

RAILROAD COMMISSION OF TEXAS
ALTERNATIVE ENERGY DIVISION
LP-Gas Operations

LPG FORM
500A

NOTICE OF PROPOSED LP-GAS INSTALLATION

Please Type or Print

TO: _____
(Name of person or entity to receive notice)

(Address)

(City) (State) (Zip Code)

You have been identified as a person or governmental entity entitled to notice of a proposed LP-Gas storage installation. Under the *LP-Gas Safety Rules* of the Railroad Commission of Texas, Alternative Energy Division, you are hereby given notice that

_____ (Name of applicant or licensee)
of _____ (Address) _____ (City) _____ (State) _____ (Zip Code)

plans to install _____ LP-Gas storage containers with an aggregate capacity of _____ gallons, on the property
(Number of proposed containers) (Total aggregate capacity of proposed containers)

located at: _____
(Geographic location of proposed LP-Gas storage site)

This will change the aggregate capacity of storage on the site to a total of _____ gallons.
(Total combined capacity of existing and proposed storage)

Under section 9.101 of the *LP-Gas Safety Rules*, the storage must be approved by the Alternative Energy Division of the Railroad Commission of Texas. Under Section 9.103 of the *LP-Gas Safety Rules* you are given the right to object to this proposed installation. All objections must be addressed to the LP-Gas Operations section of the Alternative Energy Division at the address indicated on Page 2 of this form. The Division may consider amended objections received from affected parties should subsequent information be filed by the applicant. Division files are open records, and you may order a copy of the *LP-Gas Safety Rules* from the division or you may view and print these rules from our website at www.rrc.state.tx.us. **All objections must be received no later than 18 days after the day of mailing this notice. Objections are considered received by the Railroad Commission of Texas on the day of actual receipt-NOT on the day of mailing.** You may state any objections on this form; however, you must make a proper objection for it to be considered. Under Section 9.103, a proper objection to a proposed installation must include a statement alleging either (A), (B), or (C) below, and contain supporting facts. Please check the applicable statement below and provide supporting facts or any comments on Page 2 of this form.

- _____ (A) I object on the basis of noncompliance with the *LP-Gas Safety Rules*, with reference to the particular rule(s) relied upon.
- _____ (B) I object on the basis of noncompliance with the statutes of the State of Texas, with reference to the particular provision relied upon.
- _____ (C) I object on the basis of facts which indicate that the proposed installation constitutes a danger to the public health, safety, and welfare, specifying the exact nature of the danger. "Danger" means an imminent threat or an unreasonable risk of bodily harm, but does not mean a diminished property or esthetic value.
- _____ (D) I have no objection regarding the proposed installation described above.
