inside the corporate limits of an incorporated municipality that imposes a municipal franchise fee upon Company for the Gas Service provided to Customer.</p> <p>Monthly Adjustment<br/>Company will adjust Customer's bill each month in an amount equal to the municipal fees payable for the Gas Service provided to Customer by Company. Municipal franchise fees are determined by each municipality's ordinance. Each municipality's franchise ordinance will specify the percentage and applicability of municipal fees.</p> <p>From time to time, Company will make further adjustments to Customer's bill to account for any over- or under-recovery of municipal fees by Company.</p>                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                              |
| Rider REV 10295      | <p style="text-align: center;"><b>RIDER RA - RETENTION ADJUSTMENT</b></p> <p>APPLICABLE TO: Rate CGS - Mid-Tex, Rate CGS - Other and Rate PT<br/>EFFECTIVE DATE: 04/18/2011</p> <p>Applicability<br/>This Rider is applicable to Customers taking service under Rate CGS - Mid-Tex, Rate CGS - Other and Rate PT.</p> <p>Monthly Rate<br/>The retention percentage for Rate CGS - Mid-Tex, Rate CGS - Other and Rate PT is 1.00% of the volume of gas received into Atmos Pipeline -Texas' system for the account of a Customer.</p> <p>Rider REV is applicable to the Rate CGS - Mid-Tex, Rate CGS - Other and Rate PT pursuant to the Final Order in GUD 10000 dated 04/18/2011. Rider REV GUD 10000 is renewed as modified and extended under GUD10295 dated 12/18/2013. Effective Date: For Bills Rendered On Or After 12/18/2013</p> <p style="text-align: center;"><b>Rider REV - REVENUE ADJUSTMENT</b></p> <p>Applicability<br/>This Rider will apply to Rate CGS - Mid-Tex, Rider CGS - Other and Rate PT.</p> <p>Adjustment Mechanism<br/>Effective each November 1, rate schedules subject to this Rider will be adjusted based on the change in 1) the level of Other Revenue for the twelve-month period from July 1 of the prior year through June 30 of the current year from 2) the level of Other Revenue credited to the total cost of service in GUD Docket No. 10000.</p> <p>Seventy-five percent of the difference between 1) the level of Other Revenue for the twelve-month period from July 1 of the prior year through June 30 of the current year less revenue related taxes and 2) the level of Other Revenue credited to the total cost of service in GUD Docket No. 10000 less revenue related taxes shall be allocated to the Rate CGS class and the Rate PT class in the same proportion as the Other Revenue was allocated to each class in GUD Docket No. 10000, as determined from the dollar amounts for Other Revenue Credit On Schedule J to the Final Order in GUD 10000, Columns (d) and (e), Line 6 for each class, respectively, as compared to the Total System Other Revenue Credit on Schedule J, Column (c), Line 6. The allocated portion of the difference in Other Revenue for each class shall be divided by the then current MDQ for such class, and that result shall be divided by 12 to calculate a monthly amount. The resulting amount shall be added to or subtracted from the capacity charge for each class.</p> <p>Such adjusted capacity charge will then be adjusted for any Interim Rate Adjustments approved by the Commission after the issuance of the Final Order in GUD Docket No. 10000.</p> <p>Adjustment Review Process</p> |

|                      | <p>No later than August 15th of each year, Atmos Pipeline - Texas shall file with the Commission an Other Revenue Adjustment Report showing the following:</p> <ol style="list-style-type: none"> <li>1. 1. The actual Other Revenue billed by Atmos Pipeline - Texas during the twelve-month period from July 1 of the prior year through June 30 of the current year by FERC Account;</li> <li>2. A listing of the customers in the Other Revenue class by coded reference showing monthly volumes and monthly revenues for each customer;</li> <li>3. The then current contractual MDQ and the MDQ in the prior year`s filing for each customer in each class (CGS and PT);</li> <li>4. The Other Revenue allocation percentages for each class derived from Schedule J;</li> <li>5. The calculations described in the Adjustment Mechanism Section of this Rider REV and supporting schedules;</li> <li>6. A confidential cross reference listing of the Customer codes and names (for Railroad Commission Staff only);</li> <li>7. A statement on whether or not the proposed adjustment would generate additional revenue of more than 2 one-half% of Atmos Pipeline - Texas` annual per books revenue for the twelve-month period ending on June 30 of the current year; and</li> <li>8. Proposed tariffs showing the proposed adjusted rates.</li> </ol> <p>Atmos Pipeline - Texas shall provide notice to all directly affected customers by bill insert or direct mail on the same date as the date of the filing of the Other Revenue Adjustment Report. The notice shall provide the customers with the proposed adjustment and contact information on where the customer can inspect a copy of the filing. If the requested adjustment would generate additional revenue of more than 2 one-half% of Atmos Pipeline - Texas` annual per books revenue for the twelve-month period ending on June 30 of the current year, the notice shall contain a statement that within 20 days of the date of the filing the customer has a right to:</p> <ol style="list-style-type: none"> <li>1. request a copy of the complete filing and the address for making such a request;</li> <li>2. file a reply and the address for filing a reply; and</li> <li>3. request a hearing and the address for making such a request.</li> </ol> <p>If a hearing is requested, the Hearings Division of the Commission shall conduct the hearing, which shall be limited in scope to the sole issue of the reasonableness of any increase greater than 2 one-half% of Atmos Pipeline - Texas` annual per books revenue for the twelve-month period ending on June 30 of the current year, on an expedited basis in order to permit the Commission to approve, adjust or deny the proposed Other Revenue Adjustment on or before November 1 of the current year.</p> <p>The Commission shall have the opportunity to review the Other Revenue Adjustment Report and may submit discovery requests until the 40th day following the filing date of the Other Revenue Adjustment Report. Directly affected customers may also submit discovery requests until that date. The Commission shall approve, adjust or deny the proposed Other Revenue Adjustment on or before November 1 of the current year. Atmos Pipeline - Texas shall have the right to appeal the commission`s decision by filing a Motion for Rehearing with the Commission within 20 days following the issuance of the Commission`s decision.</p> <p>Atmos Pipeline - Texas shall promptly reimburse the Commission for the cost of reviewing each Other Revenue Adjustment Report upon the invoicing of such cost.</p> <p>The Other Revenue Adjustment, as adjusted by the Commission, shall be implemented on November 1 of the current year and shall remain in effect until revised on the following November 1st.</p> <p>This Rider REV will expire with the effective date of rates in the next statement of intent filing by Atmos Pipeline - Texas.</p> |

**CURRENT RATE COMPONENT****RATE COMP. ID****DESCRIPTION**

## RATE PT - PIPELINE TRANSPORTATION

Applicability

This rate schedule is applicable to service by the Company under a Transportation Agreement - Pipeline, to a customer directly connected to the Atmos Pipeline-Texas System for the transportation of all natural gas supplied by Customer or Customer's agent for delivery to Customer at one Point of Delivery. Not applicable for service to City Gate Service customers.

Type of Service

This service provides interruptible transportation service to end use customers. Where service of the quantity and type desired by Customer is not already available at a Point of Delivery, additional charges and special contract arrangements between Company and Customer may be required prior to service being furnished at such Point of Delivery.

Monthly Rate

Customer's monthly bill will be calculated by adding the Monthly Customer and Usage charges to the amounts and quantities due under the Riders listed below. The Monthly Customer Charge each month will be equal to the Capacity Charge, as adjusted, multiplied by the Customer's Maximum Daily Quantity (MDQ) as set forth in the Transportation Agreement between Customer and Company. Total Usage Charges each month will be equal to the Usage Charge multiplied by the volume of gas delivered to Customer by Company during such month:

| Charge                        | Amount                              |
|-------------------------------|-------------------------------------|
| Capacity                      | \$ 2.3061 per MMBtu of MDQ (Note 1) |
| Annual Rider REV Adjustment   | \$ 0.0965 per MMBtu of MDQ          |
| Interim Rate Adjustment (IRA) | \$ 1.4630 per MMBtu of MDQ (Note 2) |
| Total Capacity Charge         | \$ 3.8656 per MMBtu of MDQ          |
| Usage                         | \$ 0.0163 per MMBtu                 |

Rider RA: Plus a quantity of gas as calculated in accordance with Rider RA.

Rider TAX: Plus an amount for tax calculated in accordance with Rider TAX.

Rider MF: Plus an amount for municipal fees calculated in accordance with Rider MF.

Rider SUR: Plus an amount for surcharges calculated in accordance with Rider SUR.

Rider REV: Plus an amount per MMBtu in accordance with Rider REV as an adjustment to the Capacity Charge per MMBtu of MDQ.

Imbalance Fees

All fees charged to Customer under this Rate Schedule will be charged based on the quantities determined under the applicable Transportation Agreement and quantities will not be aggregated for any Customer with multiple Transportation Agreements for the purposes of such fees.

Monthly Imbalance Fees

Customer shall pay Company the greater of (i) \$0.10 per MMBtu, or (ii) 150% of the difference per MMBtu between the highest and lowest midpoint price for the Katy point listed in Platts Gas Daily in the table entitled Daily Price Survey during such month, for the MMBtu of Customer's monthly Cumulative Imbalance, as defined in the applicable Transportation Agreement, at the end of each month that exceeds 10% of Customer's receipt quantities for the month.

Curtailed Overpull Fee

Upon notification by Company of an event of curtailment or interruption of Customer's deliveries, Customer will, for each MMBtu delivered in excess of the stated level of curtailment or interruption, pay Company 200% of the midpoint price for the Katy point listed in Platts Gas Daily published for the applicable Gas Day in the table entitled Daily Price Survey.

Replacement Index

In the event the midpoint or common price for the Katy point listed in Platts Gas Daily in the table entitled Daily Price Survey is no longer published, Company will calculate the applicable imbalance fees utilizing a daily price index recognized as authoritative by the natural gas industry and most closely approximating the applicable index.

MDQ Adjustment

If a Customer's daily usage on any day exceeds the Customer's MDQ as set forth in the applicable Transportation Agreement by 10% or more, the Customer's MDQ shall be increased to equal such daily usage. The effective date of such increase in the MDQ shall be the first day of the calendar month that begins following the day on which the Customer's daily usage exceeded the Customer's MDQ.

Agreement

A transportation agreement is required.

Customer must pay Company all costs associated with the acquisition and installation of the meter.</p> <p>Note:<br/>1 The Capacity Charge per MMBtu will be adjusted annually as calculated pursuant to Rider REV.<br/>2 2010 IRA - \$0.2454, 2011 IRA - \$0.2513, 2012 IRA - \$0.3731, 2013 IRA - \$0.5932.</p> <p>Rider MF is applicable to the Entire System pursuant to the Final Order in GUD 10000 dated 04/18/2011.<br/>Effective Date: For Bills Rendered On Or After 04/18/2011</p>                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                 |
| Rider RA a           | <p style="text-align: center;"><b>Rider MF - MUNICIPAL FEE ADJUSTMENT</b></p> <p>Application Applicable to Customers inside the corporate limits of an incorporated municipality that imposes a municipal franchise fee upon Company for the Gas Service provided to Customer.</p> <p>Monthly Adjustment<br/>Company will adjust Customer's bill each month in an amount equal to the municipal fees payable for the Gas Service provided to Customer by Company. Municipal franchise fees are determined by each municipality's ordinance. Each municipality's franchise ordinance will specify the percentage and applicability of municipal fees.</p> <p>From time to time, Company will make further adjustments to Customer's bill to account for any over- or under-recovery of municipal fees by Company.</p> <p style="text-align: center;"><b>RIDER RA - RETENTION ADJUSTMENT</b></p>                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                          |
| Rider REV 10295      | <p>APPLICABLE TO: Rate CGS - Mid-Tex, Rate CGS - Other and Rate PT<br/>EFFECTIVE DATE: 04/18/2011</p> <p>Applicability<br/>This Rider is applicable to Customers taking service under Rate CGS - Mid-Tex, Rate CGS - Other and Rate PT.</p> <p>Monthly Rate<br/>The retention percentage for Rate CGS - Mid-Tex, Rate CGS - Other and Rate PT is 1.00% of the volume of gas received into Atmos Pipeline -Texas' system for the account of a Customer.</p> <p>Rider REV is applicable to the Rate CGS - Mid-Tex, Rate CGS - Other and Rate PT pursuant to the Final Order in GUD 10000 dated 04/18/2011. Rider REV GUD 10000 is renewed as modified and extended under GUD10295 dated 12/18/2013. Effective Date: For Bills Rendered On Or After 12/18/2013</p> <p style="text-align: center;"><b>Rider REV - REVENUE ADJUSTMENT</b></p> <p>Applicability<br/>This Rider will apply to Rate CGS - Mid-Tex, Rider CGS - Other and Rate PT.</p> <p>Adjustment Mechanism<br/>Effective each November 1, rate schedules subject to this Rider will be adjusted based on the change in 1) the level of Other Revenue for the twelve-month period from July 1 of the prior year through June 30 of the current year from 2) the level of Other Revenue credited to the total cost of service in GUD Docket No. 10000.</p> <p>Seventy-five percent of the difference between 1) the level of Other Revenue for the twelve-month period from July 1 of the prior year through June 30 of the current year less revenue related taxes and 2) the level of Other Revenue credited to the total cost of service in GUD Docket No. 10000 less revenue related taxes shall be allocated to the Rate CGS class and the Rate PT class in the same proportion as the Other Revenue was allocated to each class in GUD Docket No. 10000, as determined from the dollar amounts for Other Revenue Credit On Schedule J to the Final Order in GUD 10000. Columns (d) and (e), Line 6 for each class, respectively, as compared to the Total System Other Revenue Credit on Schedule J, Column (c), Line 6. The allocated portion of the difference in Other Revenue for each class shall be divided by the then current MDQ for such class, and that result shall be divided by 12 to calculate a monthly amount. The resulting amount shall be added to or subtracted from the capacity charge for each class.</p> <p>Such adjusted capacity charge will then be adjusted for any Interim Rate Adjustments approved by the Commission after the issuance of the Final Order in GUD Docket No. 10000.</p> <p>Adjustment Review Process</p> |

| Rider SUR c          | <p>No later than August 15th of each year, Atmos Pipeline - Texas shall file with the Commission an Other Revenue Adjustment Report showing the following:</p> <ol style="list-style-type: none"> <li>1. 1. The actual Other Revenue billed by Atmos Pipeline - Texas during the twelve-month period from July 1 of the prior year through June 30 of the current year by FERC Account;</li> <li>2. A listing of the customers in the Other Revenue class by coded reference showing monthly volumes and monthly revenues for each customer;</li> <li>3. The then current contractual MDQ and the MDQ in the prior year`s filing for each customer in each class (CGS and PT);</li> <li>4. The Other Revenue allocation percentages for each class derived from Schedule J;</li> <li>5. The calculations described in the Adjustment Mechanism Section of this Rider REV and supporting schedules;</li> <li>6. A confidential cross reference listing of the Customer codes and names (for Railroad Commission Staff only);</li> <li>7. A statement on whether or not the proposed adjustment would generate additional revenue of more than 2 one-half% of Atmos Pipeline - Texas` annual per books revenue for the twelve-month period ending on June 30 of the current year; and</li> <li>8. Proposed tariffs showing the proposed adjusted rates.</li> </ol> <p>Atmos Pipeline - Texas shall provide notice to all directly affected customers by bill insert or direct mail on the same date as the date of the filing of the Other Revenue Adjustment Report. The notice shall provide the customers with the proposed adjustment and contact information on where the customer can inspect a copy of the filing. If the requested adjustment would generate additional revenue of more than 2 one-half% of Atmos Pipeline - Texas` annual per books revenue for the twelve-month period ending on June 30 of the current year, the notice shall contain a statement that within 20 days of the date of the filing the customer has a right to:</p> <ol style="list-style-type: none"> <li>1. request a copy of the complete filing and the address for making such a request;</li> <li>2. file a reply and the address for filing a reply; and</li> <li>3. request a hearing and the address for making such a request.</li> </ol> <p>If a hearing is requested, the Hearings Division of the Commission shall conduct the hearing, which shall be limited in scope to the sole issue of the reasonableness of any increase greater than 2 one-half% of Atmos Pipeline - Texas` annual per books revenue for the twelve-month period ending on June 30 of the current year, on an expedited basis in order to permit the Commission to approve, adjust or deny the proposed Other Revenue Adjustment on or before November 1 of the current year.</p> <p>The Commission shall have the opportunity to review the Other Revenue Adjustment Report and may submit discovery requests until the 40th day following the filing date of the Other Revenue Adjustment Report. Directly affected customers may also submit discovery requests until that date. The Commission shall approve, adjust or deny the proposed Other Revenue Adjustment on or before November 1 of the current year. Atmos Pipeline - Texas shall have the right to appeal the commission`s decision by filing a Motion for Rehearing with the Commission within 20 days following the issuance of the Commission`s decision.</p> <p>Atmos Pipeline - Texas shall promptly reimburse the Commission for the cost of reviewing each Other Revenue Adjustment Report upon the invoicing of such cost.</p> <p>The Other Revenue Adjustment, as adjusted by the Commission, shall be implemented on November 1 of the current year and shall remain in effect until revised on the following November 1st.</p> <p>This Rider REV will expire with the effective date of rates in the next statement of intent filing by Atmos Pipeline - Texas.</p> <p style="text-align: center;"><b>RIDER SUR - SURCHARGES</b></p> <p><b>APPLICABLE TO:</b> Rate CGS - Mid-Tex, Rate CGS - Other and Rate PT<br/> <b>EFFECTIVE DATE:</b> 06/13/2013</p> <p><b>Applicability</b><br/>                     This Rider is applicable to customer classes as authorized by the state or any governmental entity or regulatory authority pursuant to any statute, order, rule, contract, or agreement.</p> <p><b>Monthly Calculation</b><br/>                     Surcharges will be calculated in accordance with the applicable statute, order, rule, contract, or agreement.</p> <p><b>GUD 10132</b><br/>                     The following surcharges as authorized in GUD 10132 shall be recovered from the Rate CGS - Mid-Tex and Rate CGS - Other customers by adding the amounts designated below to their otherwise applicable total customer charge for each month in an appropriate</p> |

|                               | <p><u>Applicability</u><br/>This rate schedule is applicable to service by the Company under a Transportation Agreement - Pipeline, to a customer directly connected to the Atmos Pipeline-Texas System for the transportation of all natural gas supplied by Customer or Customer's agent for delivery to Customer at one Point of Delivery. Not applicable for service to City Gate Service customers.</p> <p><u>Type of Service</u><br/>This service provides interruptible transportation service to end use customers. Where service of the quantity and type desired by Customer is not already available at a Point of Delivery, additional charges and special contract arrangements between Company and Customer may be required prior to service being furnished at such Point of Delivery.</p> <p><u>Monthly Rate</u><br/>Customer's monthly bill will be calculated by adding the Monthly Customer and Usage charges to the amounts and quantities due under the Riders listed below. The Monthly Customer Charge each month will be equal to the Capacity Charge, as adjusted, multiplied by the Customer's Maximum Daily Quantity (MDQ) as set forth in the Transportation Agreement between Customer and Company. Total Usage Charges each month will be equal to the Usage Charge multiplied by the volume of gas delivered to Customer by Company during such month:</p> <table border="0" style="width: 100%;"> <thead> <tr> <th style="text-align: left;">Charge</th> <th style="text-align: left;">Amount</th> </tr> </thead> <tbody> <tr> <td>Capacity</td> <td>\$ 2.3061 per MMBtu of MDQ (Note 1)</td> </tr> <tr> <td>Annual Rider REV Adjustment</td> <td>\$ 0.0965 per MMBtu of MDQ</td> </tr> <tr> <td>Interim Rate Adjustment (IRA)</td> <td>\$ 1.4630 per MMBtu of MDQ (Note 2)</td> </tr> <tr> <td>Total Capacity Charge</td> <td>\$ 3.8656 per MMBtu of MDQ</td> </tr> </tbody> </table> <p>Usage                                    \$ 0.0163 per MMBtu</p> <p>Rider RA: Plus a quantity of gas as calculated in accordance with Rider RA.</p> <p>Rider TAX: Plus an amount for tax calculated in accordance with Rider TAX.</p> <p>Rider MF: Plus an amount for municipal fees calculated in accordance with Rider MF.</p> <p>Rider SUR: Plus an amount for surcharges calculated in accordance with Rider SUR.</p> <p>Rider REV: Plus an amount per MMBtu in accordance with Rider REV as an adjustment to the Capacity Charge per MMBtu of MDQ.</p> <p><u>Imbalance Fees</u><br/>All fees charged to Customer under this Rate Schedule will be charged based on the quantities determined under the applicable Transportation Agreement and quantities will not be aggregated for any Customer with multiple Transportation Agreements for the purposes of such fees.</p> <p><u>Monthly Imbalance Fees</u><br/>Customer shall pay Company the greater of (i) \$0.10 per MMBtu, or (ii) 150% of the difference per MMBtu between the highest and lowest midpoint price for the Katy point listed in Platts Gas Daily in the table entitled Daily Price Survey during such month, for the MMBtu of Customer's monthly Cumulative Imbalance, as defined in the applicable Transportation Agreement, at the end of each month that exceeds 10% of Customer's receipt quantities for the month.</p> <p><u>Curtailement Overpull Fee</u><br/>Upon notification by Company of an event of curtailement or interruption of Customer's deliveries, Customer will, for each MMBtu delivered in excess of the stated level of curtailement or interruption, pay Company 200% of the midpoint price for the Katy point listed in Platts Gas Daily published for the applicable Gas Day in the table entitled Daily Price Survey.</p> <p><u>Replacement Index</u><br/>In the event the midpoint or common price for the Katy point listed in Platts Gas Daily in the table entitled Daily Price Survey is no longer published, Company will calculate the applicable imbalance fees utilizing a daily price index recognized as authoritative by the natural gas industry and most closely approximating the applicable index.</p> <p><u>MDQ Adjustment</u><br/>If a Customer's daily usage on any day exceeds the Customer's MDQ as set forth in the applicable Transportation Agreement by 10% or more, the Customer's MDQ shall be increased to equal such daily usage. The effective date of such increase in the MDQ shall be the first day of the calendar month that begins following the day on which the Customer's daily usage exceeded the Customer's MDQ.</p> <p><u>Agreement</u><br/>A transportation agreement is required.</p> <p><u>Notice</u></p> | Charge | Amount | Capacity | \$ 2.3061 per MMBtu of MDQ (Note 1) | Annual Rider REV Adjustment | \$ 0.0965 per MMBtu of MDQ | Interim Rate Adjustment (IRA) | \$ 1.4630 per MMBtu of MDQ (Note 2) | Total Capacity Charge | \$ 3.8656 per MMBtu of MDQ |
| Charge                        | Amount                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                  |        |        |          |                                     |                             |                            |                               |                                     |                       |                            |

Customer must pay Company all costs associated with the acquisition and installation of the meter.</p> <p>Note:<br/>1 The Capacity Charge per MMBtu will be adjusted annually as calculated pursuant to Rider REV.<br/>2 2010 IRA - \$0.2454, 2011 IRA - \$0.2513, 2012 IRA - \$0.3731, 2013 IRA - \$0.5932.</p> <p>Rider MF is applicable to the Entire System pursuant to the Final Order in GUD 10000 dated 04/18/2011.<br/>Effective Date: For Bills Rendered On Or After 04/18/2011</p> <p style="text-align: center;">Rider MF - MUNICIPAL FEE ADJUSTMENT</p>                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                   |
| Rider RA a           | <p>Application Applicable to Customers inside the corporate limits of an incorporated municipality that imposes a municipal franchise fee upon Company for the Gas Service provided to Customer.</p> <p>Monthly Adjustment<br/>Company will adjust Customer's bill each month in an amount equal to the municipal fees payable for the Gas Service provided to Customer by Company. Municipal franchise fees are determined by each municipality's ordinance. Each municipality's franchise ordinance will specify the percentage and applicability of municipal fees.</p> <p>From time to time, Company will make further adjustments to Customer's bill to account for any over- or under-recovery of municipal fees by Company.</p> <p>RIDER RA - RETENTION ADJUSTMENT</p>                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                    |
| Rider REV 10295      | <p>APPLICABLE TO: Rate CGS - Mid-Tex, Rate CGS - Other and Rate PT<br/>EFFECTIVE DATE: 04/18/2011</p> <p>Applicability<br/>This Rider is applicable to Customers taking service under Rate CGS - Mid-Tex, Rate CGS - Other and Rate PT.</p> <p>Monthly Rate<br/>The retention percentage for Rate CGS - Mid-Tex, Rate CGS - Other and Rate PT is 1.00% of the volume of gas received into Atmos Pipeline -Texas' system for the account of a Customer.</p> <p>Rider REV is applicable to the Rate CGS - Mid-Tex, Rate CGS - Other and Rate PT pursuant to the Final Order in GUD 10000 dated 04/18/2011. Rider REV GUD 10000 is renewed as modified and extended under GUD10295 dated 12/18/2013. Effective Date: For Bills Rendered On Or After 12/18/2013</p> <p style="text-align: center;">Rider REV - REVENUE ADJUSTMENT</p> <p>Applicability<br/>This Rider will apply to Rate CGS - Mid-Tex, Rider CGS - Other and Rate PT.</p> <p>Adjustment Mechanism<br/>Effective each November 1, rate schedules subject to this Rider will be adjusted based on the change in 1) the level of Other Revenue for the twelve-month period from July 1 of the prior year through June 30 of the current year from 2) the level of Other Revenue credited to the total cost of service in GUD Docket No. 10000.</p> <p>Seventy-five percent of the difference between 1) the level of Other Revenue for the twelve-month period from July 1 of the prior year through June 30 of the current year less revenue related taxes and 2) the level of Other Revenue credited to the total cost of service in GUD Docket No. 10000 less revenue related taxes shall be allocated to the Rate CGS class and the Rate PT class in the same proportion as the Other Revenue was allocated to each class in GUD Docket No. 10000, as determined from the dollar amounts for Other Revenue Credit On Schedule J to the Final Order in GUD 10000, Columns (d) and (e), Line 6 for each class, respectively, as compared to the Total System Other Revenue Credit on Schedule J, Column (c), Line 6. The allocated portion of the difference in Other Revenue for each class shall be divided by the then current MDQ for such class, and that result shall be divided by 12 to calculate a monthly amount. The resulting amount shall be added to or subtracted from the capacity charge for each class.</p> <p>Such adjusted capacity charge will then be adjusted for any Interim Rate Adjustments approved by the Commission after the issuance of the Final Order in GUD Docket No. 10000.</p> <p>Adjustment Review Process</p> |

|                      | <p>No later than August 15th of each year, Atmos Pipeline - Texas shall file with the Commission an Other Revenue Adjustment Report showing the following:</p> <ol style="list-style-type: none"> <li>1. 1. The actual Other Revenue billed by Atmos Pipeline - Texas during the twelve-month period from July 1 of the prior year through June 30 of the current year by FERC Account;</li> <li>2. A listing of the customers in the Other Revenue class by coded reference showing monthly volumes and monthly revenues for each customer;</li> <li>3. The then current contractual MDQ and the MDQ in the prior year`s filing for each customer in each class (CGS and PT);</li> <li>4. The Other Revenue allocation percentages for each class derived from Schedule J;</li> <li>5. The calculations described in the Adjustment Mechanism Section of this Rider REV and supporting schedules;</li> <li>6. A confidential cross reference listing of the Customer codes and names (for Railroad Commission Staff only);</li> <li>7. A statement on whether or not the proposed adjustment would generate additional revenue of more than 2 one-half% of Atmos Pipeline - Texas` annual per books revenue for the twelve-month period ending on June 30 of the current year; and</li> <li>8. Proposed tariffs showing the proposed adjusted rates.</li> </ol> <p>Atmos Pipeline - Texas shall provide notice to all directly affected customers by bill insert or direct mail on the same date as the date of the filing of the Other Revenue Adjustment Report. The notice shall provide the customers with the proposed adjustment and contact information on where the customer can inspect a copy of the filing. If the requested adjustment would generate additional revenue of more than 2 one-half% of Atmos Pipeline - Texas` annual per books revenue for the twelve-month period ending on June 30 of the current year, the notice shall contain a statement that within 20 days of the date of the filing the customer has a right to:</p> <ol style="list-style-type: none"> <li>1. request a copy of the complete filing and the address for making such a request;</li> <li>2. file a reply and the address for filing a reply; and</li> <li>3. request a hearing and the address for making such a request.</li> </ol> <p>If a hearing is requested, the Hearings Division of the Commission shall conduct the hearing, which shall be limited in scope to the sole issue of the reasonableness of any increase greater than 2 one-half% of Atmos Pipeline - Texas` annual per books revenue for the twelve-month period ending on June 30 of the current year, on an expedited basis in order to permit the Commission to approve, adjust or deny the proposed Other Revenue Adjustment on or before November 1 of the current year.</p> <p>The Commission shall have the opportunity to review the Other Revenue Adjustment Report and may submit discovery requests until the 40th day following the filing date of the Other Revenue Adjustment Report. Directly affected customers may also submit discovery requests until that date. The Commission shall approve, adjust or deny the proposed Other Revenue Adjustment on or before November 1 of the current year. Atmos Pipeline - Texas shall have the right to appeal the commission`s decision by filing a Motion for Rehearing with the Commission within 20 days following the issuance of the Commission`s decision.</p> <p>Atmos Pipeline - Texas shall promptly reimburse the Commission for the cost of reviewing each Other Revenue Adjustment Report upon the invoicing of such cost.</p> <p>The Other Revenue Adjustment, as adjusted by the Commission, shall be implemented on November 1 of the current year and shall remain in effect until revised on the following November 1st.</p> <p>This Rider REV will expire with the effective date of rates in the next statement of intent filing by Atmos Pipeline - Texas.</p> |

|                               | <p><u>Applicability</u><br/>This rate schedule is applicable to service by the Company under a Transportation Agreement - Pipeline, to a customer directly connected to the Atmos Pipeline-Texas System for the transportation of all natural gas supplied by Customer or Customer's agent for delivery to Customer at one Point of Delivery. Not applicable for service to City Gate Service customers.</p> <p><u>Type of Service</u><br/>This service provides interruptible transportation service to end use customers. Where service of the quantity and type desired by Customer is not already available at a Point of Delivery, additional charges and special contract arrangements between Company and Customer may be required prior to service being furnished at such Point of Delivery.</p> <p><u>Monthly Rate</u><br/>Customer's monthly bill will be calculated by adding the Monthly Customer and Usage charges to the amounts and quantities due under the Riders listed below. The Monthly Customer Charge each month will be equal to the Capacity Charge, as adjusted, multiplied by the Customer's Maximum Daily Quantity (MDQ) as set forth in the Transportation Agreement between Customer and Company. Total Usage Charges each month will be equal to the Usage Charge multiplied by the volume of gas delivered to Customer by Company during such month:</p> <table border="0" style="width: 100%;"> <thead> <tr> <th style="text-align: left;">Charge</th> <th style="text-align: left;">Amount</th> </tr> </thead> <tbody> <tr> <td>Capacity</td> <td>\$ 2.3061 per MMBtu of MDQ (Note 1)</td> </tr> <tr> <td>Annual Rider REV Adjustment</td> <td>\$ 0.0965 per MMBtu of MDQ</td> </tr> <tr> <td>Interim Rate Adjustment (IRA)</td> <td>\$ 1.4630 per MMBtu of MDQ (Note 2)</td> </tr> <tr> <td>Total Capacity Charge</td> <td>\$ 3.8656 per MMBtu of MDQ</td> </tr> </tbody> </table> <p>Usage                                    \$ 0.0163 per MMBtu</p> <p>Rider RA: Plus a quantity of gas as calculated in accordance with Rider RA.</p> <p>Rider TAX: Plus an amount for tax calculated in accordance with Rider TAX.</p> <p>Rider MF: Plus an amount for municipal fees calculated in accordance with Rider MF.</p> <p>Rider SUR: Plus an amount for surcharges calculated in accordance with Rider SUR.</p> <p>Rider REV: Plus an amount per MMBtu in accordance with Rider REV as an adjustment to the Capacity Charge per MMBtu of MDQ.</p> <p><u>Imbalance Fees</u><br/>All fees charged to Customer under this Rate Schedule will be charged based on the quantities determined under the applicable Transportation Agreement and quantities will not be aggregated for any Customer with multiple Transportation Agreements for the purposes of such fees.</p> <p><u>Monthly Imbalance Fees</u><br/>Customer shall pay Company the greater of (i) \$0.10 per MMBtu, or (ii) 150% of the difference per MMBtu between the highest and lowest midpoint price for the Katy point listed in Platts Gas Daily in the table entitled Daily Price Survey during such month, for the MMBtu of Customer's monthly Cumulative Imbalance, as defined in the applicable Transportation Agreement, at the end of each month that exceeds 10% of Customer's receipt quantities for the month.</p> <p><u>Curtailement Overpull Fee</u><br/>Upon notification by Company of an event of curtailement or interruption of Customer's deliveries, Customer will, for each MMBtu delivered in excess of the stated level of curtailement or interruption, pay Company 200% of the midpoint price for the Katy point listed in Platts Gas Daily published for the applicable Gas Day in the table entitled Daily Price Survey.</p> <p><u>Replacement Index</u><br/>In the event the midpoint or common price for the Katy point listed in Platts Gas Daily in the table entitled Daily Price Survey is no longer published, Company will calculate the applicable imbalance fees utilizing a daily price index recognized as authoritative by the natural gas industry and most closely approximating the applicable index.</p> <p><u>MDQ Adjustment</u><br/>If a Customer's daily usage on any day exceeds the Customer's MDQ as set forth in the applicable Transportation Agreement by 10% or more, the Customer's MDQ shall be increased to equal such daily usage. The effective date of such increase in the MDQ shall be the first day of the calendar month that begins following the day on which the Customer's daily usage exceeded the Customer's MDQ.</p> <p><u>Agreement</u><br/>A transportation agreement is required.</p> <p><u>Notice</u></p> | Charge | Amount | Capacity | \$ 2.3061 per MMBtu of MDQ (Note 1) | Annual Rider REV Adjustment | \$ 0.0965 per MMBtu of MDQ | Interim Rate Adjustment (IRA) | \$ 1.4630 per MMBtu of MDQ (Note 2) | Total Capacity Charge | \$ 3.8656 per MMBtu of MDQ |
| Charge                        | Amount                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                  |        |        |          |                                     |                             |                            |                               |                                     |                       |                            |

Customer must pay Company all costs associated with the acquisition and installation of the meter.</p> <p>Note:<br/>1 The Capacity Charge per MMBtu will be adjusted annually as calculated pursuant to Rider REV.<br/>2 2010 IRA - \$0.2454, 2011 IRA - \$0.2513, 2012 IRA - \$0.3731, 2013 IRA - \$0.5932.</p> <p>Rider MF is applicable to the Entire System pursuant to the Final Order in GUD 10000 dated 04/18/2011.<br/>Effective Date: For Bills Rendered On Or After 04/18/2011</p>                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                           |
| Rider RA a           | <p style="text-align: center;"><b>Rider MF - MUNICIPAL FEE ADJUSTMENT</b></p> <p>Application Applicable to Customers inside the corporate limits of an incorporated municipality that imposes a municipal franchise fee upon Company for the Gas Service provided to Customer.</p> <p>Monthly Adjustment<br/>Company will adjust Customer's bill each month in an amount equal to the municipal fees payable for the Gas Service provided to Customer by Company. Municipal franchise fees are determined by each municipality's ordinance. Each municipality's franchise ordinance will specify the percentage and applicability of municipal fees.</p> <p>From time to time, Company will make further adjustments to Customer's bill to account for any over- or under-recovery of municipal fees by Company.</p>                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                              |
| Rider REV 10295      | <p style="text-align: center;"><b>RIDER RA - RETENTION ADJUSTMENT</b></p> <p>APPLICABLE TO: Rate CGS - Mid-Tex, Rate CGS - Other and Rate PT<br/>EFFECTIVE DATE: 04/18/2011</p> <p>Applicability<br/>This Rider is applicable to Customers taking service under Rate CGS - Mid-Tex, Rate CGS - Other and Rate PT.</p> <p>Monthly Rate<br/>The retention percentage for Rate CGS - Mid-Tex, Rate CGS - Other and Rate PT is 1.00% of the volume of gas received into Atmos Pipeline -Texas' system for the account of a Customer.</p> <p>Rider REV is applicable to the Rate CGS - Mid-Tex, Rate CGS - Other and Rate PT pursuant to the Final Order in GUD 10000 dated 04/18/2011. Rider REV GUD 10000 is renewed as modified and extended under GUD10295 dated 12/18/2013. Effective Date: For Bills Rendered On Or After 12/18/2013</p> <p style="text-align: center;"><b>Rider REV - REVENUE ADJUSTMENT</b></p> <p>Applicability<br/>This Rider will apply to Rate CGS - Mid-Tex, Rider CGS - Other and Rate PT.</p> <p>Adjustment Mechanism<br/>Effective each November 1, rate schedules subject to this Rider will be adjusted based on the change in 1) the level of Other Revenue for the twelve-month period from July 1 of the prior year through June 30 of the current year from 2) the level of Other Revenue credited to the total cost of service in GUD Docket No. 10000.</p> <p>Seventy-five percent of the difference between 1) the level of Other Revenue for the twelve-month period from July 1 of the prior year through June 30 of the current year less revenue related taxes and 2) the level of Other Revenue credited to the total cost of service in GUD Docket No. 10000 less revenue related taxes shall be allocated to the Rate CGS class and the Rate PT class in the same proportion as the Other Revenue was allocated to each class in GUD Docket No. 10000, as determined from the dollar amounts for Other Revenue Credit On Schedule J to the Final Order in GUD 10000, Columns (d) and (e), Line 6 for each class, respectively, as compared to the Total System Other Revenue Credit on Schedule J, Column (c), Line 6. The allocated portion of the difference in Other Revenue for each class shall be divided by the then current MDQ for such class, and that result shall be divided by 12 to calculate a monthly amount. The resulting amount shall be added to or subtracted from the capacity charge for each class.</p> <p>Such adjusted capacity charge will then be adjusted for any Interim Rate Adjustments approved by the Commission after the issuance of the Final Order in GUD Docket No. 10000.</p> <p>Adjustment Review Process</p> |

|                      | <p>No later than August 15th of each year, Atmos Pipeline - Texas shall file with the Commission an Other Revenue Adjustment Report showing the following:</p> <ol style="list-style-type: none"> <li>1. 1. The actual Other Revenue billed by Atmos Pipeline - Texas during the twelve-month period from July 1 of the prior year through June 30 of the current year by FERC Account;</li> <li>2. A listing of the customers in the Other Revenue class by coded reference showing monthly volumes and monthly revenues for each customer;</li> <li>3. The then current contractual MDQ and the MDQ in the prior year`s filing for each customer in each class (CGS and PT);</li> <li>4. The Other Revenue allocation percentages for each class derived from Schedule J;</li> <li>5. The calculations described in the Adjustment Mechanism Section of this Rider REV and supporting schedules;</li> <li>6. A confidential cross reference listing of the Customer codes and names (for Railroad Commission Staff only);</li> <li>7. A statement on whether or not the proposed adjustment would generate additional revenue of more than 2 one-half% of Atmos Pipeline - Texas` annual per books revenue for the twelve-month period ending on June 30 of the current year; and</li> <li>8. Proposed tariffs showing the proposed adjusted rates.</li> </ol> <p>Atmos Pipeline - Texas shall provide notice to all directly affected customers by bill insert or direct mail on the same date as the date of the filing of the Other Revenue Adjustment Report. The notice shall provide the customers with the proposed adjustment and contact information on where the customer can inspect a copy of the filing. If the requested adjustment would generate additional revenue of more than 2 one-half% of Atmos Pipeline - Texas` annual per books revenue for the twelve-month period ending on June 30 of the current year, the notice shall contain a statement that within 20 days of the date of the filing the customer has a right to:</p> <ol style="list-style-type: none"> <li>1. request a copy of the complete filing and the address for making such a request;</li> <li>2. file a reply and the address for filing a reply; and</li> <li>3. request a hearing and the address for making such a request.</li> </ol> <p>If a hearing is requested, the Hearings Division of the Commission shall conduct the hearing, which shall be limited in scope to the sole issue of the reasonableness of any increase greater than 2 one-half% of Atmos Pipeline - Texas` annual per books revenue for the twelve-month period ending on June 30 of the current year, on an expedited basis in order to permit the Commission to approve, adjust or deny the proposed Other Revenue Adjustment on or before November 1 of the current year.</p> <p>The Commission shall have the opportunity to review the Other Revenue Adjustment Report and may submit discovery requests until the 40th day following the filing date of the Other Revenue Adjustment Report. Directly affected customers may also submit discovery requests until that date. The Commission shall approve, adjust or deny the proposed Other Revenue Adjustment on or before November 1 of the current year. Atmos Pipeline - Texas shall have the right to appeal the commission`s decision by filing a Motion for Rehearing with the Commission within 20 days following the issuance of the Commission`s decision.</p> <p>Atmos Pipeline - Texas shall promptly reimburse the Commission for the cost of reviewing each Other Revenue Adjustment Report upon the invoicing of such cost.</p> <p>The Other Revenue Adjustment, as adjusted by the Commission, shall be implemented on November 1 of the current year and shall remain in effect until revised on the following November 1st.</p> <p>This Rider REV will expire with the effective date of rates in the next statement of intent filing by Atmos Pipeline - Texas.</p> |

|                               | <b>Applicability</b><br>This rate schedule is applicable to service by the Company under a Transportation Agreement - Pipeline, to a customer directly connected to the Atmos Pipeline-Texas System for the transportation of all natural gas supplied by Customer or Customer's agent for delivery to Customer at one Point of Delivery. Not applicable for service to City Gate Service customers.                                                                                                                                                                                |        |        |          |                                     |                             |                            |                               |                                     |                       |                            |       |                     |
|                               | <b>Type of Service</b><br>This service provides interruptible transportation service to end use customers. Where service of the quantity and type desired by Customer is not already available at a Point of Delivery, additional charges and special contract arrangements between Company and Customer may be required prior to service being furnished at such Point of Delivery.                                                                                                                                                                                                |        |        |          |                                     |                             |                            |                               |                                     |                       |                            |       |                     |
|                               | <b>Monthly Rate</b><br>Customer's monthly bill will be calculated by adding the Monthly Customer and Usage charges to the amounts and quantities due under the Riders listed below. The Monthly Customer Charge each month will be equal to the Capacity Charge, as adjusted, multiplied by the Customer's Maximum Daily Quantity (MDQ) as set forth in the Transportation Agreement between Customer and Company. Total Usage Charges each month will be equal to the Usage Charge multiplied by the volume of gas delivered to Customer by Company during such month:             |        |        |          |                                     |                             |                            |                               |                                     |                       |                            |       |                     |

| Rider MF             | <p>Service hereunder and the rates for service provided are subject to the orders of regulatory bodies having jurisdiction and to the Company's Tariff for Gas Service.</p> <p>Special Conditions<br/>In order to receive service under Rate PT, Customer must have the type of meter required by Company. Customer must pay Company all costs associated with the acquisition and installation of the meter.</p> <p>Note:<br/>1 The Capacity Charge per MMBtu will be adjusted annually as calculated pursuant to Rider REV.<br/>2 2010 IRA - \$0.2454, 2011 IRA - \$0.2513, 2012 IRA - \$0.3731, 2013 IRA - \$0.5932.</p> <p>Rider MF is applicable to the Entire System pursuant to the Final Order in GUD 10000 dated 04/18/2011.<br/>Effective Date: For Bills Rendered On Or After 04/18/2011</p> <p style="text-align: center;">Rider MF - MUNICIPAL FEE ADJUSTMENT</p>                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                   |
| Rider RA a           | <p>Application Applicable to Customers inside the corporate limits of an incorporated municipality that imposes a municipal franchise fee upon Company for the Gas Service provided to Customer.</p> <p>Monthly Adjustment<br/>Company will adjust Customer's bill each month in an amount equal to the municipal fees payable for the Gas Service provided to Customer by Company. Municipal franchise fees are determined by each municipality's ordinance. Each municipality's franchise ordinance will specify the percentage and applicability of municipal fees.</p> <p>From time to time, Company will make further adjustments to Customer's bill to account for any over- or under-recovery of municipal fees by Company.</p> <p style="text-align: center;">RIDER RA - RETENTION ADJUSTMENT</p>                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                        |
| Rider REV 10295      | <p>APPLICABLE TO: Rate CGS - Mid-Tex, Rate CGS - Other and Rate PT<br/>EFFECTIVE DATE: 04/18/2011</p> <p>Applicability<br/>This Rider is applicable to Customers taking service under Rate CGS - Mid-Tex, Rate CGS - Other and Rate PT.</p> <p>Monthly Rate<br/>The retention percentage for Rate CGS - Mid-Tex, Rate CGS - Other and Rate PT is 1.00% of the volume of gas received into Atmos Pipeline -Texas' system for the account of a Customer.</p> <p>Rider REV is applicable to the Rate CGS - Mid-Tex, Rate CGS - Other and Rate PT pursuant to the Final Order in GUD 10000 dated 04/18/2011. Rider REV GUD 10000 is renewed as modified and extended under GUD10295 dated 12/18/2013. Effective Date: For Bills Rendered On Or After 12/18/2013</p> <p style="text-align: center;">Rider REV - REVENUE ADJUSTMENT</p> <p>Applicability<br/>This Rider will apply to Rate CGS - Mid-Tex, Rider CGS - Other and Rate PT.</p> <p>Adjustment Mechanism<br/>Effective each November 1, rate schedules subject to this Rider will be adjusted based on the change in 1) the level of Other Revenue for the twelve-month period from July 1 of the prior year through June 30 of the current year from 2) the level of Other Revenue credited to the total cost of service in GUD Docket No. 10000.</p> <p>Seventy-five percent of the difference between 1) the level of Other Revenue for the twelve-month period from July 1 of the prior year through June 30 of the current year less revenue related taxes and 2) the level of Other Revenue credited to the total cost of service in GUD Docket No. 10000 less revenue related taxes shall be allocated to the Rate CGS class and the Rate PT class in the same proportion as the Other Revenue was allocated to each class in GUD Docket No. 10000, as determined from the dollar amounts for Other Revenue Credit On Schedule J to the Final Order in GUD 10000. Columns (d) and (e), Line 6 for each class, respectively, as compared to the Total System Other Revenue Credit on Schedule J, Column (c), Line 6. The allocated portion of the difference in Other Revenue for each class shall be divided by the then current MDQ for such class, and that result shall be divided by 12 to calculate a monthly amount. The resulting amount shall be added to or subtracted from the capacity charge for each class.</p> <p>Such adjusted capacity charge will then be adjusted for any Interim Rate Adjustments approved by the Commission after the issuance of the Final Order in GUD Docket No. 10000.</p> <p>Adjustment Review Process</p> |

| Rider SUR c          | <p>No later than August 15th of each year, Atmos Pipeline - Texas shall file with the Commission an Other Revenue Adjustment Report showing the following:</p> <ol style="list-style-type: none"> <li>1. 1. The actual Other Revenue billed by Atmos Pipeline - Texas during the twelve-month period from July 1 of the prior year through June 30 of the current year by FERC Account;</li> <li>2. A listing of the customers in the Other Revenue class by coded reference showing monthly volumes and monthly revenues for each customer;</li> <li>3. The then current contractual MDQ and the MDQ in the prior year`s filing for each customer in each class (CGS and PT);</li> <li>4. The Other Revenue allocation percentages for each class derived from Schedule J;</li> <li>5. The calculations described in the Adjustment Mechanism Section of this Rider REV and supporting schedules;</li> <li>6. A confidential cross reference listing of the Customer codes and names (for Railroad Commission Staff only);</li> <li>7. A statement on whether or not the proposed adjustment would generate additional revenue of more than 2 one-half% of Atmos Pipeline - Texas` annual per books revenue for the twelve-month period ending on June 30 of the current year; and</li> <li>8. Proposed tariffs showing the proposed adjusted rates.</li> </ol> <p>Atmos Pipeline - Texas shall provide notice to all directly affected customers by bill insert or direct mail on the same date as the date of the filing of the Other Revenue Adjustment Report. The notice shall provide the customers with the proposed adjustment and contact information on where the customer can inspect a copy of the filing. If the requested adjustment would generate additional revenue of more than 2 one-half% of Atmos Pipeline - Texas` annual per books revenue for the twelve-month period ending on June 30 of the current year, the notice shall contain a statement that within 20 days of the date of the filing the customer has a right to:</p> <ol style="list-style-type: none"> <li>1. request a copy of the complete filing and the address for making such a request;</li> <li>2. file a reply and the address for filing a reply; and</li> <li>3. request a hearing and the address for making such a request.</li> </ol> <p>If a hearing is requested, the Hearings Division of the Commission shall conduct the hearing, which shall be limited in scope to the sole issue of the reasonableness of any increase greater than 2 one-half% of Atmos Pipeline - Texas` annual per books revenue for the twelve-month period ending on June 30 of the current year, on an expedited basis in order to permit the Commission to approve, adjust or deny the proposed Other Revenue Adjustment on or before November 1 of the current year.</p> <p>The Commission shall have the opportunity to review the Other Revenue Adjustment Report and may submit discovery requests until the 40th day following the filing date of the Other Revenue Adjustment Report. Directly affected customers may also submit discovery requests until that date. The Commission shall approve, adjust or deny the proposed Other Revenue Adjustment on or before November 1 of the current year. Atmos Pipeline - Texas shall have the right to appeal the commission`s decision by filing a Motion for Rehearing with the Commission within 20 days following the issuance of the Commission`s decision.</p> <p>Atmos Pipeline - Texas shall promptly reimburse the Commission for the cost of reviewing each Other Revenue Adjustment Report upon the invoicing of such cost.</p> <p>The Other Revenue Adjustment, as adjusted by the Commission, shall be implemented on November 1 of the current year and shall remain in effect until revised on the following November 1st.</p> <p>This Rider REV will expire with the effective date of rates in the next statement of intent filing by Atmos Pipeline - Texas.</p> <p style="text-align: center;"><b>RIDER SUR - SURCHARGES</b></p> <p><b>APPLICABLE TO:</b> Rate CGS - Mid-Tex, Rate CGS - Other and Rate PT<br/> <b>EFFECTIVE DATE:</b> 06/13/2013</p> <p><b>Applicability</b><br/>                     This Rider is applicable to customer classes as authorized by the state or any governmental entity or regulatory authority pursuant to any statute, order, rule, contract, or agreement.</p> <p><b>Monthly Calculation</b><br/>                     Surcharges will be calculated in accordance with the applicable statute, order, rule, contract, or agreement.</p> <p><b>GUD 10132</b><br/>                     The following surcharges as authorized in GUD 10132 shall be recovered from the Rate CGS - Mid-Tex and Rate CGS - Other customers by adding the amounts designated below to their otherwise applicable total customer charge for each month in an appropriate</p> |

|                               | <p><b>Applicability</b><br/>This rate schedule is applicable to service by the Company under a Transportation Agreement - Pipeline, to a customer directly connected to the Atmos Pipeline-Texas System for the transportation of all natural gas supplied by Customer or Customer's agent for delivery to Customer at one Point of Delivery. Not applicable for service to City Gate Service customers.</p> <p><b>Type of Service</b><br/>This service provides interruptible transportation service to end use customers. Where service of the quantity and type desired by Customer is not already available at a Point of Delivery, additional charges and special contract arrangements between Company and Customer may be required prior to service being furnished at such Point of Delivery.</p> <p><b>Monthly Rate</b><br/>Customer's monthly bill will be calculated by adding the Monthly Customer and Usage charges to the amounts and quantities due under the Riders listed below. The Monthly Customer Charge each month will be equal to the Capacity Charge, as adjusted, multiplied by the Customer's Maximum Daily Quantity (MDQ) as set forth in the Transportation Agreement between Customer and Company. Total Usage Charges each month will be equal to the Usage Charge multiplied by the volume of gas delivered to Customer by Company during such month:</p> <table border="0"> <tr> <td style="text-align: right;">Charge</td> <td style="text-align: center;">Amount</td> </tr> <tr> <td>Capacity</td> <td style="text-align: center;">\$ 2.3061 per MMBtu of MDQ (Note 1)</td> </tr> <tr> <td>Annual Rider REV Adjustment</td> <td style="text-align: center;">\$ 0.0965 per MMBtu of MDQ</td> </tr> <tr> <td>Interim Rate Adjustment (IRA)</td> <td style="text-align: center;">\$ 1.4630 per MMBtu of MDQ (Note 2)</td> </tr> <tr> <td>Total Capacity Charge</td> <td style="text-align: center;">\$ 3.8656 per MMBtu of MDQ</td> </tr> <tr> <td>Usage</td> <td style="text-align: center;">\$ 0.0163 per MMBtu</td> </tr> </table> <p>Rider RA: Plus a quantity of gas as calculated in accordance with Rider RA.</p> <p>Rider TAX: Plus an amount for tax calculated in accordance with Rider TAX.</p> <p>Rider MF: Plus an amount for municipal fees calculated in accordance with Rider MF.</p> <p>Rider SUR: Plus an amount for surcharges calculated in accordance with Rider SUR.</p> <p>Rider REV: Plus an amount per MMBtu in accordance with Rider REV as an adjustment to the Capacity Charge per MMBtu of MDQ.</p> <p><b>Imbalance Fees</b><br/>All fees charged to Customer under this Rate Schedule will be charged based on the quantities determined under the applicable Transportation Agreement and quantities will not be aggregated for any Customer with multiple Transportation Agreements for the purposes of such fees.</p> <p><b>Monthly Imbalance Fees</b><br/>Customer shall pay Company the greater of (i) \$0.10 per MMBtu, or (ii) 150% of the difference per MMBtu between the highest and lowest midpoint price for the Katy point listed in Platts Gas Daily in the table entitled Daily Price Survey during such month, for the MMBtu of Customer's monthly Cumulative Imbalance, as defined in the applicable Transportation Agreement, at the end of each month that exceeds 10% of Customer's receipt quantities for the month.</p> <p><b>Curtailement Overpull Fee</b><br/>Upon notification by Company of an event of curtailement or interruption of Customer's deliveries, Customer will, for each MMBtu delivered in excess of the stated level of curtailement or interruption, pay Company 200% of the midpoint price for the Katy point listed in Platts Gas Daily published for the applicable Gas Day in the table entitled Daily Price Survey.</p> <p><b>Replacement Index</b><br/>In the event the midpoint or common price for the Katy point listed in Platts Gas Daily in the table entitled Daily Price Survey is no longer published, Company will calculate the applicable imbalance fees utilizing a daily price index recognized as authoritative by the natural gas industry and most closely approximating the applicable index.</p> <p><b>MDQ Adjustment</b><br/>If a Customer's daily usage on any day exceeds the Customer's MDQ as set forth in the applicable Transportation Agreement by 10% or more, the Customer's MDQ shall be increased to equal such daily usage. The effective date of such increase in the MDQ shall be the first day of the calendar month that begins following the day on which the Customer's daily usage exceeded the Customer's MDQ.</p> <p><b>Agreement</b><br/>A transportation agreement is required.</p> <p><b>Notice</b></p> | Charge | Amount | Capacity | \$ 2.3061 per MMBtu of MDQ (Note 1) | Annual Rider REV Adjustment | \$ 0.0965 per MMBtu of MDQ | Interim Rate Adjustment (IRA) | \$ 1.4630 per MMBtu of MDQ (Note 2) | Total Capacity Charge | \$ 3.8656 per MMBtu of MDQ | Usage | \$ 0.0163 per MMBtu |
| Charge                        | Amount                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                             |        |        |          |                                     |                             |                            |                               |                                     |                       |                            |       |                     |

Customer must pay Company all costs associated with the acquisition and installation of the meter.</p> <p>Note:<br/>1 The Capacity Charge per MMBtu will be adjusted annually as calculated pursuant to Rider REV.<br/>2 2010 IRA - \$0.2454, 2011 IRA - \$0.2513, 2012 IRA - \$0.3731, 2013 IRA - \$0.5932.</p> <p>Rider MF is applicable to the Entire System pursuant to the Final Order in GUD 10000 dated 04/18/2011.<br/>Effective Date: For Bills Rendered On Or After 04/18/2011</p> <p style="text-align: center;">Rider MF - MUNICIPAL FEE ADJUSTMENT</p>                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                   |
| Rider RA a           | <p>Application Applicable to Customers inside the corporate limits of an incorporated municipality that imposes a municipal franchise fee upon Company for the Gas Service provided to Customer.</p> <p>Monthly Adjustment<br/>Company will adjust Customer's bill each month in an amount equal to the municipal fees payable for the Gas Service provided to Customer by Company. Municipal franchise fees are determined by each municipality's ordinance. Each municipality's franchise ordinance will specify the percentage and applicability of municipal fees.</p> <p>From time to time, Company will make further adjustments to Customer's bill to account for any over- or under-recovery of municipal fees by Company.</p> <p style="text-align: center;">RIDER RA - RETENTION ADJUSTMENT</p>                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                        |
| Rider REV 10295      | <p>APPLICABLE TO: Rate CGS - Mid-Tex, Rate CGS - Other and Rate PT<br/>EFFECTIVE DATE: 04/18/2011</p> <p>Applicability<br/>This Rider is applicable to Customers taking service under Rate CGS - Mid-Tex, Rate CGS - Other and Rate PT.</p> <p>Monthly Rate<br/>The retention percentage for Rate CGS - Mid-Tex, Rate CGS - Other and Rate PT is 1.00% of the volume of gas received into Atmos Pipeline -Texas' system for the account of a Customer.</p> <p>Rider REV is applicable to the Rate CGS - Mid-Tex, Rate CGS - Other and Rate PT pursuant to the Final Order in GUD 10000 dated 04/18/2011. Rider REV GUD 10000 is renewed as modified and extended under GUD10295 dated 12/18/2013. Effective Date: For Bills Rendered On Or After 12/18/2013</p> <p style="text-align: center;">Rider REV - REVENUE ADJUSTMENT</p> <p>Applicability<br/>This Rider will apply to Rate CGS - Mid-Tex, Rider CGS - Other and Rate PT.</p> <p>Adjustment Mechanism<br/>Effective each November 1, rate schedules subject to this Rider will be adjusted based on the change in 1) the level of Other Revenue for the twelve-month period from July 1 of the prior year through June 30 of the current year from 2) the level of Other Revenue credited to the total cost of service in GUD Docket No. 10000.</p> <p>Seventy-five percent of the difference between 1) the level of Other Revenue for the twelve-month period from July 1 of the prior year through June 30 of the current year less revenue related taxes and 2) the level of Other Revenue credited to the total cost of service in GUD Docket No. 10000 less revenue related taxes shall be allocated to the Rate CGS class and the Rate PT class in the same proportion as the Other Revenue was allocated to each class in GUD Docket No. 10000, as determined from the dollar amounts for Other Revenue Credit On Schedule J to the Final Order in GUD 10000. Columns (d) and (e), Line 6 for each class, respectively, as compared to the Total System Other Revenue Credit on Schedule J, Column (c), Line 6. The allocated portion of the difference in Other Revenue for each class shall be divided by the then current MDQ for such class, and that result shall be divided by 12 to calculate a monthly amount. The resulting amount shall be added to or subtracted from the capacity charge for each class.</p> <p>Such adjusted capacity charge will then be adjusted for any Interim Rate Adjustments approved by the Commission after the issuance of the Final Order in GUD Docket No. 10000.</p> <p>Adjustment Review Process</p> |

|                      | <p>No later than August 15th of each year, Atmos Pipeline - Texas shall file with the Commission an Other Revenue Adjustment Report showing the following:</p> <ol style="list-style-type: none"> <li>1. 1. The actual Other Revenue billed by Atmos Pipeline - Texas during the twelve-month period from July 1 of the prior year through June 30 of the current year by FERC Account;</li> <li>2. A listing of the customers in the Other Revenue class by coded reference showing monthly volumes and monthly revenues for each customer;</li> <li>3. The then current contractual MDQ and the MDQ in the prior year`s filing for each customer in each class (CGS and PT);</li> <li>4. The Other Revenue allocation percentages for each class derived from Schedule J;</li> <li>5. The calculations described in the Adjustment Mechanism Section of this Rider REV and supporting schedules;</li> <li>6. A confidential cross reference listing of the Customer codes and names (for Railroad Commission Staff only);</li> <li>7. A statement on whether or not the proposed adjustment would generate additional revenue of more than 2 one-half% of Atmos Pipeline - Texas` annual per books revenue for the twelve-month period ending on June 30 of the current year; and</li> <li>8. Proposed tariffs showing the proposed adjusted rates.</li> </ol> <p>Atmos Pipeline - Texas shall provide notice to all directly affected customers by bill insert or direct mail on the same date as the date of the filing of the Other Revenue Adjustment Report. The notice shall provide the customers with the proposed adjustment and contact information on where the customer can inspect a copy of the filing. If the requested adjustment would generate additional revenue of more than 2 one-half% of Atmos Pipeline - Texas` annual per books revenue for the twelve-month period ending on June 30 of the current year, the notice shall contain a statement that within 20 days of the date of the filing the customer has a right to:</p> <ol style="list-style-type: none"> <li>1. request a copy of the complete filing and the address for making such a request;</li> <li>2. file a reply and the address for filing a reply; and</li> <li>3. request a hearing and the address for making such a request.</li> </ol> <p>If a hearing is requested, the Hearings Division of the Commission shall conduct the hearing, which shall be limited in scope to the sole issue of the reasonableness of any increase greater than 2 one-half% of Atmos Pipeline - Texas` annual per books revenue for the twelve-month period ending on June 30 of the current year, on an expedited basis in order to permit the Commission to approve, adjust or deny the proposed Other Revenue Adjustment on or before November 1 of the current year.</p> <p>The Commission shall have the opportunity to review the Other Revenue Adjustment Report and may submit discovery requests until the 40th day following the filing date of the Other Revenue Adjustment Report. Directly affected customers may also submit discovery requests until that date. The Commission shall approve, adjust or deny the proposed Other Revenue Adjustment on or before November 1 of the current year. Atmos Pipeline - Texas shall have the right to appeal the commission`s decision by filing a Motion for Rehearing with the Commission within 20 days following the issuance of the Commission`s decision.</p> <p>Atmos Pipeline - Texas shall promptly reimburse the Commission for the cost of reviewing each Other Revenue Adjustment Report upon the invoicing of such cost.</p> <p>The Other Revenue Adjustment, as adjusted by the Commission, shall be implemented on November 1 of the current year and shall remain in effect until revised on the following November 1st.</p> <p>This Rider REV will expire with the effective date of rates in the next statement of intent filing by Atmos Pipeline - Texas.</p> |

|                               | <p><b>Applicability</b><br/>This rate schedule is applicable to service by the Company under a Transportation Agreement - Pipeline, to a customer directly connected to the Atmos Pipeline-Texas System for the transportation of all natural gas supplied by Customer or Customer's agent for delivery to Customer at one Point of Delivery. Not applicable for service to City Gate Service customers.</p> <p><b>Type of Service</b><br/>This service provides interruptible transportation service to end use customers. Where service of the quantity and type desired by Customer is not already available at a Point of Delivery, additional charges and special contract arrangements between Company and Customer may be required prior to service being furnished at such Point of Delivery.</p> <p><b>Monthly Rate</b><br/>Customer's monthly bill will be calculated by adding the Monthly Customer and Usage charges to the amounts and quantities due under the Riders listed below. The Monthly Customer Charge each month will be equal to the Capacity Charge, as adjusted, multiplied by the Customer's Maximum Daily Quantity (MDQ) as set forth in the Transportation Agreement between Customer and Company. Total Usage Charges each month will be equal to the Usage Charge multiplied by the volume of gas delivered to Customer by Company during such month:</p> <table border="0" style="width: 100%;"> <thead> <tr> <th style="text-align: left;">Charge</th> <th style="text-align: left;">Amount</th> </tr> </thead> <tbody> <tr> <td>Capacity</td> <td>\$ 2.3061 per MMBtu of MDQ (Note 1)</td> </tr> <tr> <td>Annual Rider REV Adjustment</td> <td>\$ 0.0965 per MMBtu of MDQ</td> </tr> <tr> <td>Interim Rate Adjustment (IRA)</td> <td>\$ 1.4630 per MMBtu of MDQ (Note 2)</td> </tr> <tr> <td>Total Capacity Charge</td> <td>\$ 3.8656 per MMBtu of MDQ</td> </tr> <tr> <td><br/>Usage</td> <td><br/>\$ 0.0163 per MMBtu</td> </tr> </tbody> </table> <p>Rider RA: Plus a quantity of gas as calculated in accordance with Rider RA.</p> <p>Rider TAX: Plus an amount for tax calculated in accordance with Rider TAX.</p> <p>Rider MF: Plus an amount for municipal fees calculated in accordance with Rider MF.</p> <p>Rider SUR: Plus an amount for surcharges calculated in accordance with Rider SUR.</p> <p>Rider REV: Plus an amount per MMBtu in accordance with Rider REV as an adjustment to the Capacity Charge per MMBtu of MDQ.</p> <p><b>Imbalance Fees</b><br/>All fees charged to Customer under this Rate Schedule will be charged based on the quantities determined under the applicable Transportation Agreement and quantities will not be aggregated for any Customer with multiple Transportation Agreements for the purposes of such fees.</p> <p><b>Monthly Imbalance Fees</b><br/>Customer shall pay Company the greater of (i) \$0.10 per MMBtu, or (ii) 150% of the difference per MMBtu between the highest and lowest midpoint price for the Katy point listed in Platts Gas Daily in the table entitled Daily Price Survey during such month, for the MMBtu of Customer's monthly Cumulative Imbalance, as defined in the applicable Transportation Agreement, at the end of each month that exceeds 10% of Customer's receipt quantities for the month.</p> <p><b>Curtailement Overpull Fee</b><br/>Upon notification by Company of an event of curtailement or interruption of Customer's deliveries, Customer will, for each MMBtu delivered in excess of the stated level of curtailement or interruption, pay Company 200% of the midpoint price for the Katy point listed in Platts Gas Daily published for the applicable Gas Day in the table entitled Daily Price Survey.</p> <p><b>Replacement Index</b><br/>In the event the midpoint or common price for the Katy point listed in Platts Gas Daily in the table entitled Daily Price Survey is no longer published, Company will calculate the applicable imbalance fees utilizing a daily price index recognized as authoritative by the natural gas industry and most closely approximating the applicable index.</p> <p><b>MDQ Adjustment</b><br/>If a Customer's daily usage on any day exceeds the Customer's MDQ as set forth in the applicable Transportation Agreement by 10% or more, the Customer's MDQ shall be increased to equal such daily usage. The effective date of such increase in the MDQ shall be the first day of the calendar month that begins following the day on which the Customer's daily usage exceeded the Customer's MDQ.</p> <p><b>Agreement</b><br/>A transportation agreement is required.</p> <p><b>Notice</b></p> | Charge | Amount | Capacity | \$ 2.3061 per MMBtu of MDQ (Note 1) | Annual Rider REV Adjustment | \$ 0.0965 per MMBtu of MDQ | Interim Rate Adjustment (IRA) | \$ 1.4630 per MMBtu of MDQ (Note 2) | Total Capacity Charge | \$ 3.8656 per MMBtu of MDQ | <br>Usage | <br>\$ 0.0163 per MMBtu |
| Charge                        | Amount                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                               |        |        |          |                                     |                             |                            |                               |                                     |                       |                            |           |                         |

Customer must pay Company all costs associated with the acquisition and installation of the meter.</p> <p>Note:<br/>1 The Capacity Charge per MMBtu will be adjusted annually as calculated pursuant to Rider REV.<br/>2 2010 IRA - \$0.2454, 2011 IRA - \$0.2513, 2012 IRA - \$0.3731, 2013 IRA - \$0.5932.</p> <p>Rider MF is applicable to the Entire System pursuant to the Final Order in GUD 10000 dated 04/18/2011.<br/>Effective Date: For Bills Rendered On Or After 04/18/2011</p> <p style="text-align: center;">Rider MF - MUNICIPAL FEE ADJUSTMENT</p>                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                   |
| Rider RA a           | <p>Application Applicable to Customers inside the corporate limits of an incorporated municipality that imposes a municipal franchise fee upon Company for the Gas Service provided to Customer.</p> <p>Monthly Adjustment<br/>Company will adjust Customer's bill each month in an amount equal to the municipal fees payable for the Gas Service provided to Customer by Company. Municipal franchise fees are determined by each municipality's ordinance. Each municipality's franchise ordinance will specify the percentage and applicability of municipal fees.</p> <p>From time to time, Company will make further adjustments to Customer's bill to account for any over- or under-recovery of municipal fees by Company.</p> <p style="text-align: center;">RIDER RA - RETENTION ADJUSTMENT</p>                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                        |
| Rider REV 10295      | <p>APPLICABLE TO: Rate CGS - Mid-Tex, Rate CGS - Other and Rate PT<br/>EFFECTIVE DATE: 04/18/2011</p> <p>Applicability<br/>This Rider is applicable to Customers taking service under Rate CGS - Mid-Tex, Rate CGS - Other and Rate PT.</p> <p>Monthly Rate<br/>The retention percentage for Rate CGS - Mid-Tex, Rate CGS - Other and Rate PT is 1.00% of the volume of gas received into Atmos Pipeline -Texas' system for the account of a Customer.</p> <p>Rider REV is applicable to the Rate CGS - Mid-Tex, Rate CGS - Other and Rate PT pursuant to the Final Order in GUD 10000 dated 04/18/2011. Rider REV GUD 10000 is renewed as modified and extended under GUD10295 dated 12/18/2013. Effective Date: For Bills Rendered On Or After 12/18/2013</p> <p style="text-align: center;">Rider REV - REVENUE ADJUSTMENT</p> <p>Applicability<br/>This Rider will apply to Rate CGS - Mid-Tex, Rider CGS - Other and Rate PT.</p> <p>Adjustment Mechanism<br/>Effective each November 1, rate schedules subject to this Rider will be adjusted based on the change in 1) the level of Other Revenue for the twelve-month period from July 1 of the prior year through June 30 of the current year from 2) the level of Other Revenue credited to the total cost of service in GUD Docket No. 10000.</p> <p>Seventy-five percent of the difference between 1) the level of Other Revenue for the twelve-month period from July 1 of the prior year through June 30 of the current year less revenue related taxes and 2) the level of Other Revenue credited to the total cost of service in GUD Docket No. 10000 less revenue related taxes shall be allocated to the Rate CGS class and the Rate PT class in the same proportion as the Other Revenue was allocated to each class in GUD Docket No. 10000, as determined from the dollar amounts for Other Revenue Credit On Schedule J to the Final Order in GUD 10000. Columns (d) and (e), Line 6 for each class, respectively, as compared to the Total System Other Revenue Credit on Schedule J, Column (c), Line 6. The allocated portion of the difference in Other Revenue for each class shall be divided by the then current MDQ for such class, and that result shall be divided by 12 to calculate a monthly amount. The resulting amount shall be added to or subtracted from the capacity charge for each class.</p> <p>Such adjusted capacity charge will then be adjusted for any Interim Rate Adjustments approved by the Commission after the issuance of the Final Order in GUD Docket No. 10000.</p> <p>Adjustment Review Process</p> |

|                      | <p>No later than August 15th of each year, Atmos Pipeline - Texas shall file with the Commission an Other Revenue Adjustment Report showing the following:</p> <ol style="list-style-type: none"> <li>1. 1. The actual Other Revenue billed by Atmos Pipeline - Texas during the twelve-month period from July 1 of the prior year through June 30 of the current year by FERC Account;</li> <li>2. A listing of the customers in the Other Revenue class by coded reference showing monthly volumes and monthly revenues for each customer;</li> <li>3. The then current contractual MDQ and the MDQ in the prior year`s filing for each customer in each class (CGS and PT);</li> <li>4. The Other Revenue allocation percentages for each class derived from Schedule J;</li> <li>5. The calculations described in the Adjustment Mechanism Section of this Rider REV and supporting schedules;</li> <li>6. A confidential cross reference listing of the Customer codes and names (for Railroad Commission Staff only);</li> <li>7. A statement on whether or not the proposed adjustment would generate additional revenue of more than 2 one-half% of Atmos Pipeline - Texas` annual per books revenue for the twelve-month period ending on June 30 of the current year; and</li> <li>8. Proposed tariffs showing the proposed adjusted rates.</li> </ol> <p>Atmos Pipeline - Texas shall provide notice to all directly affected customers by bill insert or direct mail on the same date as the date of the filing of the Other Revenue Adjustment Report. The notice shall provide the customers with the proposed adjustment and contact information on where the customer can inspect a copy of the filing. If the requested adjustment would generate additional revenue of more than 2 one-half% of Atmos Pipeline - Texas` annual per books revenue for the twelve-month period ending on June 30 of the current year, the notice shall contain a statement that within 20 days of the date of the filing the customer has a right to:</p> <ol style="list-style-type: none"> <li>1. request a copy of the complete filing and the address for making such a request;</li> <li>2. file a reply and the address for filing a reply; and</li> <li>3. request a hearing and the address for making such a request.</li> </ol> <p>If a hearing is requested, the Hearings Division of the Commission shall conduct the hearing, which shall be limited in scope to the sole issue of the reasonableness of any increase greater than 2 one-half% of Atmos Pipeline - Texas` annual per books revenue for the twelve-month period ending on June 30 of the current year, on an expedited basis in order to permit the Commission to approve, adjust or deny the proposed Other Revenue Adjustment on or before November 1 of the current year.</p> <p>The Commission shall have the opportunity to review the Other Revenue Adjustment Report and may submit discovery requests until the 40th day following the filing date of the Other Revenue Adjustment Report. Directly affected customers may also submit discovery requests until that date. The Commission shall approve, adjust or deny the proposed Other Revenue Adjustment on or before November 1 of the current year. Atmos Pipeline - Texas shall have the right to appeal the commission`s decision by filing a Motion for Rehearing with the Commission within 20 days following the issuance of the Commission`s decision.</p> <p>Atmos Pipeline - Texas shall promptly reimburse the Commission for the cost of reviewing each Other Revenue Adjustment Report upon the invoicing of such cost.</p> <p>The Other Revenue Adjustment, as adjusted by the Commission, shall be implemented on November 1 of the current year and shall remain in effect until revised on the following November 1st.</p> <p>This Rider REV will expire with the effective date of rates in the next statement of intent filing by Atmos Pipeline - Texas.</p> |

**CURRENT RATE COMPONENT****RATE COMP. ID****DESCRIPTION**

## RATE PT - PIPELINE TRANSPORTATION

Applicability

This rate schedule is applicable to service by the Company under a Transportation Agreement - Pipeline, to a customer directly connected to the Atmos Pipeline-Texas System for the transportation of all natural gas supplied by Customer or Customer's agent for delivery to Customer at one Point of Delivery. Not applicable for service to City Gate Service customers.

Type of Service

This service provides interruptible transportation service to end use customers. Where service of the quantity and type desired by Customer is not already available at a Point of Delivery, additional charges and special contract arrangements between Company and Customer may be required prior to service being furnished at such Point of Delivery.

Monthly Rate

Customer's monthly bill will be calculated by adding the Monthly Customer and Usage charges to the amounts and quantities due under the Riders listed below. The Monthly Customer Charge each month will be equal to the Capacity Charge, as adjusted, multiplied by the Customer's Maximum Daily Quantity (MDQ) as set forth in the Transportation Agreement between Customer and Company. Total Usage Charges each month will be equal to the Usage Charge multiplied by the volume of gas delivered to Customer by Company during such month:

| Charge                        | Amount                              |
|-------------------------------|-------------------------------------|
| Capacity                      | \$ 2.3061 per MMBtu of MDQ (Note 1) |
| Annual Rider REV Adjustment   | \$ 0.0965 per MMBtu of MDQ          |
| Interim Rate Adjustment (IRA) | \$ 1.4630 per MMBtu of MDQ (Note 2) |
| Total Capacity Charge         | \$ 3.8656 per MMBtu of MDQ          |
| Usage                         | \$ 0.0163 per MMBtu                 |

Rider RA: Plus a quantity of gas as calculated in accordance with Rider RA.

Rider TAX: Plus an amount for tax calculated in accordance with Rider TAX.

Rider MF: Plus an amount for municipal fees calculated in accordance with Rider MF.

Rider SUR: Plus an amount for surcharges calculated in accordance with Rider SUR.

Rider REV: Plus an amount per MMBtu in accordance with Rider REV as an adjustment to the Capacity Charge per MMBtu of MDQ.

Imbalance Fees

All fees charged to Customer under this Rate Schedule will be charged based on the quantities determined under the applicable Transportation Agreement and quantities will not be aggregated for any Customer with multiple Transportation Agreements for the purposes of such fees.

Monthly Imbalance Fees

Customer shall pay Company the greater of (i) \$0.10 per MMBtu, or (ii) 150% of the difference per MMBtu between the highest and lowest midpoint price for the Katy point listed in Platts Gas Daily in the table entitled Daily Price Survey during such month, for the MMBtu of Customer's monthly Cumulative Imbalance, as defined in the applicable Transportation Agreement, at the end of each month that exceeds 10% of Customer's receipt quantities for the month.

Curtailement Overpull Fee

Upon notification by Company of an event of curtailement or interruption of Customer's deliveries, Customer will, for each MMBtu delivered in excess of the stated level of curtailement or interruption, pay Company 200% of the midpoint price for the Katy point listed in Platts Gas Daily published for the applicable Gas Day in the table entitled Daily Price Survey.

Replacement Index

In the event the midpoint or common price for the Katy point listed in Platts Gas Daily in the table entitled Daily Price Survey is no longer published, Company will calculate the applicable imbalance fees utilizing a daily price index recognized as authoritative by the natural gas industry and most closely approximating the applicable index.

MDQ Adjustment

If a Customer's daily usage on any day exceeds the Customer's MDQ as set forth in the applicable Transportation Agreement by 10% or more, the Customer's MDQ shall be increased to equal such daily usage. The effective date of such increase in the MDQ shall be the first day of the calendar month that begins following the day on which the Customer's daily usage exceeded the Customer's MDQ.

Agreement

A transportation agreement is required.

Customer must pay Company all costs associated with the acquisition and installation of the meter.</p> <p>Note:<br/>1 The Capacity Charge per MMBtu will be adjusted annually as calculated pursuant to Rider REV.<br/>2 2010 IRA - \$0.2454, 2011 IRA - \$0.2513, 2012 IRA - \$0.3731, 2013 IRA - \$0.5932.</p> <p>Rider MF is applicable to the Entire System pursuant to the Final Order in GUD 10000 dated 04/18/2011.<br/>Effective Date: For Bills Rendered On Or After 04/18/2011</p>                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                           |
| Rider RA a           | <p style="text-align: center;"><b>Rider MF - MUNICIPAL FEE ADJUSTMENT</b></p> <p>Application Applicable to Customers inside the corporate limits of an incorporated municipality that imposes a municipal franchise fee upon Company for the Gas Service provided to Customer.</p> <p>Monthly Adjustment<br/>Company will adjust Customer's bill each month in an amount equal to the municipal fees payable for the Gas Service provided to Customer by Company. Municipal franchise fees are determined by each municipality's ordinance. Each municipality's franchise ordinance will specify the percentage and applicability of municipal fees.</p> <p>From time to time, Company will make further adjustments to Customer's bill to account for any over- or under-recovery of municipal fees by Company.</p>                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                              |
| Rider REV 10295      | <p style="text-align: center;"><b>RIDER RA - RETENTION ADJUSTMENT</b></p> <p>APPLICABLE TO: Rate CGS - Mid-Tex, Rate CGS - Other and Rate PT<br/>EFFECTIVE DATE: 04/18/2011</p> <p>Applicability<br/>This Rider is applicable to Customers taking service under Rate CGS - Mid-Tex, Rate CGS - Other and Rate PT.</p> <p>Monthly Rate<br/>The retention percentage for Rate CGS - Mid-Tex, Rate CGS - Other and Rate PT is 1.00% of the volume of gas received into Atmos Pipeline -Texas' system for the account of a Customer.</p> <p>Rider REV is applicable to the Rate CGS - Mid-Tex, Rate CGS - Other and Rate PT pursuant to the Final Order in GUD 10000 dated 04/18/2011. Rider REV GUD 10000 is renewed as modified and extended under GUD10295 dated 12/18/2013. Effective Date: For Bills Rendered On Or After 12/18/2013</p> <p style="text-align: center;"><b>Rider REV - REVENUE ADJUSTMENT</b></p> <p>Applicability<br/>This Rider will apply to Rate CGS - Mid-Tex, Rider CGS - Other and Rate PT.</p> <p>Adjustment Mechanism<br/>Effective each November 1, rate schedules subject to this Rider will be adjusted based on the change in 1) the level of Other Revenue for the twelve-month period from July 1 of the prior year through June 30 of the current year from 2) the level of Other Revenue credited to the total cost of service in GUD Docket No. 10000.</p> <p>Seventy-five percent of the difference between 1) the level of Other Revenue for the twelve-month period from July 1 of the prior year through June 30 of the current year less revenue related taxes and 2) the level of Other Revenue credited to the total cost of service in GUD Docket No. 10000 less revenue related taxes shall be allocated to the Rate CGS class and the Rate PT class in the same proportion as the Other Revenue was allocated to each class in GUD Docket No. 10000, as determined from the dollar amounts for Other Revenue Credit On Schedule J to the Final Order in GUD 10000. Columns (d) and (e), Line 6 for each class, respectively, as compared to the Total System Other Revenue Credit on Schedule J, Column (c), Line 6. The allocated portion of the difference in Other Revenue for each class shall be divided by the then current MDQ for such class, and that result shall be divided by 12 to calculate a monthly amount. The resulting amount shall be added to or subtracted from the capacity charge for each class.</p> <p>Such adjusted capacity charge will then be adjusted for any Interim Rate Adjustments approved by the Commission after the issuance of the Final Order in GUD Docket No. 10000.</p> <p>Adjustment Review Process</p> |

|                      | <p>No later than August 15th of each year, Atmos Pipeline - Texas shall file with the Commission an Other Revenue Adjustment Report showing the following:</p> <ol style="list-style-type: none"> <li>1. The actual Other Revenue billed by Atmos Pipeline - Texas during the twelve-month period from July 1 of the prior year through June 30 of the current year by FERC Account;</li> <li>2. A listing of the customers in the Other Revenue class by coded reference showing monthly volumes and monthly revenues for each customer;</li> <li>3. The then current contractual MDQ and the MDQ in the prior year's filing for each customer in each class (CGS and PT);</li> <li>4. The Other Revenue allocation percentages for each class derived from Schedule J;</li> <li>5. The calculations described in the Adjustment Mechanism Section of this Rider REV and supporting schedules;</li> <li>6. A confidential cross reference listing of the Customer codes and names (for Railroad Commission Staff only);</li> <li>7. A statement on whether or not the proposed adjustment would generate additional revenue of more than 2 one-half% of Atmos Pipeline - Texas' annual per books revenue for the twelve-month period ending on June 30 of the current year; and</li> <li>8. Proposed tariffs showing the proposed adjusted rates.</li> </ol> <p>Atmos Pipeline - Texas shall provide notice to all directly affected customers by bill insert or direct mail on the same date as the date of the filing of the Other Revenue Adjustment Report. The notice shall provide the customers with the proposed adjustment and contact information on where the customer can inspect a copy of the filing. If the requested adjustment would generate additional revenue of more than 2 one-half% of Atmos Pipeline - Texas' annual per books revenue for the twelve-month period ending on June 30 of the current year, the notice shall contain a statement that within 20 days of the date of the filing the customer has a right to:</p> <ol style="list-style-type: none"> <li>1. request a copy of the complete filing and the address for making such a request;</li> <li>2. file a reply and the address for filing a reply; and</li> <li>3. request a hearing and the address for making such a request.</li> </ol> <p>If a hearing is requested, the Hearings Division of the Commission shall conduct the hearing, which shall be limited in scope to the sole issue of the reasonableness of any increase greater than 2 one-half% of Atmos Pipeline - Texas' annual per books revenue for the twelve-month period ending on June 30 of the current year, on an expedited basis in order to permit the Commission to approve, adjust or deny the proposed Other Revenue Adjustment on or before November 1 of the current year.</p> <p>The Commission shall have the opportunity to review the Other Revenue Adjustment Report and may submit discovery requests until the 40th day following the filing date of the Other Revenue Adjustment Report. Directly affected customers may also submit discovery requests until that date. The Commission shall approve, adjust or deny the proposed Other Revenue Adjustment on or before November 1 of the current year. Atmos Pipeline - Texas shall have the right to appeal the commission's decision by filing a Motion for Rehearing with the Commission within 20 days following the issuance of the Commission's decision.</p> <p>Atmos Pipeline - Texas shall promptly reimburse the Commission for the cost of reviewing each Other Revenue Adjustment Report upon the invoicing of such cost.</p> <p>The Other Revenue Adjustment, as adjusted by the Commission, shall be implemented on November 1 of the current year and shall remain in effect until revised on the following November 1st.</p> <p>This Rider REV will expire with the effective date of rates in the next statement of intent filing by Atmos Pipeline - Texas.</p> |

|                               | <p><b>Applicability</b><br/>This rate schedule is applicable to service by the Company under a Transportation Agreement - Pipeline, to a customer directly connected to the Atmos Pipeline-Texas System for the transportation of all natural gas supplied by Customer or Customer's agent for delivery to Customer at one Point of Delivery. Not applicable for service to City Gate Service customers.</p> <p><b>Type of Service</b><br/>This service provides interruptible transportation service to end use customers. Where service of the quantity and type desired by Customer is not already available at a Point of Delivery, additional charges and special contract arrangements between Company and Customer may be required prior to service being furnished at such Point of Delivery.</p> <p><b>Monthly Rate</b><br/>Customer's monthly bill will be calculated by adding the Monthly Customer and Usage charges to the amounts and quantities due under the Riders listed below. The Monthly Customer Charge each month will be equal to the Capacity Charge, as adjusted, multiplied by the Customer's Maximum Daily Quantity (MDQ) as set forth in the Transportation Agreement between Customer and Company. Total Usage Charges each month will be equal to the Usage Charge multiplied by the volume of gas delivered to Customer by Company during such month:</p> <table border="0" style="margin-left: 40px;"> <tr> <td style="padding-left: 20px;">Charge</td> <td style="padding-left: 100px;">Amount</td> </tr> <tr> <td>Capacity</td> <td>\$ 2.3061 per MMBtu of MDQ (Note 1)</td> </tr> <tr> <td>Annual Rider REV Adjustment</td> <td>\$ 0.0965 per MMBtu of MDQ</td> </tr> <tr> <td>Interim Rate Adjustment (IRA)</td> <td>\$ 1.4630 per MMBtu of MDQ (Note 2)</td> </tr> <tr> <td>Total Capacity Charge</td> <td>\$ 3.8656 per MMBtu of MDQ</td> </tr> <tr> <td><br/>Usage</td> <td><br/>\$ 0.0163 per MMBtu</td> </tr> </table> <p>Rider RA: Plus a quantity of gas as calculated in accordance with Rider RA.</p> <p>Rider TAX: Plus an amount for tax calculated in accordance with Rider TAX.</p> <p>Rider MF: Plus an amount for municipal fees calculated in accordance with Rider MF.</p> <p>Rider SUR: Plus an amount for surcharges calculated in accordance with Rider SUR.</p> <p>Rider REV: Plus an amount per MMBtu in accordance with Rider REV as an adjustment to the Capacity Charge per MMBtu of MDQ.</p> <p><b>Imbalance Fees</b><br/>All fees charged to Customer under this Rate Schedule will be charged based on the quantities determined under the applicable Transportation Agreement and quantities will not be aggregated for any Customer with multiple Transportation Agreements for the purposes of such fees.</p> <p><b>Monthly Imbalance Fees</b><br/>Customer shall pay Company the greater of (i) \$0.10 per MMBtu, or (ii) 150% of the difference per MMBtu between the highest and lowest midpoint price for the Katy point listed in Platts Gas Daily in the table entitled Daily Price Survey during such month, for the MMBtu of Customer's monthly Cumulative Imbalance, as defined in the applicable Transportation Agreement, at the end of each month that exceeds 10% of Customer's receipt quantities for the month.</p> <p><b>Curtailement Overpull Fee</b><br/>Upon notification by Company of an event of curtailement or interruption of Customer's deliveries, Customer will, for each MMBtu delivered in excess of the stated level of curtailement or interruption, pay Company 200% of the midpoint price for the Katy point listed in Platts Gas Daily published for the applicable Gas Day in the table entitled Daily Price Survey.</p> <p><b>Replacement Index</b><br/>In the event the midpoint or common price for the Katy point listed in Platts Gas Daily in the table entitled Daily Price Survey is no longer published, Company will calculate the applicable imbalance fees utilizing a daily price index recognized as authoritative by the natural gas industry and most closely approximating the applicable index.</p> <p><b>MDQ Adjustment</b><br/>If a Customer's daily usage on any day exceeds the Customer's MDQ as set forth in the applicable Transportation Agreement by 10% or more, the Customer's MDQ shall be increased to equal such daily usage. The effective date of such increase in the MDQ shall be the first day of the calendar month that begins following the day on which the Customer's daily usage exceeded the Customer's MDQ.</p> <p><b>Agreement</b><br/>A transportation agreement is required.</p> <p><b>Notice</b></p> | Charge | Amount | Capacity | \$ 2.3061 per MMBtu of MDQ (Note 1) | Annual Rider REV Adjustment | \$ 0.0965 per MMBtu of MDQ | Interim Rate Adjustment (IRA) | \$ 1.4630 per MMBtu of MDQ (Note 2) | Total Capacity Charge | \$ 3.8656 per MMBtu of MDQ | <br>Usage | <br>\$ 0.0163 per MMBtu |
| Charge                        | Amount                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                        |        |        |          |                                     |                             |                            |                               |                                     |                       |                            |           |                         |

| Rider REV 10295      | <p>Monthly Rate<br/>The retention percentage for Rate CGS - Mid-Tex, Rate CGS - Other and Rate PT is 1.00% of the volume of gas received into Atmos Pipeline -Texas' system for the account of a Customer.</p> <p>Rider REV is applicable to the Rate CGS - Mid-Tex, Rate CGS - Other and Rate PT pursuant to the Final Order in GUD 10000 dated 04/18/2011. Rider REV GUD 10000 is renewed as modified and extended under GUD10295 dated 12/18/2013. Effective Date: For Bills Rendered On Or After 12/18/2013</p> <p style="text-align: center;">Rider REV - REVENUE ADJUSTMENT</p> <p>Applicability<br/>This Rider will apply to Rate CGS - Mid-Tex, Rider CGS - Other and Rate PT.</p> <p>Adjustment Mechanism<br/>Effective each November 1, rate schedules subject to this Rider will be adjusted based on the change in 1) the level of Other Revenue for the twelve-month period from July 1 of the prior year through June 30 of the current year from 2) the level of Other Revenue credited to the total cost of service in GUD Docket No. 10000.</p> <p>Seventy-five percent of the difference between 1) the level of Other Revenue for the twelve-month period from July 1 of the prior year through June 30 of the current year less revenue related taxes and 2) the level of Other Revenue credited to the total cost of service in GUD Docket No. 10000 less revenue related taxes shall be allocated to the Rate CGS class and the Rate PT class in the same proportion as the Other Revenue was allocated to each class in GUD Docket No. 10000, as determined from the dollar amounts for Other Revenue Credit On Schedule J to the Final Order in GUD 10000. Columns (d) and (e), Line 6 for each class, respectively, as compared to the Total System Other Revenue Credit on Schedule J, Column (c), Line 6. The allocated portion of the difference in Other Revenue for each class shall be divided by the then current MDQ for such class, and that result shall be divided by 12 to calculate a monthly amount. The resulting amount shall be added to or subtracted from the capacity charge for each class.</p> <p>Such adjusted capacity charge will then be adjusted for any Interim Rate Adjustments approved by the Commission after the issuance of the Final Order in GUD Docket No. 10000.</p> <p>Adjustment Review Process</p> |

|                      | <p>No later than August 15th of each year, Atmos Pipeline - Texas shall file with the Commission an Other Revenue Adjustment Report showing the following:</p> <ol style="list-style-type: none"> <li>1. 1. The actual Other Revenue billed by Atmos Pipeline - Texas during the twelve-month period from July 1 of the prior year through June 30 of the current year by FERC Account;</li> <li>2. A listing of the customers in the Other Revenue class by coded reference showing monthly volumes and monthly revenues for each customer;</li> <li>3. The then current contractual MDQ and the MDQ in the prior year`s filing for each customer in each class (CGS and PT);</li> <li>4. The Other Revenue allocation percentages for each class derived from Schedule J;</li> <li>5. The calculations described in the Adjustment Mechanism Section of this Rider REV and supporting schedules;</li> <li>6. A confidential cross reference listing of the Customer codes and names (for Railroad Commission Staff only);</li> <li>7. A statement on whether or not the proposed adjustment would generate additional revenue of more than 2 one-half% of Atmos Pipeline - Texas` annual per books revenue for the twelve-month period ending on June 30 of the current year; and</li> <li>8. Proposed tariffs showing the proposed adjusted rates.</li> </ol> <p>Atmos Pipeline - Texas shall provide notice to all directly affected customers by bill insert or direct mail on the same date as the date of the filing of the Other Revenue Adjustment Report. The notice shall provide the customers with the proposed adjustment and contact information on where the customer can inspect a copy of the filing. If the requested adjustment would generate additional revenue of more than 2 one-half% of Atmos Pipeline - Texas` annual per books revenue for the twelve-month period ending on June 30 of the current year, the notice shall contain a statement that within 20 days of the date of the filing the customer has a right to:</p> <ol style="list-style-type: none"> <li>1. request a copy of the complete filing and the address for making such a request;</li> <li>2. file a reply and the address for filing a reply; and</li> <li>3. request a hearing and the address for making such a request.</li> </ol> <p>If a hearing is requested, the Hearings Division of the Commission shall conduct the hearing, which shall be limited in scope to the sole issue of the reasonableness of any increase greater than 2 one-half% of Atmos Pipeline - Texas` annual per books revenue for the twelve-month period ending on June 30 of the current year, on an expedited basis in order to permit the Commission to approve, adjust or deny the proposed Other Revenue Adjustment on or before November 1 of the current year.</p> <p>The Commission shall have the opportunity to review the Other Revenue Adjustment Report and may submit discovery requests until the 40th day following the filing date of the Other Revenue Adjustment Report. Directly affected customers may also submit discovery requests until that date. The Commission shall approve, adjust or deny the proposed Other Revenue Adjustment on or before November 1 of the current year. Atmos Pipeline - Texas shall have the right to appeal the commission`s decision by filing a Motion for Rehearing with the Commission within 20 days following the issuance of the Commission`s decision.</p> <p>Atmos Pipeline - Texas shall promptly reimburse the Commission for the cost of reviewing each Other Revenue Adjustment Report upon the invoicing of such cost.</p> <p>The Other Revenue Adjustment, as adjusted by the Commission, shall be implemented on November 1 of the current year and shall remain in effect until revised on the following November 1st.</p> <p>This Rider REV will expire with the effective date of rates in the next statement of intent filing by Atmos Pipeline - Texas.</p> |

| Rate PT 10377                 | <p>The daily quantity of gas requested by a Customer to be delivered into the Pipeline System by the Customer as specified in the associated Transportation Agreement between the Customer and Atmos Pipeline-Texas.</p> <p>STATE AGENCY.<br/>                     (A) a department, commission, board, office, or other agency that: (i) is in the executive branch of state government; (ii) has authority that is not limited to a geographical portion of the state; and (iii) was created by the Texas Constitution or a statute of this state; (B) a university system or institution of higher education as defined by Section 61.003, Education Code, other than a public junior college; or (C) a river authority created under the Texas Constitution or a statute of this state.</p> <p>TRANSPORTATION AGREEMENT.<br/>                     The contract with a customer for transportation service on the Pipeline System. The contract will specify the rate for transportation service and the retention percentage.</p> <p>Rate PT - PIPELINE TRANSPORTATION rate is applicable to the Entire System pursuant to the Final Order in GUD 10377 dated 10/14/2014. Effective Date: 11/01/2014</p>                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                               |        |        |          |                                     |                             |                            |                               |                                     |                       |                            |       |                     |
|                               | <p style="text-align: center;">RATE PT - PIPELINE TRANSPORTATION</p> <p>Applicability<br/>                     This rate schedule is applicable to service by the Company under a Transportation Agreement - Pipeline, to a customer directly connected to the Atmos Pipeline-Texas System for the transportation of all natural gas supplied by Customer or Customer's agent for delivery to Customer at one Point of Delivery. Not applicable for service to City Gate Service customers.</p> <p>Type of Service<br/>                     This service provides interruptible transportation service to end use customers. Where service of the quantity and type desired by Customer is not already available at a Point of Delivery, additional charges and special contract arrangements between Company and Customer may be required prior to service being furnished at such Point of Delivery.</p> <p>Monthly Rate<br/>                     Customer's monthly bill will be calculated by adding the Monthly Customer and Usage charges to the amounts and quantities due under the Riders listed below. The Monthly Customer Charge each month will be equal to the Capacity Charge, as adjusted, multiplied by the Customer's Maximum Daily Quantity (MDQ) as set forth in the Transportation Agreement between Customer and Company. Total Usage Charges each month will be equal to the Usage Charge multiplied by the volume of gas delivered to Customer by Company during such month:</p>                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                   |        |        |          |                                     |                             |                            |                               |                                     |                       |                            |       |                     |

| Rider MF             | <p><b>Replacement Index</b><br/>In the event the midpoint or common price for the Katy point listed in Platts Gas Daily in the table entitled Daily Price Survey is no longer published, Company will calculate the applicable imbalance fees utilizing a daily price index recognized as authoritative by the natural gas industry and most closely approximating the applicable index.</p> <p><b>MDQ Adjustment</b><br/>If a Customer's daily usage on any day exceeds the Customer's MDQ as set forth in the applicable Transportation Agreement by 10% or more, the Customer's MDQ shall be increased to equal such daily usage. The effective date of such increase in the MDQ shall be the first day of the calendar month that begins following the day on which the Customer's daily usage exceeded the Customer's MDQ.</p> <p><b>Agreement</b><br/>A transportation agreement is required.</p> <p><b>Notice</b><br/>Service hereunder and the rates for service provided are subject to the orders of regulatory bodies having jurisdiction and to the Company's Tariff for Gas Service.</p> <p><b>Special Conditions</b><br/>In order to receive service under Rate PT, Customer must have the type of meter required by Company. Customer must pay Company all costs associated with the acquisition and installation of the meter.</p> <p><b>Note:</b><br/>1 The Capacity Charge per MMBtu will be adjusted annually as calculated pursuant to Rider REV.<br/>2 2010 IRA - \$0.2454, 2011 IRA - \$0.2513, 2012 IRA - \$0.3731, 2013 IRA - \$0.5932.</p> <p>Rider MF is applicable to the Entire System pursuant to the Final Order in GUD 10000 dated 04/18/2011.<br/>Effective Date: For Bills Rendered On Or After 04/18/2011</p> |
| Rider RA a           | <p style="text-align: center;"><b>Rider MF - MUNICIPAL FEE ADJUSTMENT</b></p> <p><b>Application</b> Applicable to Customers inside the corporate limits of an incorporated municipality that imposes a municipal franchise fee upon Company for the Gas Service provided to Customer.</p> <p><b>Monthly Adjustment</b><br/>Company will adjust Customer's bill each month in an amount equal to the municipal fees payable for the Gas Service provided to Customer by Company. Municipal franchise fees are determined by each municipality's ordinance. Each municipality's franchise ordinance will specify the percentage and applicability of municipal fees.</p> <p>From time to time, Company will make further adjustments to Customer's bill to account for any over- or under-recovery of municipal fees by Company.</p>                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                              |

-----------------------------------------------------------------------------------------------------------------------------------------------|
|                      | <p>Seventy-five percent of the difference between 1) the level of Other Revenue for the twelve-month period from July 1 of the prior year through June 30 of the current year less revenue related taxes and 2) the level of Other Revenue credited to the total cost of service in GUD Docket No. 10000 less revenue related taxes shall be allocated to the Rate CGS class and the Rate PT class in the same proportion as the Other Revenue was allocated to each class in GUD Docket No. 10000, as determined from the dollar amounts for Other Revenue Credit On Schedule J to the Final Order in GUD 10000, Columns (d) and (e), Line 6 for each class, respectively, as compared to the Total System Other Revenue Credit on Schedule J, Column (c), Line 6. The allocated portion of the difference in Other Revenue for each class shall be divided by the then current MDQ for such class, and that result shall be divided by 12 to calculate a monthly amount. The resulting amount shall be added to or subtracted from the capacity charge for each class.</p> <p>Such adjusted capacity charge will then be adjusted for any Interim Rate Adjustments approved by the Commission after the issuance of the Final Order in GUD Docket No. 10000.</p> <p>Adjustment Review Process</p> <p>No later than August 15th of each year, Atmos Pipeline - Texas shall file with the Commission an Other Revenue Adjustment Report showing the following:</p> <ol style="list-style-type: none"> <li>1. 1. The actual Other Revenue billed by Atmos Pipeline - Texas during the twelve-month period from July 1 of the prior year through June 30 of the current year by FERC Account;</li> <li>2. A listing of the customers in the Other Revenue class by coded reference showing monthly volumes and monthly revenues for each customer;</li> <li>3. The then current contractual MDQ and the MDQ in the prior year`s filing for each customer in each class (CGS and PT);</li> <li>4. The Other Revenue allocation percentages for each class derived from Schedule J;</li> <li>5. The calculations described in the Adjustment Mechanism Section of this Rider REV and supporting schedules;</li> <li>6. A confidential cross reference listing of the Customer codes and names (for Railroad Commission Staff only);</li> <li>7. A statement on whether or not the proposed adjustment would generate additional revenue of more than 2 one-half% of Atmos Pipeline - Texas` annual per books revenue for the twelve-month period ending on June 30 of the current year; and</li> <li>8. Proposed tariffs showing the proposed adjusted rates.</li> </ol> <p>Atmos Pipeline - Texas shall provide notice to all directly affected customers by bill insert or direct mail on the same date as the date of the filing of the Other Revenue Adjustment Report. The notice shall provide the customers with the proposed adjustment and contact information on where the customer can inspect a copy of the filing. If the requested adjustment would generate additional revenue of more than 2 one-half% of Atmos Pipeline - Texas` annual per books revenue for the twelve-month period ending on June 30 of the current year, the notice shall contain a statement that within 20 days of the date of the filing the customer has a right to:</p> <ol style="list-style-type: none"> <li>1. request a copy of the complete filing and the address for making such a request;</li> <li>2. file a reply and the address for filing a reply; and</li> <li>3. request a hearing and the address for making such a request.</li> </ol> <p>If a hearing is requested, the Hearings Division of the Commission shall conduct the hearing, which shall be limited in scope to the sole issue of the reasonableness of any increase greater than 2 one-half% of Atmos Pipeline - Texas` annual per books revenue for the twelve-month period ending on June 30 of the current year, on an expedited basis in order to permit the Commission to approve, adjust or deny the proposed Other Revenue Adjustment on or before November 1 of the current year.</p> <p>The Commission shall have the opportunity to review the Other Revenue Adjustment Report and may submit discovery requests until the 40th day following the filing date of the Other Revenue Adjustment Report. Directly affected customers may also submit discovery requests until that date. The Commission shall approve, adjust or deny the proposed Other Revenue Adjustment on or before November 1 of the current year. Atmos Pipeline - Texas shall have the right to appeal the commission`s decision by filing a Motion for Rehearing with the Commission within 20 days following the issuance of the Commission`s decision.</p> <p>Atmos Pipeline - Texas shall promptly reimburse the Commission for the cost of reviewing each Other Revenue Adjustment Report upon the invoicing of such cost.</p> <p>The Other Revenue Adjustment, as adjusted by the Commission, shall be implemented on November 1 of the current year and shall remain in effect until revised on the following November 1st.</p> <p>This Rider REV will expire with the effective date of rates in the next statement of intent filing by Atmos Pipeline - Texas.</p> |

|                               | <p><b>Applicability</b><br/>This rate schedule is applicable to service by the Company under a Transportation Agreement - Pipeline, to a customer directly connected to the Atmos Pipeline-Texas System for the transportation of all natural gas supplied by Customer or Customer's agent for delivery to Customer at one Point of Delivery. Not applicable for service to City Gate Service customers.</p> <p><b>Type of Service</b><br/>This service provides interruptible transportation service to end use customers. Where service of the quantity and type desired by Customer is not already available at a Point of Delivery, additional charges and special contract arrangements between Company and Customer may be required prior to service being furnished at such Point of Delivery.</p> <p><b>Monthly Rate</b><br/>Customer's monthly bill will be calculated by adding the Monthly Customer and Usage charges to the amounts and quantities due under the Riders listed below. The Monthly Customer Charge each month will be equal to the Capacity Charge, as adjusted, multiplied by the Customer's Maximum Daily Quantity (MDQ) as set forth in the Transportation Agreement between Customer and Company. Total Usage Charges each month will be equal to the Usage Charge multiplied by the volume of gas delivered to Customer by Company during such month:</p> <table border="0" style="width: 100%;"> <thead> <tr> <th style="text-align: left;">Charge</th> <th style="text-align: left;">Amount</th> </tr> </thead> <tbody> <tr> <td>Capacity</td> <td>\$ 2.3061 per MMBtu of MDQ (Note 1)</td> </tr> <tr> <td>Annual Rider REV Adjustment</td> <td>\$ 0.0965 per MMBtu of MDQ</td> </tr> <tr> <td>Interim Rate Adjustment (IRA)</td> <td>\$ 1.4630 per MMBtu of MDQ (Note 2)</td> </tr> <tr> <td>Total Capacity Charge</td> <td>\$ 3.8656 per MMBtu of MDQ</td> </tr> <tr> <td>Usage</td> <td>\$ 0.0163 per MMBtu</td> </tr> </tbody> </table> <p>Rider RA: Plus a quantity of gas as calculated in accordance with Rider RA.</p> <p>Rider TAX: Plus an amount for tax calculated in accordance with Rider TAX.</p> <p>Rider MF: Plus an amount for municipal fees calculated in accordance with Rider MF.</p> <p>Rider SUR: Plus an amount for surcharges calculated in accordance with Rider SUR.</p> <p>Rider REV: Plus an amount per MMBtu in accordance with Rider REV as an adjustment to the Capacity Charge per MMBtu of MDQ.</p> <p><b>Imbalance Fees</b><br/>All fees charged to Customer under this Rate Schedule will be charged based on the quantities determined under the applicable Transportation Agreement and quantities will not be aggregated for any Customer with multiple Transportation Agreements for the purposes of such fees.</p> <p><b>Monthly Imbalance Fees</b><br/>Customer shall pay Company the greater of (i) \$0.10 per MMBtu, or (ii) 150% of the difference per MMBtu between the highest and lowest midpoint price for the Katy point listed in Platts Gas Daily in the table entitled Daily Price Survey during such month, for the MMBtu of Customer's monthly Cumulative Imbalance, as defined in the applicable Transportation Agreement, at the end of each month that exceeds 10% of Customer's receipt quantities for the month.</p> <p><b>Curtailement Overpull Fee</b><br/>Upon notification by Company of an event of curtailement or interruption of Customer's deliveries, Customer will, for each MMBtu delivered in excess of the stated level of curtailement or interruption, pay Company 200% of the midpoint price for the Katy point listed in Platts Gas Daily published for the applicable Gas Day in the table entitled Daily Price Survey.</p> <p><b>Replacement Index</b><br/>In the event the midpoint or common price for the Katy point listed in Platts Gas Daily in the table entitled Daily Price Survey is no longer published, Company will calculate the applicable imbalance fees utilizing a daily price index recognized as authoritative by the natural gas industry and most closely approximating the applicable index.</p> <p><b>MDQ Adjustment</b><br/>If a Customer's daily usage on any day exceeds the Customer's MDQ as set forth in the applicable Transportation Agreement by 10% or more, the Customer's MDQ shall be increased to equal such daily usage. The effective date of such increase in the MDQ shall be the first day of the calendar month that begins following the day on which the Customer's daily usage exceeded the Customer's MDQ.</p> <p><b>Agreement</b><br/>A transportation agreement is required.</p> <p><b>Notice</b></p> | Charge | Amount | Capacity | \$ 2.3061 per MMBtu of MDQ (Note 1) | Annual Rider REV Adjustment | \$ 0.0965 per MMBtu of MDQ | Interim Rate Adjustment (IRA) | \$ 1.4630 per MMBtu of MDQ (Note 2) | Total Capacity Charge | \$ 3.8656 per MMBtu of MDQ | Usage | \$ 0.0163 per MMBtu |
| Charge                        | Amount                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                     |        |        |          |                                     |                             |                            |                               |                                     |                       |                            |       |                     |

| Rider REV 10295      | <p>Monthly Rate<br/>The retention percentage for Rate CGS - Mid-Tex, Rate CGS - Other and Rate PT is 1.00% of the volume of gas received into Atmos Pipeline -Texas' system for the account of a Customer.</p> <p>Rider REV is applicable to the Rate CGS - Mid-Tex, Rate CGS - Other and Rate PT pursuant to the Final Order in GUD 10000 dated 04/18/2011. Rider REV GUD 10000 is renewed as modified and extended under GUD10295 dated 12/18/2013. Effective Date: For Bills Rendered On Or After 12/18/2013</p> <p style="text-align: center;">Rider REV - REVENUE ADJUSTMENT</p> <p>Applicability<br/>This Rider will apply to Rate CGS - Mid-Tex, Rider CGS - Other and Rate PT.</p> <p>Adjustment Mechanism<br/>Effective each November 1, rate schedules subject to this Rider will be adjusted based on the change in 1) the level of Other Revenue for the twelve-month period from July 1 of the prior year through June 30 of the current year from 2) the level of Other Revenue credited to the total cost of service in GUD Docket No. 10000.</p> <p>Seventy-five percent of the difference between 1) the level of Other Revenue for the twelve-month period from July 1 of the prior year through June 30 of the current year less revenue related taxes and 2) the level of Other Revenue credited to the total cost of service in GUD Docket No. 10000 less revenue related taxes shall be allocated to the Rate CGS class and the Rate PT class in the same proportion as the Other Revenue was allocated to each class in GUD Docket No. 10000, as determined from the dollar amounts for Other Revenue Credit On Schedule J to the Final Order in GUD 10000, Columns (d) and (e), Line 6 for each class, respectively, as compared to the Total System Other Revenue Credit on Schedule J, Column (c), Line 6. The allocated portion of the difference in Other Revenue for each class shall be divided by the then current MDQ for such class, and that result shall be divided by 12 to calculate a monthly amount. The resulting amount shall be added to or subtracted from the capacity charge for each class.</p> <p>Such adjusted capacity charge will then be adjusted for any Interim Rate Adjustments approved by the Commission after the issuance of the Final Order in GUD Docket No. 10000.</p> <p>Adjustment Review Process</p> |

|                      | <p>No later than August 15th of each year, Atmos Pipeline - Texas shall file with the Commission an Other Revenue Adjustment Report showing the following:</p> <ol style="list-style-type: none"> <li>1. The actual Other Revenue billed by Atmos Pipeline - Texas during the twelve-month period from July 1 of the prior year through June 30 of the current year by FERC Account;</li> <li>2. A listing of the customers in the Other Revenue class by coded reference showing monthly volumes and monthly revenues for each customer;</li> <li>3. The then current contractual MDQ and the MDQ in the prior year's filing for each customer in each class (CGS and PT);</li> <li>4. The Other Revenue allocation percentages for each class derived from Schedule J;</li> <li>5. The calculations described in the Adjustment Mechanism Section of this Rider REV and supporting schedules;</li> <li>6. A confidential cross reference listing of the Customer codes and names (for Railroad Commission Staff only);</li> <li>7. A statement on whether or not the proposed adjustment would generate additional revenue of more than 2 one-half% of Atmos Pipeline - Texas' annual per books revenue for the twelve-month period ending on June 30 of the current year; and</li> <li>8. Proposed tariffs showing the proposed adjusted rates.</li> </ol> <p>Atmos Pipeline - Texas shall provide notice to all directly affected customers by bill insert or direct mail on the same date as the date of the filing of the Other Revenue Adjustment Report. The notice shall provide the customers with the proposed adjustment and contact information on where the customer can inspect a copy of the filing. If the requested adjustment would generate additional revenue of more than 2 one-half% of Atmos Pipeline - Texas' annual per books revenue for the twelve-month period ending on June 30 of the current year, the notice shall contain a statement that within 20 days of the date of the filing the customer has a right to:</p> <ol style="list-style-type: none"> <li>1. request a copy of the complete filing and the address for making such a request;</li> <li>2. file a reply and the address for filing a reply; and</li> <li>3. request a hearing and the address for making such a request.</li> </ol> <p>If a hearing is requested, the Hearings Division of the Commission shall conduct the hearing, which shall be limited in scope to the sole issue of the reasonableness of any increase greater than 2 one-half% of Atmos Pipeline - Texas' annual per books revenue for the twelve-month period ending on June 30 of the current year, on an expedited basis in order to permit the Commission to approve, adjust or deny the proposed Other Revenue Adjustment on or before November 1 of the current year.</p> <p>The Commission shall have the opportunity to review the Other Revenue Adjustment Report and may submit discovery requests until the 40th day following the filing date of the Other Revenue Adjustment Report. Directly affected customers may also submit discovery requests until that date. The Commission shall approve, adjust or deny the proposed Other Revenue Adjustment on or before November 1 of the current year. Atmos Pipeline - Texas shall have the right to appeal the commission's decision by filing a Motion for Rehearing with the Commission within 20 days following the issuance of the Commission's decision.</p> <p>Atmos Pipeline - Texas shall promptly reimburse the Commission for the cost of reviewing each Other Revenue Adjustment Report upon the invoicing of such cost.</p> <p>The Other Revenue Adjustment, as adjusted by the Commission, shall be implemented on November 1 of the current year and shall remain in effect until revised on the following November 1st.</p> <p>This Rider REV will expire with the effective date of rates in the next statement of intent filing by Atmos Pipeline - Texas.</p> |

|                               | <p><u>Applicability</u><br/>This rate schedule is applicable to service by the Company under a Transportation Agreement - Pipeline, to a customer directly connected to the Atmos Pipeline-Texas System for the transportation of all natural gas supplied by Customer or Customer's agent for delivery to Customer at one Point of Delivery. Not applicable for service to City Gate Service customers.</p> <p><u>Type of Service</u><br/>This service provides interruptible transportation service to end use customers. Where service of the quantity and type desired by Customer is not already available at a Point of Delivery, additional charges and special contract arrangements between Company and Customer may be required prior to service being furnished at such Point of Delivery.</p> <p><u>Monthly Rate</u><br/>Customer's monthly bill will be calculated by adding the Monthly Customer and Usage charges to the amounts and quantities due under the Riders listed below. The Monthly Customer Charge each month will be equal to the Capacity Charge, as adjusted, multiplied by the Customer's Maximum Daily Quantity (MDQ) as set forth in the Transportation Agreement between Customer and Company. Total Usage Charges each month will be equal to the Usage Charge multiplied by the volume of gas delivered to Customer by Company during such month:</p> <table border="0" style="width: 100%;"> <thead> <tr> <th style="text-align: left;">Charge</th> <th style="text-align: left;">Amount</th> </tr> </thead> <tbody> <tr> <td>Capacity</td> <td>\$ 2.3061 per MMBtu of MDQ (Note 1)</td> </tr> <tr> <td>Annual Rider REV Adjustment</td> <td>\$ 0.0965 per MMBtu of MDQ</td> </tr> <tr> <td>Interim Rate Adjustment (IRA)</td> <td>\$ 1.4630 per MMBtu of MDQ (Note 2)</td> </tr> <tr> <td>Total Capacity Charge</td> <td>\$ 3.8656 per MMBtu of MDQ</td> </tr> </tbody> </table> <p>Usage                                    \$ 0.0163 per MMBtu</p> <p>Rider RA: Plus a quantity of gas as calculated in accordance with Rider RA.</p> <p>Rider TAX: Plus an amount for tax calculated in accordance with Rider TAX.</p> <p>Rider MF: Plus an amount for municipal fees calculated in accordance with Rider MF.</p> <p>Rider SUR: Plus an amount for surcharges calculated in accordance with Rider SUR.</p> <p>Rider REV: Plus an amount per MMBtu in accordance with Rider REV as an adjustment to the Capacity Charge per MMBtu of MDQ.</p> <p><u>Imbalance Fees</u><br/>All fees charged to Customer under this Rate Schedule will be charged based on the quantities determined under the applicable Transportation Agreement and quantities will not be aggregated for any Customer with multiple Transportation Agreements for the purposes of such fees.</p> <p><u>Monthly Imbalance Fees</u><br/>Customer shall pay Company the greater of (i) \$0.10 per MMBtu, or (ii) 150% of the difference per MMBtu between the highest and lowest midpoint price for the Katy point listed in Platts Gas Daily in the table entitled Daily Price Survey during such month, for the MMBtu of Customer's monthly Cumulative Imbalance, as defined in the applicable Transportation Agreement, at the end of each month that exceeds 10% of Customer's receipt quantities for the month.</p> <p><u>Curtailement Overpull Fee</u><br/>Upon notification by Company of an event of curtailement or interruption of Customer's deliveries, Customer will, for each MMBtu delivered in excess of the stated level of curtailement or interruption, pay Company 200% of the midpoint price for the Katy point listed in Platts Gas Daily published for the applicable Gas Day in the table entitled Daily Price Survey.</p> <p><u>Replacement Index</u><br/>In the event the midpoint or common price for the Katy point listed in Platts Gas Daily in the table entitled Daily Price Survey is no longer published, Company will calculate the applicable imbalance fees utilizing a daily price index recognized as authoritative by the natural gas industry and most closely approximating the applicable index.</p> <p><u>MDQ Adjustment</u><br/>If a Customer's daily usage on any day exceeds the Customer's MDQ as set forth in the applicable Transportation Agreement by 10% or more, the Customer's MDQ shall be increased to equal such daily usage. The effective date of such increase in the MDQ shall be the first day of the calendar month that begins following the day on which the Customer's daily usage exceeded the Customer's MDQ.</p> <p><u>Agreement</u><br/>A transportation agreement is required.</p> <p><u>Notice</u></p> | Charge | Amount | Capacity | \$ 2.3061 per MMBtu of MDQ (Note 1) | Annual Rider REV Adjustment | \$ 0.0965 per MMBtu of MDQ | Interim Rate Adjustment (IRA) | \$ 1.4630 per MMBtu of MDQ (Note 2) | Total Capacity Charge | \$ 3.8656 per MMBtu of MDQ |
| Charge                        | Amount                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                  |        |        |          |                                     |                             |                            |                               |                                     |                       |                            |

Customer must pay Company all costs associated with the acquisition and installation of the meter.</p> <p>Note:<br/>1 The Capacity Charge per MMBtu will be adjusted annually as calculated pursuant to Rider REV.<br/>2 2010 IRA - \$0.2454, 2011 IRA - \$0.2513, 2012 IRA - \$0.3731, 2013 IRA - \$0.5932.</p> <p>Rider MF is applicable to the Entire System pursuant to the Final Order in GUD 10000 dated 04/18/2011.<br/>Effective Date: For Bills Rendered On Or After 04/18/2011</p>                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                           |
| Rider RA a           | <p style="text-align: center;"><b>Rider MF - MUNICIPAL FEE ADJUSTMENT</b></p> <p>Application Applicable to Customers inside the corporate limits of an incorporated municipality that imposes a municipal franchise fee upon Company for the Gas Service provided to Customer.</p> <p>Monthly Adjustment<br/>Company will adjust Customer's bill each month in an amount equal to the municipal fees payable for the Gas Service provided to Customer by Company. Municipal franchise fees are determined by each municipality's ordinance. Each municipality's franchise ordinance will specify the percentage and applicability of municipal fees.</p> <p>From time to time, Company will make further adjustments to Customer's bill to account for any over- or under-recovery of municipal fees by Company.</p>                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                              |
| Rider REV 10295      | <p style="text-align: center;"><b>RIDER RA - RETENTION ADJUSTMENT</b></p> <p>APPLICABLE TO: Rate CGS - Mid-Tex, Rate CGS - Other and Rate PT<br/>EFFECTIVE DATE: 04/18/2011</p> <p>Applicability<br/>This Rider is applicable to Customers taking service under Rate CGS - Mid-Tex, Rate CGS - Other and Rate PT.</p> <p>Monthly Rate<br/>The retention percentage for Rate CGS - Mid-Tex, Rate CGS - Other and Rate PT is 1.00% of the volume of gas received into Atmos Pipeline -Texas' system for the account of a Customer.</p> <p>Rider REV is applicable to the Rate CGS - Mid-Tex, Rate CGS - Other and Rate PT pursuant to the Final Order in GUD 10000 dated 04/18/2011. Rider REV GUD 10000 is renewed as modified and extended under GUD10295 dated 12/18/2013. Effective Date: For Bills Rendered On Or After 12/18/2013</p> <p style="text-align: center;"><b>Rider REV - REVENUE ADJUSTMENT</b></p> <p>Applicability<br/>This Rider will apply to Rate CGS - Mid-Tex, Rider CGS - Other and Rate PT.</p> <p>Adjustment Mechanism<br/>Effective each November 1, rate schedules subject to this Rider will be adjusted based on the change in 1) the level of Other Revenue for the twelve-month period from July 1 of the prior year through June 30 of the current year from 2) the level of Other Revenue credited to the total cost of service in GUD Docket No. 10000.</p> <p>Seventy-five percent of the difference between 1) the level of Other Revenue for the twelve-month period from July 1 of the prior year through June 30 of the current year less revenue related taxes and 2) the level of Other Revenue credited to the total cost of service in GUD Docket No. 10000 less revenue related taxes shall be allocated to the Rate CGS class and the Rate PT class in the same proportion as the Other Revenue was allocated to each class in GUD Docket No. 10000, as determined from the dollar amounts for Other Revenue Credit On Schedule J to the Final Order in GUD 10000. Columns (d) and (e), Line 6 for each class, respectively, as compared to the Total System Other Revenue Credit on Schedule J, Column (c), Line 6. The allocated portion of the difference in Other Revenue for each class shall be divided by the then current MDQ for such class, and that result shall be divided by 12 to calculate a monthly amount. The resulting amount shall be added to or subtracted from the capacity charge for each class.</p> <p>Such adjusted capacity charge will then be adjusted for any Interim Rate Adjustments approved by the Commission after the issuance of the Final Order in GUD Docket No. 10000.</p> <p>Adjustment Review Process</p> |

|                      | <p>No later than August 15th of each year, Atmos Pipeline - Texas shall file with the Commission an Other Revenue Adjustment Report showing the following:</p> <ol style="list-style-type: none"> <li>1. 1. The actual Other Revenue billed by Atmos Pipeline - Texas during the twelve-month period from July 1 of the prior year through June 30 of the current year by FERC Account;</li> <li>2. A listing of the customers in the Other Revenue class by coded reference showing monthly volumes and monthly revenues for each customer;</li> <li>3. The then current contractual MDQ and the MDQ in the prior year`s filing for each customer in each class (CGS and PT);</li> <li>4. The Other Revenue allocation percentages for each class derived from Schedule J;</li> <li>5. The calculations described in the Adjustment Mechanism Section of this Rider REV and supporting schedules;</li> <li>6. A confidential cross reference listing of the Customer codes and names (for Railroad Commission Staff only);</li> <li>7. A statement on whether or not the proposed adjustment would generate additional revenue of more than 2 one-half% of Atmos Pipeline - Texas` annual per books revenue for the twelve-month period ending on June 30 of the current year; and</li> <li>8. Proposed tariffs showing the proposed adjusted rates.</li> </ol> <p>Atmos Pipeline - Texas shall provide notice to all directly affected customers by bill insert or direct mail on the same date as the date of the filing of the Other Revenue Adjustment Report. The notice shall provide the customers with the proposed adjustment and contact information on where the customer can inspect a copy of the filing. If the requested adjustment would generate additional revenue of more than 2 one-half% of Atmos Pipeline - Texas` annual per books revenue for the twelve-month period ending on June 30 of the current year, the notice shall contain a statement that within 20 days of the date of the filing the customer has a right to:</p> <ol style="list-style-type: none"> <li>1. request a copy of the complete filing and the address for making such a request;</li> <li>2. file a reply and the address for filing a reply; and</li> <li>3. request a hearing and the address for making such a request.</li> </ol> <p>If a hearing is requested, the Hearings Division of the Commission shall conduct the hearing, which shall be limited in scope to the sole issue of the reasonableness of any increase greater than 2 one-half% of Atmos Pipeline - Texas` annual per books revenue for the twelve-month period ending on June 30 of the current year, on an expedited basis in order to permit the Commission to approve, adjust or deny the proposed Other Revenue Adjustment on or before November 1 of the current year.</p> <p>The Commission shall have the opportunity to review the Other Revenue Adjustment Report and may submit discovery requests until the 40th day following the filing date of the Other Revenue Adjustment Report. Directly affected customers may also submit discovery requests until that date. The Commission shall approve, adjust or deny the proposed Other Revenue Adjustment on or before November 1 of the current year. Atmos Pipeline - Texas shall have the right to appeal the commission`s decision by filing a Motion for Rehearing with the Commission within 20 days following the issuance of the Commission`s decision.</p> <p>Atmos Pipeline - Texas shall promptly reimburse the Commission for the cost of reviewing each Other Revenue Adjustment Report upon the invoicing of such cost.</p> <p>The Other Revenue Adjustment, as adjusted by the Commission, shall be implemented on November 1 of the current year and shall remain in effect until revised on the following November 1st.</p> <p>This Rider REV will expire with the effective date of rates in the next statement of intent filing by Atmos Pipeline - Texas.</p> |

|                               | RATE PT - PIPELINE TRANSPORTATION                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                      |        |        |          |                                     |                             |                            |                               |                                     |                       |                            |
|                               | <p><b>Applicability</b><br/>                     This rate schedule is applicable to service by the Company under a Transportation Agreement - Pipeline, to a customer directly connected to the Atmos Pipeline-Texas System for the transportation of all natural gas supplied by Customer or Customer's agent for delivery to Customer at one Point of Delivery. Not applicable for service to City Gate Service customers.</p> <p><b>Type of Service</b><br/>                     This service provides interruptible transportation service to end use customers. Where service of the quantity and type desired by Customer is not already available at a Point of Delivery, additional charges and special contract arrangements between Company and Customer may be required prior to service being furnished at such Point of Delivery.</p> <p><b>Monthly Rate</b><br/>                     Customer's monthly bill will be calculated by adding the Monthly Customer and Usage charges to the amounts and quantities due under the Riders listed below. The Monthly Customer Charge each month will be equal to the Capacity Charge, as adjusted, multiplied by the Customer's Maximum Daily Quantity (MDQ) as set forth in the Transportation Agreement between Customer and Company. Total Usage Charges each month will be equal to the Usage Charge multiplied by the volume of gas delivered to Customer by Company during such month:</p> <table border="0" style="width: 100%;"> <thead> <tr> <th style="text-align: left;">Charge</th> <th style="text-align: left;">Amount</th> </tr> </thead> <tbody> <tr> <td>Capacity</td> <td>\$ 2.3061 per MMBtu of MDQ (Note 1)</td> </tr> <tr> <td>Annual Rider REV Adjustment</td> <td>\$ 0.0965 per MMBtu of MDQ</td> </tr> <tr> <td>Interim Rate Adjustment (IRA)</td> <td>\$ 1.4630 per MMBtu of MDQ (Note 2)</td> </tr> <tr> <td>Total Capacity Charge</td> <td>\$ 3.8656 per MMBtu of MDQ</td> </tr> </tbody> </table> <p>Usage                                      \$ 0.0163 per MMBtu</p> <p>Rider RA: Plus a quantity of gas as calculated in accordance with Rider RA.</p> <p>Rider TAX: Plus an amount for tax calculated in accordance with Rider TAX.</p> <p>Rider MF: Plus an amount for municipal fees calculated in accordance with Rider MF.</p> <p>Rider SUR: Plus an amount for surcharges calculated in accordance with Rider SUR.</p> <p>Rider REV: Plus an amount per MMBtu in accordance with Rider REV as an adjustment to the Capacity Charge per MMBtu of MDQ.</p> <p><b>Imbalance Fees</b><br/>                     All fees charged to Customer under this Rate Schedule will be charged based on the quantities determined under the applicable Transportation Agreement and quantities will not be aggregated for any Customer with multiple Transportation Agreements for the purposes of such fees.</p> <p><b>Monthly Imbalance Fees</b><br/>                     Customer shall pay Company the greater of (i) \$0.10 per MMBtu, or (ii) 150% of the difference per MMBtu between the highest and lowest midpoint price for the Katy point listed in Platts Gas Daily in the table entitled Daily Price Survey during such month, for the MMBtu of Customer's monthly Cumulative Imbalance, as defined in the applicable Transportation Agreement, at the end of each month that exceeds 10% of Customer's receipt quantities for the month.</p> <p><b>Curtailement Overpull Fee</b><br/>                     Upon notification by Company of an event of curtailement or interruption of Customer's deliveries, Customer will, for each MMBtu delivered in excess of the stated level of curtailement or interruption, pay Company 200% of the midpoint price for the Katy point listed in Platts Gas Daily published for the applicable Gas Day in the table entitled Daily Price Survey.</p> <p><b>Replacement Index</b><br/>                     In the event the midpoint or common price for the Katy point listed in Platts Gas Daily in the table entitled Daily Price Survey is no longer published, Company will calculate the applicable imbalance fees utilizing a daily price index recognized as authoritative by the natural gas industry and most closely approximating the applicable index.</p> <p><b>MDQ Adjustment</b><br/>                     If a Customer's daily usage on any day exceeds the Customer's MDQ as set forth in the applicable Transportation Agreement by 10% or more, the Customer's MDQ shall be increased to equal such daily usage. The effective date of such increase in the MDQ shall be the first day of the calendar month that begins following the day on which the Customer's daily usage exceeded the Customer's MDQ.</p> <p><b>Agreement</b><br/>                     A transportation agreement is required.</p> <p><b>Notice</b></p> | Charge | Amount | Capacity | \$ 2.3061 per MMBtu of MDQ (Note 1) | Annual Rider REV Adjustment | \$ 0.0965 per MMBtu of MDQ | Interim Rate Adjustment (IRA) | \$ 1.4630 per MMBtu of MDQ (Note 2) | Total Capacity Charge | \$ 3.8656 per MMBtu of MDQ |
| Charge                        | Amount                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                 |        |        |          |                                     |                             |                            |                               |                                     |                       |                            |

Customer must pay Company all costs associated with the acquisition and installation of the meter.</p> <p>Note:<br/>1 The Capacity Charge per MMBtu will be adjusted annually as calculated pursuant to Rider REV.<br/>2 2010 IRA - \$0.2454, 2011 IRA - \$0.2513, 2012 IRA - \$0.3731, 2013 IRA - \$0.5932.</p> <p>Rider MF is applicable to the Entire System pursuant to the Final Order in GUD 10000 dated 04/18/2011.<br/>Effective Date: For Bills Rendered On Or After 04/18/2011</p>                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                           |
| Rider RA a           | <p style="text-align: center;"><b>Rider MF - MUNICIPAL FEE ADJUSTMENT</b></p> <p>Application Applicable to Customers inside the corporate limits of an incorporated municipality that imposes a municipal franchise fee upon Company for the Gas Service provided to Customer.</p> <p>Monthly Adjustment<br/>Company will adjust Customer's bill each month in an amount equal to the municipal fees payable for the Gas Service provided to Customer by Company. Municipal franchise fees are determined by each municipality's ordinance. Each municipality's franchise ordinance will specify the percentage and applicability of municipal fees.</p> <p>From time to time, Company will make further adjustments to Customer's bill to account for any over- or under-recovery of municipal fees by Company.</p>                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                              |
| Rider REV 10295      | <p style="text-align: center;"><b>RIDER RA - RETENTION ADJUSTMENT</b></p> <p>APPLICABLE TO: Rate CGS - Mid-Tex, Rate CGS - Other and Rate PT<br/>EFFECTIVE DATE: 04/18/2011</p> <p>Applicability<br/>This Rider is applicable to Customers taking service under Rate CGS - Mid-Tex, Rate CGS - Other and Rate PT.</p> <p>Monthly Rate<br/>The retention percentage for Rate CGS - Mid-Tex, Rate CGS - Other and Rate PT is 1.00% of the volume of gas received into Atmos Pipeline -Texas' system for the account of a Customer.</p> <p>Rider REV is applicable to the Rate CGS - Mid-Tex, Rate CGS - Other and Rate PT pursuant to the Final Order in GUD 10000 dated 04/18/2011. Rider REV GUD 10000 is renewed as modified and extended under GUD10295 dated 12/18/2013. Effective Date: For Bills Rendered On Or After 12/18/2013</p> <p style="text-align: center;"><b>Rider REV - REVENUE ADJUSTMENT</b></p> <p>Applicability<br/>This Rider will apply to Rate CGS - Mid-Tex, Rider CGS - Other and Rate PT.</p> <p>Adjustment Mechanism<br/>Effective each November 1, rate schedules subject to this Rider will be adjusted based on the change in 1) the level of Other Revenue for the twelve-month period from July 1 of the prior year through June 30 of the current year from 2) the level of Other Revenue credited to the total cost of service in GUD Docket No. 10000.</p> <p>Seventy-five percent of the difference between 1) the level of Other Revenue for the twelve-month period from July 1 of the prior year through June 30 of the current year less revenue related taxes and 2) the level of Other Revenue credited to the total cost of service in GUD Docket No. 10000 less revenue related taxes shall be allocated to the Rate CGS class and the Rate PT class in the same proportion as the Other Revenue was allocated to each class in GUD Docket No. 10000, as determined from the dollar amounts for Other Revenue Credit On Schedule J to the Final Order in GUD 10000, Columns (d) and (e), Line 6 for each class, respectively, as compared to the Total System Other Revenue Credit on Schedule J, Column (c), Line 6. The allocated portion of the difference in Other Revenue for each class shall be divided by the then current MDQ for such class, and that result shall be divided by 12 to calculate a monthly amount. The resulting amount shall be added to or subtracted from the capacity charge for each class.</p> <p>Such adjusted capacity charge will then be adjusted for any Interim Rate Adjustments approved by the Commission after the issuance of the Final Order in GUD Docket No. 10000.</p> <p>Adjustment Review Process</p> |

|                      | <p>No later than August 15th of each year, Atmos Pipeline - Texas shall file with the Commission an Other Revenue Adjustment Report showing the following:</p> <ol style="list-style-type: none"> <li>1. 1. The actual Other Revenue billed by Atmos Pipeline - Texas during the twelve-month period from July 1 of the prior year through June 30 of the current year by FERC Account;</li> <li>2. A listing of the customers in the Other Revenue class by coded reference showing monthly volumes and monthly revenues for each customer;</li> <li>3. The then current contractual MDQ and the MDQ in the prior year`s filing for each customer in each class (CGS and PT);</li> <li>4. The Other Revenue allocation percentages for each class derived from Schedule J;</li> <li>5. The calculations described in the Adjustment Mechanism Section of this Rider REV and supporting schedules;</li> <li>6. A confidential cross reference listing of the Customer codes and names (for Railroad Commission Staff only);</li> <li>7. A statement on whether or not the proposed adjustment would generate additional revenue of more than 2 one-half% of Atmos Pipeline - Texas` annual per books revenue for the twelve-month period ending on June 30 of the current year; and</li> <li>8. Proposed tariffs showing the proposed adjusted rates.</li> </ol> <p>Atmos Pipeline - Texas shall provide notice to all directly affected customers by bill insert or direct mail on the same date as the date of the filing of the Other Revenue Adjustment Report. The notice shall provide the customers with the proposed adjustment and contact information on where the customer can inspect a copy of the filing. If the requested adjustment would generate additional revenue of more than 2 one-half% of Atmos Pipeline - Texas` annual per books revenue for the twelve-month period ending on June 30 of the current year, the notice shall contain a statement that within 20 days of the date of the filing the customer has a right to:</p> <ol style="list-style-type: none"> <li>1. request a copy of the complete filing and the address for making such a request;</li> <li>2. file a reply and the address for filing a reply; and</li> <li>3. request a hearing and the address for making such a request.</li> </ol> <p>If a hearing is requested, the Hearings Division of the Commission shall conduct the hearing, which shall be limited in scope to the sole issue of the reasonableness of any increase greater than 2 one-half% of Atmos Pipeline - Texas` annual per books revenue for the twelve-month period ending on June 30 of the current year, on an expedited basis in order to permit the Commission to approve, adjust or deny the proposed Other Revenue Adjustment on or before November 1 of the current year.</p> <p>The Commission shall have the opportunity to review the Other Revenue Adjustment Report and may submit discovery requests until the 40th day following the filing date of the Other Revenue Adjustment Report. Directly affected customers may also submit discovery requests until that date. The Commission shall approve, adjust or deny the proposed Other Revenue Adjustment on or before November 1 of the current year. Atmos Pipeline - Texas shall have the right to appeal the commission`s decision by filing a Motion for Rehearing with the Commission within 20 days following the issuance of the Commission`s decision.</p> <p>Atmos Pipeline - Texas shall promptly reimburse the Commission for the cost of reviewing each Other Revenue Adjustment Report upon the invoicing of such cost.</p> <p>The Other Revenue Adjustment, as adjusted by the Commission, shall be implemented on November 1 of the current year and shall remain in effect until revised on the following November 1st.</p> <p>This Rider REV will expire with the effective date of rates in the next statement of intent filing by Atmos Pipeline - Texas.</p> |

| Rider MF             | <p>Rider MF is applicable to the Entire System pursuant to the Final Order in GUD 10000 dated 04/18/2011. Effective Date: For Bills Rendered On Or After 04/18/2011</p> <p style="text-align: center;">Rider MF - MUNICIPAL FEE ADJUSTMENT</p> <p>Application Applicable to Customers inside the corporate limits of an incorporated municipality that imposes a municipal franchise fee upon Company for the Gas Service provided to Customer.</p> <p>Monthly Adjustment<br/>Company will adjust Customer's bill each month in an amount equal to the municipal fees payable for the Gas Service provided to Customer by Company. Municipal franchise fees are determined by each municipality's ordinance. Each municipality's franchise ordinance will specify the percentage and applicability of municipal fees.</p> <p>From time to time, Company will make further adjustments to Customer's bill to account for any over- or under-recovery of municipal fees by Company.</p>                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                            |

| Rider REV 10295      | <p>Rider REV is applicable to the Rate CGS - Mid-Tex, Rate CGS - Other and Rate PT pursuant to the Final Order in GUD 10000 dated 04/18/2011. Rider REV GUD 10000 is renewed as modified and extended under GUD10295 dated 12/18/2013. Effective Date: For Bills Rendered On Or After 12/18/2013</p> <p style="text-align: center;">Rider REV - REVENUE ADJUSTMENT</p> <p>Applicability<br/>This Rider will apply to Rate CGS - Mid-Tex, Rider CGS - Other and Rate PT.</p> <p>Adjustment Mechanism</p> <p>Effective each November 1, rate schedules subject to this Rider will be adjusted based on the change in 1) the level of Other Revenue for the twelve-month period from July 1 of the prior year through June 30 of the current year from 2) the level of Other Revenue credited to the total cost of service in GUD Docket No. 10000.</p> <p>Seventy-five percent of the difference between 1) the level of Other Revenue for the twelve-month period from July 1 of the prior year through June 30 of the current year less revenue related taxes and 2) the level of Other Revenue credited to the total cost of service in GUD Docket No. 10000 less revenue related taxes shall be allocated to the Rate CGS class and the Rate PT class in the same proportion as the Other Revenue was allocated to each class in GUD Docket No. 10000, as determined from the dollar amounts for Other Revenue Credit On Schedule J to the Final Order in GUD 10000, Columns (d) and (e), Line 6 for each class, respectively, as compared to the Total System Other Revenue Credit on Schedule J, Column (c), Line 6. The allocated portion of the difference in Other Revenue for each class shall be divided by the then current MDQ for such class, and that result shall be divided by 12 to calculate a monthly amount. The resulting amount shall be added to or subtracted from the capacity charge for each class.</p> <p>Such adjusted capacity charge will then be adjusted for any Interim Rate Adjustments approved by the Commission after the issuance of the Final Order in GUD Docket No. 10000.</p> <p>Adjustment Review Process</p> <p>No later than August 15th of each year, Atmos Pipeline - Texas shall file with the Commission an Other Revenue Adjustment Report showing the following:</p> <ol style="list-style-type: none"> <li>1. 1. The actual Other Revenue billed by Atmos Pipeline - Texas during the twelve-month period from July 1 of the prior year through June 30 of the current year by FERC Account;</li> <li>2. A listing of the customers in the Other Revenue class by coded reference showing monthly volumes and monthly revenues for each customer;</li> </ol> |

|                                   | <p>3. The then current contractual MDQ and the MDQ in the prior year`s filing for each customer in each class (CGS and PT);</p> <p>4. The Other Revenue allocation percentages for each class derived from Schedule J;</p> <p>5. The calculations described in the Adjustment Mechanism Section of this Rider REV and supporting schedules;</p> <p>6. A confidential cross reference listing of the Customer codes and names (for Railroad Commission Staff only);</p> <p>7. A statement on whether or not the proposed adjustment would generate additional revenue of more than 2 one-half% of Atmos Pipeline - Texas` annual per books revenue for the twelve-month period ending on June 30 of the current year; and</p> <p>8. Proposed tariffs showing the proposed adjusted rates.</p> <p>Atmos Pipeline - Texas shall provide notice to all directly affected customers by bill insert or direct mail on the same date as the date of the filing of the Other Revenue Adjustment Report. The notice shall provide the customers with the proposed adjustment and contact information on where the customer can inspect a copy of the filing. If the requested adjustment would generate additional revenue of more than 2 one-half% of Atmos Pipeline - Texas` annual per books revenue for the twelve-month period ending on June 30 of the current year, the notice shall contain a statement that within 20 days of the date of the filing the customer has a right to:</p> <ol style="list-style-type: none"> <li>1. request a copy of the complete filing and the address for making such a request;</li> <li>2. file a reply and the address for filing a reply; and</li> <li>3. request a hearing and the address for making such a request.</li> </ol> <p>If a hearing is requested, the Hearings Division of the Commission shall conduct the hearing, which shall be limited in scope to the sole issue of the reasonableness of any increase greater than 2 one-half% of Atmos Pipeline - Texas` annual per books revenue for the twelve-month period ending on June 30 of the current year, on an expedited basis in order to permit the Commission to approve, adjust or deny the proposed Other Revenue Adjustment on or before November 1 of the current year.</p> <p>The Commission shall have the opportunity to review the Other Revenue Adjustment Report and may submit discovery requests until the 40th day following the filing date of the Other Revenue Adjustment Report. Directly affected customers may also submit discovery requests until that date. The Commission shall approve, adjust or deny the proposed Other Revenue Adjustment on or before November 1 of the current year. Atmos Pipeline - Texas shall have the right to appeal the commission`s decision by filing a Motion for Rehearing with the Commission within 20 days following the issuance of the Commission`s decision.</p> <p>Atmos Pipeline - Texas shall promptly reimburse the Commission for the cost of reviewing each Other Revenue Adjustment Report upon the invoicing of such cost.</p> <p>The Other Revenue Adjustment, as adjusted by the Commission, shall be implemented on November 1 of the current year and shall remain in effect until revised on the following November 1st.</p> <p>This Rider REV will expire with the effective date of rates in the next statement of intent filing by Atmos Pipeline - Texas.</p> |                    |              |                           |             |                                |         |                                   |         |

| Rate PT 10377                 | <p><b>RECEIPT NOMINATION.</b><br/>The daily quantity of gas requested by a Customer to be delivered into the Pipeline System by the Customer as specified in the associated Transportation Agreement between the Customer and Atmos Pipeline-Texas.</p> <p><b>STATE AGENCY.</b><br/>(A) a department, commission, board, office, or other agency that: (i) is in the executive branch of state government; (ii) has authority that is not limited to a geographical portion of the state; and (iii) was created by the Texas Constitution or a statute of this state; (B) a university system or institution of higher education as defined by Section 61.003, Education Code, other than a public junior college; or (C) a river authority created under the Texas Constitution or a statute of this state.</p> <p><b>TRANSPORTATION AGREEMENT.</b><br/>The contract with a customer for transportation service on the Pipeline System. The contract will specify the rate for transportation service and the retention percentage.</p> <p>Rate PT - PIPELINE TRANSPORTATION rate is applicable to the Entire System pursuant to the Final Order in GUD 10377 dated 10/14/2014. Effective Date: 11/01/2014</p> <p style="text-align: center;"><b>RATE PT - PIPELINE TRANSPORTATION</b></p> <p><b>Applicability</b><br/>This rate schedule is applicable to service by the Company under a Transportation Agreement - Pipeline, to a customer directly connected to the Atmos Pipeline-Texas System for the transportation of all natural gas supplied by Customer or Customer's agent for delivery to Customer at one Point of Delivery. Not applicable for service to City Gate Service customers.</p> <p><b>Type of Service</b><br/>This service provides interruptible transportation service to end use customers. Where service of the quantity and type desired by Customer is not already available at a Point of Delivery, additional charges and special contract arrangements between Company and Customer may be required prior to service being furnished at such Point of Delivery.</p> <p><b>Monthly Rate</b><br/>Customer's monthly bill will be calculated by adding the Monthly Customer and Usage charges to the amounts and quantities due under the Riders listed below. The Monthly Customer Charge each month will be equal to the Capacity Charge, as adjusted, multiplied by the Customer's Maximum Daily Quantity (MDQ) as set forth in the Transportation Agreement between Customer and Company. Total Usage Charges each month will be equal to the Usage Charge multiplied by the volume of gas delivered to Customer by Company during such month:</p> <table border="0" style="width: 100%;"> <thead> <tr> <th style="text-align: left;">Charge</th> <th style="text-align: left;">Amount</th> </tr> </thead> <tbody> <tr> <td>Capacity</td> <td>\$ 2.3061 per MMBtu of MDQ (Note 1)</td> </tr> <tr> <td>Annual Rider REV Adjustment</td> <td>\$ 0.0965 per MMBtu of MDQ</td> </tr> <tr> <td>Interim Rate Adjustment (IRA)</td> <td>\$ 1.4630 per MMBtu of MDQ (Note 2)</td> </tr> <tr> <td>Total Capacity Charge</td> <td>\$ 3.8656 per MMBtu of MDQ</td> </tr> <tr> <td><br/>Usage</td> <td><br/>\$ 0.0163 per MMBtu</td> </tr> </tbody> </table> <p>Rider RA: Plus a quantity of gas as calculated in accordance with Rider RA.</p> <p>Rider TAX: Plus an amount for tax calculated in accordance with Rider TAX.</p> <p>Rider MF: Plus an amount for municipal fees calculated in accordance with Rider MF.</p> <p>Rider SUR: Plus an amount for surcharges calculated in accordance with Rider SUR.</p> <p>Rider REV: Plus an amount per MMBtu in accordance with Rider REV as an adjustment to the Capacity Charge per MMBtu of MDQ.</p> <p><b>Imbalance Fees</b><br/>All fees charged to Customer under this Rate Schedule will be charged based on the quantities determined under the applicable Transportation Agreement and quantities will not be aggregated for any Customer with multiple Transportation Agreements for the purposes of such fees.</p> <p><b>Monthly Imbalance Fees</b><br/>Customer shall pay Company the greater of (i) \$0.10 per MMBtu, or (ii) 150% of the difference per MMBtu between the highest and lowest midpoint price for the Katy point listed in Platts Gas Daily in the table entitled Daily Price Survey during such month, for the MMBtu of Customer's monthly Cumulative Imbalance, as defined in the applicable Transportation Agreement, at the end of each month that exceeds 10% of Customer's receipt quantities for the month.</p> <p><b>Curtailed Overpull Fee</b><br/>Upon notification by Company of an event of curtailment or interruption of Customer's deliveries, Customer will, for each MMBtu delivered in excess of the stated level of curtailment or interruption, pay Company 200% of the midpoint price for the Katy point listed</p> | Charge | Amount | Capacity | \$ 2.3061 per MMBtu of MDQ (Note 1) | Annual Rider REV Adjustment | \$ 0.0965 per MMBtu of MDQ | Interim Rate Adjustment (IRA) | \$ 1.4630 per MMBtu of MDQ (Note 2) | Total Capacity Charge | \$ 3.8656 per MMBtu of MDQ | <br>Usage | <br>\$ 0.0163 per MMBtu |
| Charge                        | Amount |----------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
|                      | in Platts Gas Daily published for the applicable Gas Day in the table entitled Daily Price Survey.                                                                                                                                                                                                                                                                                                                      |
|                      | Replacement Index<br>In the event the midpoint or common price for the Katy point listed in Platts Gas Daily in the table entitled Daily Price Survey is no longer published, Company will calculate the applicable imbalance fees utilizing a daily price index recognized as authoritative by the natural gas industry and most closely approximating the applicable index.                                           |
|                      | MDQ Adjustment<br>If a Customer's daily usage on any day exceeds the Customer's MDQ as set forth in the applicable Transportation Agreement by 10% or more, the Customer's MDQ shall be increased to equal such daily usage. The effective date of such increase in the MDQ shall be the first day of the calendar month that begins following the day on which the Customer's daily usage exceeded the Customer's MDQ. |
|                      | Agreement<br>A transportation agreement is required.                                                                                                                                                                                                                                                                                                                                                                    |
|                      | Notice<br>Service hereunder and the rates for service provided are subject to the orders of regulatory bodies having jurisdiction and to the Company's Tariff for Gas Service.                                                                                                                                                                                                                                          |
|                      | Special Conditions<br>In order to receive service under Rate PT, Customer must have the type of meter required by Company. Customer must pay Company all costs associated with the acquisition and installation of the meter.                                                                                                                                                                                           |
|                      | Note:<br>1 The Capacity Charge per MMBtu will be adjusted annually as calculated pursuant to Rider REV.<br>2 2010 IRA - \$0.2454, 2011 IRA - \$0.2513, 2012 IRA - \$0.3731, 2013 IRA - \$0.5932.                                                                                                                                                                                                                        |

| Rider REV 10295      | <p>Rider REV is applicable to the Rate CGS - Mid-Tex, Rate CGS - Other and Rate PT pursuant to the Final Order in GUD 10000 dated 04/18/2011. Rider REV GUD 10000 is renewed as modified and extended under GUD10295 dated 12/18/2013. Effective Date: For Bills Rendered On Or After 12/18/2013</p> <p style="text-align: center;">Rider REV - REVENUE ADJUSTMENT</p> <p>Applicability</p> <p>This Rider will apply to Rate CGS - Mid-Tex, Rider CGS - Other and Rate PT.</p> <p>Adjustment Mechanism</p> <p>Effective each November 1, rate schedules subject to this Rider will be adjusted based on the change in 1) the level of Other Revenue for the twelve-month period from July 1 of the prior year through June 30 of the current year from 2) the level of Other Revenue credited to the total cost of service in GUD Docket No. 10000.</p> <p>Seventy-five percent of the difference between 1) the level of Other Revenue for the twelve-month period from July 1 of the prior year through June 30 of the current year less revenue related taxes and 2) the level of Other Revenue credited to the total cost of service in GUD Docket No. 10000 less revenue related taxes shall be allocated to the Rate CGS class and the Rate PT class in the same proportion as the Other Revenue was allocated to each class in GUD Docket No. 10000, as determined from the dollar amounts for Other Revenue Credit On Schedule J to the Final Order in GUD 10000, Columns (d) and (e), Line 6 for each class, respectively, as compared to the Total System Other Revenue Credit on Schedule J, Column (c), Line 6. The allocated portion of the difference in Other Revenue for each class shall be divided by the then current MDQ for such class, and that result shall be divided by 12 to calculate a monthly amount. The resulting amount shall be added to or subtracted from the capacity charge for each class.</p> <p>Such adjusted capacity charge will then be adjusted for any Interim Rate Adjustments approved by the Commission after the issuance of the Final Order in GUD Docket No. 10000.</p> <p>Adjustment Review Process</p> <p>No later than August 15th of each year, Atmos Pipeline - Texas shall file with the Commission an Other Revenue Adjustment Report showing the following:</p> <ol style="list-style-type: none"> <li>1. 1. The actual Other Revenue billed by Atmos Pipeline - Texas during the twelve-month period from July 1 of the prior year through June 30 of the current year by FERC Account;</li> <li>2. A listing of the customers in the Other Revenue class by coded reference showing monthly volumes and monthly revenues for each customer;</li> <li>3. The then current contractual MDQ and the MDQ in the prior year's filing for each customer in each class (CGS and PT);</li> <li>4. The Other Revenue allocation percentages for each class derived from Schedule J;</li> <li>5. The calculations described in the Adjustment Mechanism Section of this Rider REV and supporting schedules;</li> <li>6. A confidential cross reference listing of the Customer codes and names (for Railroad Commission Staff only);</li> <li>7. A statement on whether or not the proposed adjustment would generate additional revenue of more than 2 one-half% of Atmos Pipeline - Texas' annual per books revenue for the twelve-month period ending on June 30 of the current year; and</li> <li>8. Proposed tariffs showing the proposed adjusted rates.</li> </ol> <p>Atmos Pipeline - Texas shall provide notice to all directly affected customers by bill insert or direct mail on the same date as the date of the filing of the Other Revenue Adjustment Report. The notice shall provide the customers with the proposed adjustment and contact information on where the customer can inspect a copy of the filing. If the requested adjustment would generate additional revenue of more than 2 one-half% of Atmos Pipeline - Texas' annual per books revenue for the twelve-month period ending on June 30 of the current year, the notice shall contain a statement that within 20 days of the date of the filing the customer has a right to:</p> <ol style="list-style-type: none"> <li>1. request a copy of the complete filing and the address for making such a request;</li> <li>2. file a reply and the address for filing a reply; and</li> <li>3. request a hearing and the address for making such a request.</li> </ol> <p>If a hearing is requested, the Hearings Division of the Commission shall conduct the hearing, which shall be limited in scope to the sole issue of the reasonableness of any increase greater than 2 one-half% of Atmos Pipeline - Texas' annual per books revenue for the</p> |

|                               | <p><b>GAS SERVICE.</b><br/>The transportation of natural gas by Company for Customer.</p> <p><b>INDUSTRIAL CUSTOMER.</b><br/>A customer who has a North American Industry Classification System Code beginning with 21, 22 (electric generation only), 31, 32, or 33.</p> <p><b>MAKE-UP VOLUMES.</b><br/>The quantity of gas specifically and separately nominated by customer and confirmed by Company to resolve, either in whole or in part, any imbalance under Rate CGS - Mid-Tex, Rate CGS - Other, or Rate</p> <p><b>PT. METER.</b><br/>A device, or devices, together with any required auxiliary equipment, for measuring Gas Service.</p> <p><b>PIPELINE SYSTEM.</b><br/>The Atmos Pipeline-Texas pipeline transmission system in the state of Texas including storage facilities. The Pipeline System is upstream from city gates and receives gas from various supply sources for delivery to city gates and end use customers.</p> <p><b>POINT OF DELIVERY.</b><br/>Point at which natural gas leaves the Company's facilities. At Company's option, locations where the gas installation has multiple connections to Company's facilities may be considered one point of delivery for billing purposes.</p> <p><b>RATE SCHEDULE.</b><br/>A statement of the method of determining charges for Gas Service, including the conditions under which such method applies.</p> <p><b>RECEIPT NOMINATION.</b><br/>The daily quantity of gas requested by a Customer to be delivered into the Pipeline System by the Customer as specified in the associated Transportation Agreement between the Customer and Atmos Pipeline-Texas.</p> <p><b>STATE AGENCY.</b><br/>(A) a department, commission, board, office, or other agency that: (i) is in the executive branch of state government; (ii) has authority that is not limited to a geographical portion of the state; and (iii) was created by the Texas Constitution or a statute of this state; (B) a university system or institution of higher education as defined by Section 61.003, Education Code, other than a public junior college; or (C) a river authority created under the Texas Constitution or a statute of this state.</p> <p><b>TRANSPORTATION AGREEMENT.</b><br/>The contract with a customer for transportation service on the Pipeline System. The contract will specify the rate for transportation service and the retention percentage.</p> |        |        |          |                                     |                             |                            |                               |                                     |                       |                            |       |                     |
| Rate PT 10377                 | <p>Rate PT - PIPELINE TRANSPORTATION rate is applicable to the Entire System pursuant to the Final Order in GUD 10377 dated 10/14/2014. Effective Date: 11/01/2014</p> <p style="text-align: center;"><b>RATE PT - PIPELINE TRANSPORTATION</b></p> <p><b>Applicability</b><br/>This rate schedule is applicable to service by the Company under a Transportation Agreement - Pipeline, to a customer directly connected to the Atmos Pipeline-Texas System for the transportation of all natural gas supplied by Customer or Customer's agent for delivery to Customer at one Point of Delivery. Not applicable for service to City Gate Service customers.</p> <p><b>Type of Service</b><br/>This service provides interruptible transportation service to end use customers. Where service of the quantity and type desired by Customer is not already available at a Point of Delivery, additional charges and special contract arrangements between Company and Customer may be required prior to service being furnished at such Point of Delivery.</p> <p><b>Monthly Rate</b><br/>Customer's monthly bill will be calculated by adding the Monthly Customer and Usage charges to the amounts and quantities due under the Riders listed below. The Monthly Customer Charge each month will be equal to the Capacity Charge, as adjusted, multiplied by the Customer's Maximum Daily Quantity (MDQ) as set forth in the Transportation Agreement between Customer and Company. Total Usage Charges each month will be equal to the Usage Charge multiplied by the volume of gas delivered to Customer by Company during such month:</p> <table border="0" style="width: 100%;"> <thead> <tr> <th style="text-align: left;">Charge</th> <th style="text-align: left;">Amount</th> </tr> </thead> <tbody> <tr> <td>Capacity</td> <td>\$ 2.3061 per MMBtu of MDQ (Note 1)</td> </tr> <tr> <td>Annual Rider REV Adjustment</td> <td>\$ 0.0965 per MMBtu of MDQ</td> </tr> <tr> <td>Interim Rate Adjustment (IRA)</td> <td>\$ 1.4630 per MMBtu of MDQ (Note 2)</td> </tr> <tr> <td>Total Capacity Charge</td> <td>\$ 3.8656 per MMBtu of MDQ</td> </tr> <tr> <td>Usage</td> <td>\$ 0.0163 per MMBtu</td> </tr> </tbody> </table>                                                                                                                                                                                                | Charge | Amount | Capacity | \$ 2.3061 per MMBtu of MDQ (Note 1) | Annual Rider REV Adjustment | \$ 0.0965 per MMBtu of MDQ | Interim Rate Adjustment (IRA) | \$ 1.4630 per MMBtu of MDQ (Note 2) | Total Capacity Charge | \$ 3.8656 per MMBtu of MDQ | Usage | \$ 0.0163 per MMBtu |

|                      | Rider SUR: Plus an amount for surcharges calculated in accordance with Rider SUR.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                       |
|                      | Rider REV: Plus an amount per MMBtu in accordance with Rider REV as an adjustment to the Capacity Charge per MMBtu of MDQ.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                              |
|                      | <p><b>Imbalance Fees</b><br/>                     All fees charged to Customer under this Rate Schedule will be charged based on the quantities determined under the applicable Transportation Agreement and quantities will not be aggregated for any Customer with multiple Transportation Agreements for the purposes of such fees.</p> <p><b>Monthly Imbalance Fees</b><br/>                     Customer shall pay Company the greater of (i) \$0.10 per MMBtu, or (ii) 150% of the difference per MMBtu between the highest and lowest midpoint price for the Katy point listed in Platts Gas Daily in the table entitled Daily Price Survey during such month, for the MMBtu of Customer's monthly Cumulative Imbalance, as defined in the applicable Transportation Agreement, at the end of each month that exceeds 10% of Customer's receipt quantities for the month.</p> <p><b>Curtailment Overpull Fee</b><br/>                     Upon notification by Company of an event of curtailment or interruption of Customer's deliveries, Customer will, for each MMBtu delivered in excess of the stated level of curtailment or interruption, pay Company 200% of the midpoint price for the Katy point listed in Platts Gas Daily published for the applicable Gas Day in the table entitled Daily Price Survey.</p> <p><b>Replacement Index</b><br/>                     In the event the midpoint or common price for the Katy point listed in Platts Gas Daily in the table entitled Daily Price Survey is no longer published, Company will calculate the applicable imbalance fees utilizing a daily price index recognized as authoritative by the natural gas industry and most closely approximating the applicable index.</p> <p><b>MDQ Adjustment</b><br/>                     If a Customer's daily usage on any day exceeds the Customer's MDQ as set forth in the applicable Transportation Agreement by 10% or more, the Customer's MDQ shall be increased to equal such daily usage. The effective date of such increase in the MDQ shall be the first day of the calendar month that begins following the day on which the Customer's daily usage exceeded the Customer's MDQ.</p> <p><b>Agreement</b><br/>                     A transportation agreement is required.</p> <p><b>Notice</b><br/>                     Service hereunder and the rates for service provided are subject to the orders of regulatory bodies having jurisdiction and to the Company's Tariff for Gas Service.</p> <p><b>Special Conditions</b><br/>                     In order to receive service under Rate PT, Customer must have the type of meter required by Company. Customer must pay Company all costs associated with the acquisition and installation of the meter.</p> <p><b>Note:</b><br/>                     1 The Capacity Charge per MMBtu will be adjusted annually as calculated pursuant to Rider REV.<br/>                     2 2010 IRA - \$0.2454, 2011 IRA - \$0.2513, 2012 IRA - \$0.3731, 2013 IRA - \$0.5932.</p> |
| Rider MF             | <p>Rider MF is applicable to the Entire System pursuant to the Final Order in GUD 10000 dated 04/18/2011.<br/>                     Effective Date: For Bills Rendered On Or After 04/18/2011</p> <p style="text-align: center;"><b>Rider MF - MUNICIPAL FEE ADJUSTMENT</b></p> <p>Application Applicable to Customers inside the corporate limits of an incorporated municipality that imposes a municipal franchise fee upon Company for the Gas Service provided to Customer.</p> <p><b>Monthly Adjustment</b><br/>                     Company will adjust Customer's bill each month in an amount equal to the municipal fees payable for the Gas Service provided to Customer by Company. Municipal franchise fees are determined by each municipality's ordinance. Each municipality's franchise ordinance will specify the percentage and applicability of municipal fees.</p> <p>From time to time, Company will make further adjustments to Customer's bill to account for any over- or under-recovery of municipal fees by Company.</p>                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                       |
| Rider RA a           | <b>RIDER RA - RETENTION ADJUSTMENT</b>                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                  |

|                               | <p><b>Applicability</b><br/>This rate schedule is applicable to service by the Company under a Transportation Agreement - Pipeline, to a customer directly connected to the Atmos Pipeline-Texas System for the transportation of all natural gas supplied by Customer or Customer's agent for delivery to Customer at one Point of Delivery. Not applicable for service to City Gate Service customers.</p> <p><b>Type of Service</b><br/>This service provides interruptible transportation service to end use customers. Where service of the quantity and type desired by Customer is not already available at a Point of Delivery, additional charges and special contract arrangements between Company and Customer may be required prior to service being furnished at such Point of Delivery.</p> <p><b>Monthly Rate</b><br/>Customer's monthly bill will be calculated by adding the Monthly Customer and Usage charges to the amounts and quantities due under the Riders listed below. The Monthly Customer Charge each month will be equal to the Capacity Charge, as adjusted, multiplied by the Customer's Maximum Daily Quantity (MDQ) as set forth in the Transportation Agreement between Customer and Company. Total Usage Charges each month will be equal to the Usage Charge multiplied by the volume of gas delivered to Customer by Company during such month:</p> <table border="0" style="width: 100%;"> <thead> <tr> <th style="text-align: left;">Charge</th> <th style="text-align: left;">Amount</th> </tr> </thead> <tbody> <tr> <td>Capacity</td> <td>\$ 2.3061 per MMBtu of MDQ (Note 1)</td> </tr> <tr> <td>Annual Rider REV Adjustment</td> <td>\$ 0.0965 per MMBtu of MDQ</td> </tr> <tr> <td>Interim Rate Adjustment (IRA)</td> <td>\$ 1.4630 per MMBtu of MDQ (Note 2)</td> </tr> <tr> <td>Total Capacity Charge</td> <td>\$ 3.8656 per MMBtu of MDQ</td> </tr> <tr> <td>Usage</td> <td>\$ 0.0163 per MMBtu</td> </tr> </tbody> </table> <p>Rider RA: Plus a quantity of gas as calculated in accordance with Rider RA.</p> <p>Rider TAX: Plus an amount for tax calculated in accordance with Rider TAX.</p> <p>Rider MF: Plus an amount for municipal fees calculated in accordance with Rider MF.</p> <p>Rider SUR: Plus an amount for surcharges calculated in accordance with Rider SUR.</p> <p>Rider REV: Plus an amount per MMBtu in accordance with Rider REV as an adjustment to the Capacity Charge per MMBtu of MDQ.</p> <p><b>Imbalance Fees</b><br/>All fees charged to Customer under this Rate Schedule will be charged based on the quantities determined under the applicable Transportation Agreement and quantities will not be aggregated for any Customer with multiple Transportation Agreements for the purposes of such fees.</p> <p><b>Monthly Imbalance Fees</b><br/>Customer shall pay Company the greater of (i) \$0.10 per MMBtu, or (ii) 150% of the difference per MMBtu between the highest and lowest midpoint price for the Katy point listed in Platts Gas Daily in the table entitled Daily Price Survey during such month, for the MMBtu of Customer's monthly Cumulative Imbalance, as defined in the applicable Transportation Agreement, at the end of each month that exceeds 10% of Customer's receipt quantities for the month.</p> <p><b>Curtailement Overpull Fee</b><br/>Upon notification by Company of an event of curtailement or interruption of Customer's deliveries, Customer will, for each MMBtu delivered in excess of the stated level of curtailement or interruption, pay Company 200% of the midpoint price for the Katy point listed in Platts Gas Daily published for the applicable Gas Day in the table entitled Daily Price Survey.</p> <p><b>Replacement Index</b><br/>In the event the midpoint or common price for the Katy point listed in Platts Gas Daily in the table entitled Daily Price Survey is no longer published, Company will calculate the applicable imbalance fees utilizing a daily price index recognized as authoritative by the natural gas industry and most closely approximating the applicable index.</p> <p><b>MDQ Adjustment</b><br/>If a Customer's daily usage on any day exceeds the Customer's MDQ as set forth in the applicable Transportation Agreement by 10% or more, the Customer's MDQ shall be increased to equal such daily usage. The effective date of such increase in the MDQ shall be the first day of the calendar month that begins following the day on which the Customer's daily usage exceeded the Customer's MDQ.</p> <p><b>Agreement</b><br/>A transportation agreement is required.</p> <p><b>Notice</b></p> | Charge | Amount | Capacity | \$ 2.3061 per MMBtu of MDQ (Note 1) | Annual Rider REV Adjustment | \$ 0.0965 per MMBtu of MDQ | Interim Rate Adjustment (IRA) | \$ 1.4630 per MMBtu of MDQ (Note 2) | Total Capacity Charge | \$ 3.8656 per MMBtu of MDQ | Usage | \$ 0.0163 per MMBtu |
| Charge                        | Amount                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                     |        |        |          |                                     |                             |                            |                               |                                     |                       |                            |       |                     |

Customer must pay Company all costs associated with the acquisition and installation of the meter.</p> <p>Note:<br/>1 The Capacity Charge per MMBtu will be adjusted annually as calculated pursuant to Rider REV.<br/>2 2010 IRA - \$0.2454, 2011 IRA - \$0.2513, 2012 IRA - \$0.3731, 2013 IRA - \$0.5932.</p> <p>Rider MF is applicable to the Entire System pursuant to the Final Order in GUD 10000 dated 04/18/2011.<br/>Effective Date: For Bills Rendered On Or After 04/18/2011</p> <p style="text-align: center;">Rider MF - MUNICIPAL FEE ADJUSTMENT</p>                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                   |
| Rider RA a           | <p>Application Applicable to Customers inside the corporate limits of an incorporated municipality that imposes a municipal franchise fee upon Company for the Gas Service provided to Customer.</p> <p>Monthly Adjustment<br/>Company will adjust Customer's bill each month in an amount equal to the municipal fees payable for the Gas Service provided to Customer by Company. Municipal franchise fees are determined by each municipality's ordinance. Each municipality's franchise ordinance will specify the percentage and applicability of municipal fees.</p> <p>From time to time, Company will make further adjustments to Customer's bill to account for any over- or under-recovery of municipal fees by Company.</p> <p style="text-align: center;">RIDER RA - RETENTION ADJUSTMENT</p>                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                        |
| Rider REV 10295      | <p>APPLICABLE TO: Rate CGS - Mid-Tex, Rate CGS - Other and Rate PT<br/>EFFECTIVE DATE: 04/18/2011</p> <p>Applicability<br/>This Rider is applicable to Customers taking service under Rate CGS - Mid-Tex, Rate CGS - Other and Rate PT.</p> <p>Monthly Rate<br/>The retention percentage for Rate CGS - Mid-Tex, Rate CGS - Other and Rate PT is 1.00% of the volume of gas received into Atmos Pipeline -Texas' system for the account of a Customer.</p> <p>Rider REV is applicable to the Rate CGS - Mid-Tex, Rate CGS - Other and Rate PT pursuant to the Final Order in GUD 10000 dated 04/18/2011. Rider REV GUD 10000 is renewed as modified and extended under GUD10295 dated 12/18/2013. Effective Date: For Bills Rendered On Or After 12/18/2013</p> <p style="text-align: center;">Rider REV - REVENUE ADJUSTMENT</p> <p>Applicability<br/>This Rider will apply to Rate CGS - Mid-Tex, Rider CGS - Other and Rate PT.</p> <p>Adjustment Mechanism<br/>Effective each November 1, rate schedules subject to this Rider will be adjusted based on the change in 1) the level of Other Revenue for the twelve-month period from July 1 of the prior year through June 30 of the current year from 2) the level of Other Revenue credited to the total cost of service in GUD Docket No. 10000.</p> <p>Seventy-five percent of the difference between 1) the level of Other Revenue for the twelve-month period from July 1 of the prior year through June 30 of the current year less revenue related taxes and 2) the level of Other Revenue credited to the total cost of service in GUD Docket No. 10000 less revenue related taxes shall be allocated to the Rate CGS class and the Rate PT class in the same proportion as the Other Revenue was allocated to each class in GUD Docket No. 10000, as determined from the dollar amounts for Other Revenue Credit On Schedule J to the Final Order in GUD 10000. Columns (d) and (e), Line 6 for each class, respectively, as compared to the Total System Other Revenue Credit on Schedule J, Column (c), Line 6. The allocated portion of the difference in Other Revenue for each class shall be divided by the then current MDQ for such class, and that result shall be divided by 12 to calculate a monthly amount. The resulting amount shall be added to or subtracted from the capacity charge for each class.</p> <p>Such adjusted capacity charge will then be adjusted for any Interim Rate Adjustments approved by the Commission after the issuance of the Final Order in GUD Docket No. 10000.</p> <p>Adjustment Review Process</p> |

|                      | <p>No later than August 15th of each year, Atmos Pipeline - Texas shall file with the Commission an Other Revenue Adjustment Report showing the following:</p> <ol style="list-style-type: none"> <li>1. 1. The actual Other Revenue billed by Atmos Pipeline - Texas during the twelve-month period from July 1 of the prior year through June 30 of the current year by FERC Account;</li> <li>2. A listing of the customers in the Other Revenue class by coded reference showing monthly volumes and monthly revenues for each customer;</li> <li>3. The then current contractual MDQ and the MDQ in the prior year`s filing for each customer in each class (CGS and PT);</li> <li>4. The Other Revenue allocation percentages for each class derived from Schedule J;</li> <li>5. The calculations described in the Adjustment Mechanism Section of this Rider REV and supporting schedules;</li> <li>6. A confidential cross reference listing of the Customer codes and names (for Railroad Commission Staff only);</li> <li>7. A statement on whether or not the proposed adjustment would generate additional revenue of more than 2 one-half% of Atmos Pipeline - Texas` annual per books revenue for the twelve-month period ending on June 30 of the current year; and</li> <li>8. Proposed tariffs showing the proposed adjusted rates.</li> </ol> <p>Atmos Pipeline - Texas shall provide notice to all directly affected customers by bill insert or direct mail on the same date as the date of the filing of the Other Revenue Adjustment Report. The notice shall provide the customers with the proposed adjustment and contact information on where the customer can inspect a copy of the filing. If the requested adjustment would generate additional revenue of more than 2 one-half% of Atmos Pipeline - Texas` annual per books revenue for the twelve-month period ending on June 30 of the current year, the notice shall contain a statement that within 20 days of the date of the filing the customer has a right to:</p> <ol style="list-style-type: none"> <li>1. request a copy of the complete filing and the address for making such a request;</li> <li>2. file a reply and the address for filing a reply; and</li> <li>3. request a hearing and the address for making such a request.</li> </ol> <p>If a hearing is requested, the Hearings Division of the Commission shall conduct the hearing, which shall be limited in scope to the sole issue of the reasonableness of any increase greater than 2 one-half% of Atmos Pipeline - Texas` annual per books revenue for the twelve-month period ending on June 30 of the current year, on an expedited basis in order to permit the Commission to approve, adjust or deny the proposed Other Revenue Adjustment on or before November 1 of the current year.</p> <p>The Commission shall have the opportunity to review the Other Revenue Adjustment Report and may submit discovery requests until the 40th day following the filing date of the Other Revenue Adjustment Report. Directly affected customers may also submit discovery requests until that date. The Commission shall approve, adjust or deny the proposed Other Revenue Adjustment on or before November 1 of the current year. Atmos Pipeline - Texas shall have the right to appeal the commission`s decision by filing a Motion for Rehearing with the Commission within 20 days following the issuance of the Commission`s decision.</p> <p>Atmos Pipeline - Texas shall promptly reimburse the Commission for the cost of reviewing each Other Revenue Adjustment Report upon the invoicing of such cost.</p> <p>The Other Revenue Adjustment, as adjusted by the Commission, shall be implemented on November 1 of the current year and shall remain in effect until revised on the following November 1st.</p> <p>This Rider REV will expire with the effective date of rates in the next statement of intent filing by Atmos Pipeline - Texas.</p> |

|                               | <p><u>Applicability</u><br/>This rate schedule is applicable to service by the Company under a Transportation Agreement - Pipeline, to a customer directly connected to the Atmos Pipeline-Texas System for the transportation of all natural gas supplied by Customer or Customer's agent for delivery to Customer at one Point of Delivery. Not applicable for service to City Gate Service customers.</p> <p><u>Type of Service</u><br/>This service provides interruptible transportation service to end use customers. Where service of the quantity and type desired by Customer is not already available at a Point of Delivery, additional charges and special contract arrangements between Company and Customer may be required prior to service being furnished at such Point of Delivery.</p> <p><u>Monthly Rate</u><br/>Customer's monthly bill will be calculated by adding the Monthly Customer and Usage charges to the amounts and quantities due under the Riders listed below. The Monthly Customer Charge each month will be equal to the Capacity Charge, as adjusted, multiplied by the Customer's Maximum Daily Quantity (MDQ) as set forth in the Transportation Agreement between Customer and Company. Total Usage Charges each month will be equal to the Usage Charge multiplied by the volume of gas delivered to Customer by Company during such month:</p> <table border="0" style="width: 100%;"> <thead> <tr> <th style="text-align: left;">Charge</th> <th style="text-align: left;">Amount</th> </tr> </thead> <tbody> <tr> <td>Capacity</td> <td>\$ 2.3061 per MMBtu of MDQ (Note 1)</td> </tr> <tr> <td>Annual Rider REV Adjustment</td> <td>\$ 0.0965 per MMBtu of MDQ</td> </tr> <tr> <td>Interim Rate Adjustment (IRA)</td> <td>\$ 1.4630 per MMBtu of MDQ (Note 2)</td> </tr> <tr> <td>Total Capacity Charge</td> <td>\$ 3.8656 per MMBtu of MDQ</td> </tr> </tbody> </table> <p>Usage                                    \$ 0.0163 per MMBtu</p> <p>Rider RA: Plus a quantity of gas as calculated in accordance with Rider RA.</p> <p>Rider TAX: Plus an amount for tax calculated in accordance with Rider TAX.</p> <p>Rider MF: Plus an amount for municipal fees calculated in accordance with Rider MF.</p> <p>Rider SUR: Plus an amount for surcharges calculated in accordance with Rider SUR.</p> <p>Rider REV: Plus an amount per MMBtu in accordance with Rider REV as an adjustment to the Capacity Charge per MMBtu of MDQ.</p> <p><u>Imbalance Fees</u><br/>All fees charged to Customer under this Rate Schedule will be charged based on the quantities determined under the applicable Transportation Agreement and quantities will not be aggregated for any Customer with multiple Transportation Agreements for the purposes of such fees.</p> <p><u>Monthly Imbalance Fees</u><br/>Customer shall pay Company the greater of (i) \$0.10 per MMBtu, or (ii) 150% of the difference per MMBtu between the highest and lowest midpoint price for the Katy point listed in Platts Gas Daily in the table entitled Daily Price Survey during such month, for the MMBtu of Customer's monthly Cumulative Imbalance, as defined in the applicable Transportation Agreement, at the end of each month that exceeds 10% of Customer's receipt quantities for the month.</p> <p><u>Curtailement Overpull Fee</u><br/>Upon notification by Company of an event of curtailement or interruption of Customer's deliveries, Customer will, for each MMBtu delivered in excess of the stated level of curtailement or interruption, pay Company 200% of the midpoint price for the Katy point listed in Platts Gas Daily published for the applicable Gas Day in the table entitled Daily Price Survey.</p> <p><u>Replacement Index</u><br/>In the event the midpoint or common price for the Katy point listed in Platts Gas Daily in the table entitled Daily Price Survey is no longer published, Company will calculate the applicable imbalance fees utilizing a daily price index recognized as authoritative by the natural gas industry and most closely approximating the applicable index.</p> <p><u>MDQ Adjustment</u><br/>If a Customer's daily usage on any day exceeds the Customer's MDQ as set forth in the applicable Transportation Agreement by 10% or more, the Customer's MDQ shall be increased to equal such daily usage. The effective date of such increase in the MDQ shall be the first day of the calendar month that begins following the day on which the Customer's daily usage exceeded the Customer's MDQ.</p> <p><u>Agreement</u><br/>A transportation agreement is required.</p> <p><u>Notice</u></p> | Charge | Amount | Capacity | \$ 2.3061 per MMBtu of MDQ (Note 1) | Annual Rider REV Adjustment | \$ 0.0965 per MMBtu of MDQ | Interim Rate Adjustment (IRA) | \$ 1.4630 per MMBtu of MDQ (Note 2) | Total Capacity Charge | \$ 3.8656 per MMBtu of MDQ |
| Charge                        | Amount                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                  |        |        |          |                                     |                             |                            |                               |                                     |                       |                            |

Customer must pay Company all costs associated with the acquisition and installation of the meter.</p> <p>Note:<br/>1 The Capacity Charge per MMBtu will be adjusted annually as calculated pursuant to Rider REV.<br/>2 2010 IRA - \$0.2454, 2011 IRA - \$0.2513, 2012 IRA - \$0.3731, 2013 IRA - \$0.5932.</p> <p>Rider MF is applicable to the Entire System pursuant to the Final Order in GUD 10000 dated 04/18/2011.<br/>Effective Date: For Bills Rendered On Or After 04/18/2011</p> <p style="text-align: center;">Rider MF - MUNICIPAL FEE ADJUSTMENT</p>                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                   |
| Rider RA a           | <p>Application Applicable to Customers inside the corporate limits of an incorporated municipality that imposes a municipal franchise fee upon Company for the Gas Service provided to Customer.</p> <p>Monthly Adjustment<br/>Company will adjust Customer's bill each month in an amount equal to the municipal fees payable for the Gas Service provided to Customer by Company. Municipal franchise fees are determined by each municipality's ordinance. Each municipality's franchise ordinance will specify the percentage and applicability of municipal fees.</p> <p>From time to time, Company will make further adjustments to Customer's bill to account for any over- or under-recovery of municipal fees by Company.</p> <p style="text-align: center;">RIDER RA - RETENTION ADJUSTMENT</p>                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                        |
| Rider REV 10295      | <p>APPLICABLE TO: Rate CGS - Mid-Tex, Rate CGS - Other and Rate PT<br/>EFFECTIVE DATE: 04/18/2011</p> <p>Applicability<br/>This Rider is applicable to Customers taking service under Rate CGS - Mid-Tex, Rate CGS - Other and Rate PT.</p> <p>Monthly Rate<br/>The retention percentage for Rate CGS - Mid-Tex, Rate CGS - Other and Rate PT is 1.00% of the volume of gas received into Atmos Pipeline -Texas' system for the account of a Customer.</p> <p>Rider REV is applicable to the Rate CGS - Mid-Tex, Rate CGS - Other and Rate PT pursuant to the Final Order in GUD 10000 dated 04/18/2011. Rider REV GUD 10000 is renewed as modified and extended under GUD10295 dated 12/18/2013. Effective Date: For Bills Rendered On Or After 12/18/2013</p> <p style="text-align: center;">Rider REV - REVENUE ADJUSTMENT</p> <p>Applicability<br/>This Rider will apply to Rate CGS - Mid-Tex, Rider CGS - Other and Rate PT.</p> <p>Adjustment Mechanism<br/>Effective each November 1, rate schedules subject to this Rider will be adjusted based on the change in 1) the level of Other Revenue for the twelve-month period from July 1 of the prior year through June 30 of the current year from 2) the level of Other Revenue credited to the total cost of service in GUD Docket No. 10000.</p> <p>Seventy-five percent of the difference between 1) the level of Other Revenue for the twelve-month period from July 1 of the prior year through June 30 of the current year less revenue related taxes and 2) the level of Other Revenue credited to the total cost of service in GUD Docket No. 10000 less revenue related taxes shall be allocated to the Rate CGS class and the Rate PT class in the same proportion as the Other Revenue was allocated to each class in GUD Docket No. 10000, as determined from the dollar amounts for Other Revenue Credit On Schedule J to the Final Order in GUD 10000. Columns (d) and (e), Line 6 for each class, respectively, as compared to the Total System Other Revenue Credit on Schedule J, Column (c), Line 6. The allocated portion of the difference in Other Revenue for each class shall be divided by the then current MDQ for such class, and that result shall be divided by 12 to calculate a monthly amount. The resulting amount shall be added to or subtracted from the capacity charge for each class.</p> <p>Such adjusted capacity charge will then be adjusted for any Interim Rate Adjustments approved by the Commission after the issuance of the Final Order in GUD Docket No. 10000.</p> <p>Adjustment Review Process</p> |

|                      | <p>No later than August 15th of each year, Atmos Pipeline - Texas shall file with the Commission an Other Revenue Adjustment Report showing the following:</p> <ol style="list-style-type: none"> <li>1. 1. The actual Other Revenue billed by Atmos Pipeline - Texas during the twelve-month period from July 1 of the prior year through June 30 of the current year by FERC Account;</li> <li>2. A listing of the customers in the Other Revenue class by coded reference showing monthly volumes and monthly revenues for each customer;</li> <li>3. The then current contractual MDQ and the MDQ in the prior year`s filing for each customer in each class (CGS and PT);</li> <li>4. The Other Revenue allocation percentages for each class derived from Schedule J;</li> <li>5. The calculations described in the Adjustment Mechanism Section of this Rider REV and supporting schedules;</li> <li>6. A confidential cross reference listing of the Customer codes and names (for Railroad Commission Staff only);</li> <li>7. A statement on whether or not the proposed adjustment would generate additional revenue of more than 2 one-half% of Atmos Pipeline - Texas` annual per books revenue for the twelve-month period ending on June 30 of the current year; and</li> <li>8. Proposed tariffs showing the proposed adjusted rates.</li> </ol> <p>Atmos Pipeline - Texas shall provide notice to all directly affected customers by bill insert or direct mail on the same date as the date of the filing of the Other Revenue Adjustment Report. The notice shall provide the customers with the proposed adjustment and contact information on where the customer can inspect a copy of the filing. If the requested adjustment would generate additional revenue of more than 2 one-half% of Atmos Pipeline - Texas` annual per books revenue for the twelve-month period ending on June 30 of the current year, the notice shall contain a statement that within 20 days of the date of the filing the customer has a right to:</p> <ol style="list-style-type: none"> <li>1. request a copy of the complete filing and the address for making such a request;</li> <li>2. file a reply and the address for filing a reply; and</li> <li>3. request a hearing and the address for making such a request.</li> </ol> <p>If a hearing is requested, the Hearings Division of the Commission shall conduct the hearing, which shall be limited in scope to the sole issue of the reasonableness of any increase greater than 2 one-half% of Atmos Pipeline - Texas` annual per books revenue for the twelve-month period ending on June 30 of the current year, on an expedited basis in order to permit the Commission to approve, adjust or deny the proposed Other Revenue Adjustment on or before November 1 of the current year.</p> <p>The Commission shall have the opportunity to review the Other Revenue Adjustment Report and may submit discovery requests until the 40th day following the filing date of the Other Revenue Adjustment Report. Directly affected customers may also submit discovery requests until that date. The Commission shall approve, adjust or deny the proposed Other Revenue Adjustment on or before November 1 of the current year. Atmos Pipeline - Texas shall have the right to appeal the commission`s decision by filing a Motion for Rehearing with the Commission within 20 days following the issuance of the Commission`s decision.</p> <p>Atmos Pipeline - Texas shall promptly reimburse the Commission for the cost of reviewing each Other Revenue Adjustment Report upon the invoicing of such cost.</p> <p>The Other Revenue Adjustment, as adjusted by the Commission, shall be implemented on November 1 of the current year and shall remain in effect until revised on the following November 1st.</p> <p>This Rider REV will expire with the effective date of rates in the next statement of intent filing by Atmos Pipeline - Texas.</p> |

|                               | <p><b>Applicability</b><br/>This rate schedule is applicable to service by the Company under a Transportation Agreement - Pipeline, to a customer directly connected to the Atmos Pipeline-Texas System for the transportation of all natural gas supplied by Customer or Customer's agent for delivery to Customer at one Point of Delivery. Not applicable for service to City Gate Service customers.</p> <p><b>Type of Service</b><br/>This service provides interruptible transportation service to end use customers. Where service of the quantity and type desired by Customer is not already available at a Point of Delivery, additional charges and special contract arrangements between Company and Customer may be required prior to service being furnished at such Point of Delivery.</p> <p><b>Monthly Rate</b><br/>Customer's monthly bill will be calculated by adding the Monthly Customer and Usage charges to the amounts and quantities due under the Riders listed below. The Monthly Customer Charge each month will be equal to the Capacity Charge, as adjusted, multiplied by the Customer's Maximum Daily Quantity (MDQ) as set forth in the Transportation Agreement between Customer and Company. Total Usage Charges each month will be equal to the Usage Charge multiplied by the volume of gas delivered to Customer by Company during such month:</p> <table border="0" style="width: 100%;"> <thead> <tr> <th style="text-align: left;">Charge</th> <th style="text-align: left;">Amount</th> </tr> </thead> <tbody> <tr> <td>Capacity</td> <td>\$ 2.3061 per MMBtu of MDQ (Note 1)</td> </tr> <tr> <td>Annual Rider REV Adjustment</td> <td>\$ 0.0965 per MMBtu of MDQ</td> </tr> <tr> <td>Interim Rate Adjustment (IRA)</td> <td>\$ 1.4630 per MMBtu of MDQ (Note 2)</td> </tr> <tr> <td>Total Capacity Charge</td> <td>\$ 3.8656 per MMBtu of MDQ</td> </tr> <tr> <td>Usage</td> <td>\$ 0.0163 per MMBtu</td> </tr> </tbody> </table> <p>Rider RA: Plus a quantity of gas as calculated in accordance with Rider RA.</p> <p>Rider TAX: Plus an amount for tax calculated in accordance with Rider TAX.</p> <p>Rider MF: Plus an amount for municipal fees calculated in accordance with Rider MF.</p> <p>Rider SUR: Plus an amount for surcharges calculated in accordance with Rider SUR.</p> <p>Rider REV: Plus an amount per MMBtu in accordance with Rider REV as an adjustment to the Capacity Charge per MMBtu of MDQ.</p> <p><b>Imbalance Fees</b><br/>All fees charged to Customer under this Rate Schedule will be charged based on the quantities determined under the applicable Transportation Agreement and quantities will not be aggregated for any Customer with multiple Transportation Agreements for the purposes of such fees.</p> <p><b>Monthly Imbalance Fees</b><br/>Customer shall pay Company the greater of (i) \$0.10 per MMBtu, or (ii) 150% of the difference per MMBtu between the highest and lowest midpoint price for the Katy point listed in Platts Gas Daily in the table entitled Daily Price Survey during such month, for the MMBtu of Customer's monthly Cumulative Imbalance, as defined in the applicable Transportation Agreement, at the end of each month that exceeds 10% of Customer's receipt quantities for the month.</p> <p><b>Curtailement Overpull Fee</b><br/>Upon notification by Company of an event of curtailement or interruption of Customer's deliveries, Customer will, for each MMBtu delivered in excess of the stated level of curtailement or interruption, pay Company 200% of the midpoint price for the Katy point listed in Platts Gas Daily published for the applicable Gas Day in the table entitled Daily Price Survey.</p> <p><b>Replacement Index</b><br/>In the event the midpoint or common price for the Katy point listed in Platts Gas Daily in the table entitled Daily Price Survey is no longer published, Company will calculate the applicable imbalance fees utilizing a daily price index recognized as authoritative by the natural gas industry and most closely approximating the applicable index.</p> <p><b>MDQ Adjustment</b><br/>If a Customer's daily usage on any day exceeds the Customer's MDQ as set forth in the applicable Transportation Agreement by 10% or more, the Customer's MDQ shall be increased to equal such daily usage. The effective date of such increase in the MDQ shall be the first day of the calendar month that begins following the day on which the Customer's daily usage exceeded the Customer's MDQ.</p> <p><b>Agreement</b><br/>A transportation agreement is required.</p> <p><b>Notice</b></p> | Charge | Amount | Capacity | \$ 2.3061 per MMBtu of MDQ (Note 1) | Annual Rider REV Adjustment | \$ 0.0965 per MMBtu of MDQ | Interim Rate Adjustment (IRA) | \$ 1.4630 per MMBtu of MDQ (Note 2) | Total Capacity Charge | \$ 3.8656 per MMBtu of MDQ | Usage | \$ 0.0163 per MMBtu |
| Charge                        | Amount                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                     |        |        |          |                                     |                             |                            |                               |                                     |                       |                            |       |                     |

Customer must pay Company all costs associated with the acquisition and installation of the meter.</p> <p>Note:<br/>1 The Capacity Charge per MMBtu will be adjusted annually as calculated pursuant to Rider REV.<br/>2 2010 IRA - \$0.2454, 2011 IRA - \$0.2513, 2012 IRA - \$0.3731, 2013 IRA - \$0.5932.</p> <p>Rider MF is applicable to the Entire System pursuant to the Final Order in GUD 10000 dated 04/18/2011.<br/>Effective Date: For Bills Rendered On Or After 04/18/2011</p> <p style="text-align: center;">Rider MF - MUNICIPAL FEE ADJUSTMENT</p>                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                   |
| Rider RA a           | <p>Application Applicable to Customers inside the corporate limits of an incorporated municipality that imposes a municipal franchise fee upon Company for the Gas Service provided to Customer.</p> <p>Monthly Adjustment<br/>Company will adjust Customer's bill each month in an amount equal to the municipal fees payable for the Gas Service provided to Customer by Company. Municipal franchise fees are determined by each municipality's ordinance. Each municipality's franchise ordinance will specify the percentage and applicability of municipal fees.</p> <p>From time to time, Company will make further adjustments to Customer's bill to account for any over- or under-recovery of municipal fees by Company.</p> <p style="text-align: center;">RIDER RA - RETENTION ADJUSTMENT</p>                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                        |
| Rider REV 10295      | <p>APPLICABLE TO: Rate CGS - Mid-Tex, Rate CGS - Other and Rate PT<br/>EFFECTIVE DATE: 04/18/2011</p> <p>Applicability<br/>This Rider is applicable to Customers taking service under Rate CGS - Mid-Tex, Rate CGS - Other and Rate PT.</p> <p>Monthly Rate<br/>The retention percentage for Rate CGS - Mid-Tex, Rate CGS - Other and Rate PT is 1.00% of the volume of gas received into Atmos Pipeline -Texas' system for the account of a Customer.</p> <p>Rider REV is applicable to the Rate CGS - Mid-Tex, Rate CGS - Other and Rate PT pursuant to the Final Order in GUD 10000 dated 04/18/2011. Rider REV GUD 10000 is renewed as modified and extended under GUD10295 dated 12/18/2013. Effective Date: For Bills Rendered On Or After 12/18/2013</p> <p style="text-align: center;">Rider REV - REVENUE ADJUSTMENT</p> <p>Applicability<br/>This Rider will apply to Rate CGS - Mid-Tex, Rider CGS - Other and Rate PT.</p> <p>Adjustment Mechanism<br/>Effective each November 1, rate schedules subject to this Rider will be adjusted based on the change in 1) the level of Other Revenue for the twelve-month period from July 1 of the prior year through June 30 of the current year from 2) the level of Other Revenue credited to the total cost of service in GUD Docket No. 10000.</p> <p>Seventy-five percent of the difference between 1) the level of Other Revenue for the twelve-month period from July 1 of the prior year through June 30 of the current year less revenue related taxes and 2) the level of Other Revenue credited to the total cost of service in GUD Docket No. 10000 less revenue related taxes shall be allocated to the Rate CGS class and the Rate PT class in the same proportion as the Other Revenue was allocated to each class in GUD Docket No. 10000, as determined from the dollar amounts for Other Revenue Credit On Schedule J to the Final Order in GUD 10000. Columns (d) and (e), Line 6 for each class, respectively, as compared to the Total System Other Revenue Credit on Schedule J, Column (c), Line 6. The allocated portion of the difference in Other Revenue for each class shall be divided by the then current MDQ for such class, and that result shall be divided by 12 to calculate a monthly amount. The resulting amount shall be added to or subtracted from the capacity charge for each class.</p> <p>Such adjusted capacity charge will then be adjusted for any Interim Rate Adjustments approved by the Commission after the issuance of the Final Order in GUD Docket No. 10000.</p> <p>Adjustment Review Process</p> |

| Rider SUR c          | <p>No later than August 15th of each year, Atmos Pipeline - Texas shall file with the Commission an Other Revenue Adjustment Report showing the following:</p> <ol style="list-style-type: none"> <li>1. 1. The actual Other Revenue billed by Atmos Pipeline - Texas during the twelve-month period from July 1 of the prior year through June 30 of the current year by FERC Account;</li> <li>2. A listing of the customers in the Other Revenue class by coded reference showing monthly volumes and monthly revenues for each customer;</li> <li>3. The then current contractual MDQ and the MDQ in the prior year`s filing for each customer in each class (CGS and PT);</li> <li>4. The Other Revenue allocation percentages for each class derived from Schedule J;</li> <li>5. The calculations described in the Adjustment Mechanism Section of this Rider REV and supporting schedules;</li> <li>6. A confidential cross reference listing of the Customer codes and names (for Railroad Commission Staff only);</li> <li>7. A statement on whether or not the proposed adjustment would generate additional revenue of more than 2 one-half% of Atmos Pipeline - Texas` annual per books revenue for the twelve-month period ending on June 30 of the current year; and</li> <li>8. Proposed tariffs showing the proposed adjusted rates.</li> </ol> <p>Atmos Pipeline - Texas shall provide notice to all directly affected customers by bill insert or direct mail on the same date as the date of the filing of the Other Revenue Adjustment Report. The notice shall provide the customers with the proposed adjustment and contact information on where the customer can inspect a copy of the filing. If the requested adjustment would generate additional revenue of more than 2 one-half% of Atmos Pipeline - Texas` annual per books revenue for the twelve-month period ending on June 30 of the current year, the notice shall contain a statement that within 20 days of the date of the filing the customer has a right to:</p> <ol style="list-style-type: none"> <li>1. request a copy of the complete filing and the address for making such a request;</li> <li>2. file a reply and the address for filing a reply; and</li> <li>3. request a hearing and the address for making such a request.</li> </ol> <p>If a hearing is requested, the Hearings Division of the Commission shall conduct the hearing, which shall be limited in scope to the sole issue of the reasonableness of any increase greater than 2 one-half% of Atmos Pipeline - Texas` annual per books revenue for the twelve-month period ending on June 30 of the current year, on an expedited basis in order to permit the Commission to approve, adjust or deny the proposed Other Revenue Adjustment on or before November 1 of the current year.</p> <p>The Commission shall have the opportunity to review the Other Revenue Adjustment Report and may submit discovery requests until the 40th day following the filing date of the Other Revenue Adjustment Report. Directly affected customers may also submit discovery requests until that date. The Commission shall approve, adjust or deny the proposed Other Revenue Adjustment on or before November 1 of the current year. Atmos Pipeline - Texas shall have the right to appeal the commission`s decision by filing a Motion for Rehearing with the Commission within 20 days following the issuance of the Commission`s decision.</p> <p>Atmos Pipeline - Texas shall promptly reimburse the Commission for the cost of reviewing each Other Revenue Adjustment Report upon the invoicing of such cost.</p> <p>The Other Revenue Adjustment, as adjusted by the Commission, shall be implemented on November 1 of the current year and shall remain in effect until revised on the following November 1st.</p> <p>This Rider REV will expire with the effective date of rates in the next statement of intent filing by Atmos Pipeline - Texas.</p> <p style="text-align: center;"><b>RIDER SUR - SURCHARGES</b></p> <p><b>APPLICABLE TO:</b> Rate CGS - Mid-Tex, Rate CGS - Other and Rate PT<br/> <b>EFFECTIVE DATE:</b> 06/13/2013</p> <p><b>Applicability</b><br/> This Rider is applicable to customer classes as authorized by the state or any governmental entity or regulatory authority pursuant to any statute, order, rule, contract, or agreement.</p> <p><b>Monthly Calculation</b><br/> Surcharges will be calculated in accordance with the applicable statute, order, rule, contract, or agreement.</p> <p><b>GUD 10132</b><br/> The following surcharges as authorized in GUD 10132 shall be recovered from the Rate CGS - Mid-Tex and Rate CGS - Other customers by adding the amounts designated below to their otherwise applicable total customer charge for each month in an appropriate</p> |

                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                 |        |        |          |                                     |                             |                            |                               |                                     |                       |                            |           |                         |
|                               | <p><b>Applicability</b><br/>                     This rate schedule is applicable to service by the Company under a Transportation Agreement - Pipeline, to a customer directly connected to the Atmos Pipeline-Texas System for the transportation of all natural gas supplied by Customer or Customer's agent for delivery to Customer at one Point of Delivery. Not applicable for service to City Gate Service customers.</p> <p><b>Type of Service</b><br/>                     This service provides interruptible transportation service to end use customers. Where service of the quantity and type desired by Customer is not already available at a Point of Delivery, additional charges and special contract arrangements between Company and Customer may be required prior to service being furnished at such Point of Delivery.</p> <p><b>Monthly Rate</b><br/>                     Customer's monthly bill will be calculated by adding the Monthly Customer and Usage charges to the amounts and quantities due under the Riders listed below. The Monthly Customer Charge each month will be equal to the Capacity Charge, as adjusted, multiplied by the Customer's Maximum Daily Quantity (MDQ) as set forth in the Transportation Agreement between Customer and Company. Total Usage Charges each month will be equal to the Usage Charge multiplied by the volume of gas delivered to Customer by Company during such month:</p> <table border="0" style="width: 100%;"> <thead> <tr> <th style="text-align: left;">Charge</th> <th style="text-align: left;">Amount</th> </tr> </thead> <tbody> <tr> <td>Capacity</td> <td>\$ 2.3061 per MMBtu of MDQ (Note 1)</td> </tr> <tr> <td>Annual Rider REV Adjustment</td> <td>\$ 0.0965 per MMBtu of MDQ</td> </tr> <tr> <td>Interim Rate Adjustment (IRA)</td> <td>\$ 1.4630 per MMBtu of MDQ (Note 2)</td> </tr> <tr> <td>Total Capacity Charge</td> <td>\$ 3.8656 per MMBtu of MDQ</td> </tr> <tr> <td><br/>Usage</td> <td><br/>\$ 0.0163 per MMBtu</td> </tr> </tbody> </table> <p>Rider RA: Plus a quantity of gas as calculated in accordance with Rider RA.</p> <p>Rider TAX: Plus an amount for tax calculated in accordance with Rider TAX.</p> <p>Rider MF: Plus an amount for municipal fees calculated in accordance with Rider MF.</p> <p>Rider SUR: Plus an amount for surcharges calculated in accordance with Rider SUR.</p> <p>Rider REV: Plus an amount per MMBtu in accordance with Rider REV as an adjustment to the Capacity Charge per MMBtu of MDQ.</p> <p><b>Imbalance Fees</b><br/>                     All fees charged to Customer under this Rate Schedule will be charged based on the quantities determined under the applicable Transportation Agreement and quantities will not be aggregated for any Customer with multiple Transportation Agreements for the purposes of such fees.</p> <p><b>Monthly Imbalance Fees</b><br/>                     Customer shall pay Company the greater of (i) \$0.10 per MMBtu, or (ii) 150% of the difference per MMBtu between the highest and lowest midpoint price for the Katy point listed in Platts Gas Daily in the table entitled Daily Price Survey during such month, for the MMBtu of Customer's monthly Cumulative Imbalance, as defined in the applicable Transportation Agreement, at the end of each month that exceeds 10% of Customer's receipt quantities for the month.</p> <p><b>Curtailement Overpull Fee</b><br/>                     Upon notification by Company of an event of curtailement or interruption of Customer's deliveries, Customer will, for each MMBtu delivered in excess of the stated level of curtailement or interruption, pay Company 200% of the midpoint price for the Katy point listed in Platts Gas Daily published for the applicable Gas Day in the table entitled Daily Price Survey.</p> <p><b>Replacement Index</b><br/>                     In the event the midpoint or common price for the Katy point listed in Platts Gas Daily in the table entitled Daily Price Survey is no longer published, Company will calculate the applicable imbalance fees utilizing a daily price index recognized as authoritative by the natural gas industry and most closely approximating the applicable index.</p> <p><b>MDQ Adjustment</b><br/>                     If a Customer's daily usage on any day exceeds the Customer's MDQ as set forth in the applicable Transportation Agreement by 10% or more, the Customer's MDQ shall be increased to equal such daily usage. The effective date of such increase in the MDQ shall be the first day of the calendar month that begins following the day on which the Customer's daily usage exceeded the Customer's MDQ.</p> <p><b>Agreement</b><br/>                     A transportation agreement is required.</p> <p><b>Notice</b></p> | Charge | Amount | Capacity | \$ 2.3061 per MMBtu of MDQ (Note 1) | Annual Rider REV Adjustment | \$ 0.0965 per MMBtu of MDQ | Interim Rate Adjustment (IRA) | \$ 1.4630 per MMBtu of MDQ (Note 2) | Total Capacity Charge | \$ 3.8656 per MMBtu of MDQ | <br>Usage | <br>\$ 0.0163 per MMBtu |
| Charge                        | Amount
