

Community Forum 2 - Vision and Policy Framework Thursday, Oct. 17 and Saturday, Nov. 9, 2013

Denton Plan 2030, with your input, will be our foundation for the future. Make plans to join us!

Community Forum 2 (CF2) is about sharing the outcomes from public input gathered during the first Community Forum, and the work that followed. At CF2, staff will share the draft Community Vision Statement, Alternative Growth Scenarios, and Community Character Considerations.

The input received at CF2 will allow City staff and the consultant team to proceed in the creation of a Preferred Growth Scenario, which will ultimately form the detailed Future Land Use Plan for the Denton Plan Update, guiding the future growth pattern and development priorities for the City for the next 15 to 20 years.

There are two opportunities to attend – choose the day/time/location that is best for you:

Thursday, Oct. 17 6 – 8 p.m., Denton Civic Center
321 E. McKinney St., Denton

Saturday, Nov. 9 9 – 11 a.m., MLK, Jr. Recreation Center
1300 Wilson St., Denton
