## **Randy J. Cleveland**

*President*

XTO Energy, Inc.

Randy Cleveland became president of XTO Energy Inc. in June 2013. He is based in Fort Worth, Texas.

Cleveland previously served as XTO's executive vice president. He had been XTO's vice president of integration after leading the merger between ExxonMobil and XTO in 2010. In 2009, he became the planning and commercial manager for ExxonMobil Production Co.

Cleveland held positions in Houston as production manager for U.S. Production; in London as joint interest manager for the U.K. and the Netherlands; in Aberdeen, Scotland, as operations manager; and in New Orleans as operations technical manager.

He also worked as an onshore U.S. operations superintendent and business development manager for Exxon Pipeline Co.

He joined Exxon Company, U.S.A. in New Orleans in 1984, where he held a variety of technical and planning assignments for the Gulf of Mexico and Gulf Coast region.

Cleveland serves on the boards of America's Natural Gas Alliance and the Texas Oil and Gas Association. He is also a member of the Society of Petroleum Engineers.

Cleveland has a bachelor's degree in petroleum engineering from Mississippi State University. In 2008, he was honored by the university as a distinguished engineering graduate.
