MUNICIPAL DISTRIBUTION SYSTEM NATURAL GAS ACCOUNTING**Instructions**

- All information requested covers the 12 months ending June 30, 2014.
- All volumes should be reported in **Mcf**, and at a standard pressure base of **14.65 psia**. If you are uncertain of your pressure base and need assistance please feel free to contact our office at (512) 463-7022.
- Regarding sales to **Small Commercial & Industrial** versus **Large**, the sales volume determines the distinction. Small Commercial & Industrial is for sales of less than 200,000 Mcf per year (or less than 800 Mcf per day).
- **Sales to Public Authorities** is for gas sold to municipalities or divisions or agencies of the Federal or State government under contracts/agreements applicable only to them. Sales for power plant fuel (electric gen.) should be classified in Small or Large Commercial & Industrial, as size appropriate.
- **Sales for Resale** shall include sales to other utilities for their resale, as well as sales made to 'master meter' operators.
- Gas sales as '**Other:**' should state the type of sales activity being reported.
- For gas purchases, please report by supplier, providing the name of the supplier.
- In reporting **Sales Revenue** and (gas purchased) **Cost**, please round each entry to the nearest dollar.
- Please note any changes to the mailing address label and utility representative.
- If you have any questions or need assistance please feel free to contact the Utility Audit Section at (512) 463-7022.

For the 12 months of July 1, 2013, through June 30, 2014, this report should be received in this office on or before **September 15, 2014**.
