Comprehensive Plan Overview

- **1. What is a Comprehensive Plan?**
- 2. Why do we need an update?
- 3. Planning Process
- 4. Who's involved?
- 5. What do we want to achieve?

What is a Comprehensive Plan?

- A reflection of community values and aspirations *What do we want Denton to be?*
- A guide for the management of growth and change
- A reference guide for decision-making
- A 20-year, community "to-do" list

What is a Comprehensive Plan?

Comprehensive – Integrating all aspects of community functions

- Land Use / Development Patterns
- Community Character
- Housing & Neighborhoods
- Historic / Cultural Resources
- Economy
- Transportation / Mobility
- Utilities & Infrastructure
- Community Facilities & Services
- Recreation & Open Space
- Resource Conservation
- Governance

Why do we need an update?

Significant growth and change since the plan was adopted:

- Over 40% population increase since 2000
- Population projections on target (119,250 projected; 113,383 2010 Census)
- Recent annexation of over 3,000 acres
- UNT and TWU growth
- Commuter rail line (A-Train)
- Gas well development
- More than 9,000 acres rezoned for new development

We envision Denton in the 21st Century as the North Star of Texas, a community of excellence in living, working, learning, & playing

Getting to Success What do we want to achieve with Denton Plan 2030?

• Inclusive public outreach and engagement

Denton Plan 2030

- A Vision Statement that reflects the community's values
- An economically viable Preferred Growth Concept that can realize the vision
- An effective implementation strategy to guide decision making
- Performance measures to monitor implementation progress

Public Engagement Objectives

- Build understanding of the project and credibility for the process
- Provide numerous and varied opportunities for public participation and input
- Understand the needs and interests of Denton's diverse constituency
- Show a clear connection between input and outcomes
- Challenge citizens to "own" the plan

Public Engagement Opportunities

Collaborate and empower - partner with citizens in development of the brand/image, vision statement, alternatives, and identification of solutions

- Open House / Logo Design Voting
- Community Forum 1 Issues & Aspirations
- Community Forum 2 Consensus on Scenarios
- Community Forum 3 Consensus on Framework
- Meeting-in-a-Box
- Website/ Social Media

Requisites for Implementation

- Define a citywide action program with clear responsibilities and priorities
- Grow partnerships (e.g., government, universities, corporations, non-profits)
- Build on local assets (e.g., education, cultural amenities, sustainability initiatives, entrepreneurialism)
- Incorporate flexibility, monitoring, and feedback

Measuring Progress

- Annual Report assessment of the City's progress in accomplishing implementation actions
- Five-Year Evaluation assessment of whether actions that have been implemented are achieving the desired results as measured through indicators
- Indicators for Success numeric indicators used to measure whether or not the Plan goals are being met
- **Growth Tracking** geographic assessment to track development patterns in relation to land use goals and the Preferred Growth Scenario
