2007

Notice and Instructions for Requesting Your Economic Stimulus Payment

WHAT?

You may have heard that the United States Congress passed and President George W. Bush signed into law the Economic Stimulus Act of 2008, which provides for economic stimulus payments to be made to over 130 million American households. The payments will be made starting in May, 2008. But to receive a payment you have to file a 2007 tax return.

WHO?

If you have already filed a 2007 tax return or will be filing a return, you do not have to do anything more to receive your economic stimulus payment. Once you file the return, the IRS will determine eligibility, figure the amount, and send you the payment.

If you do not have to file a 2007 tax return for tax purposes, you still need to file a return in order to receive an economic stimulus payment. You are eligible for a payment if you have a total of \$3,000 or more in qualifying income. Qualifying income is—

- Earned income;
- Social security benefits;
- Certain veterans benefits; and
- Nontaxable combat pay.

If you qualify under this income test, you will receive a payment of \$300 (\$600 if married filing jointly). In addition, you will also receive an additional payment of \$300 for each child qualifying for the child tax credit in 2007.

HOW?

File a simple version of a Form 1040A to receive your economic stimulus payment. You may use the enclosed Form 1040A.

WHEN?

You must file the Form 1040A with the IRS by December 1, 2008.

Filing Instructions

If you are not required to file a 2007 tax return but want to receive an economic stimulus payment, you should fill out and file the enclosed Form 1040A. You only have to fill in a few lines of information. Take a look at the sample Form 1040A (also enclosed) to see which lines need to be filled in.

Specific instructions for filling out your Form 1040A are as follows.

Top of the Form.

Across the top of the form, write the words "Stimulus Payment."

Labe

Fill in your name, address, and social security number in the spaces provided. Also, fill in your spouse's name and social security number if you are married.

You are not eligible for an economic stimulus payment if you or your spouse do not have a valid social security number. Individual taxpayer identification numbers (ITINs) are not acceptable.

Filing Status

Check only the filing status that applies to you.

Single. Check the box on line 1 if you were not married or you were legally separated on December 31, 2007.

Married filing jointly. Check the box on line 2 if any of the following apply.

- You were married at the end of 2007.
- Your spouse died in 2007 and you did not remarry in 2007.
- You were married at the end of 2007, and your spouse died before you file this return.

Exemptions

Lines 6a and 6b. Check the box on line 6a, "Yourself," unless you can be claimed as a dependent on another person's return. Check the box on line 6b, "Spouse," if you checked the box on line 2 above and your spouse cannot be claimed as a dependent on another person's return. In the box to the right, enter the number of boxes you checked on lines 6a and 6b.

Line 6c. If a child under the age of 17 lived with you for more than half of 2007, you may have a "qualifying child" for the child tax credit. For more information and assistance in determining whether your child is a qualifying child for the child tax credit, see pages 18-20 of the 2007 Instructions for Form 1040A or call 1-800-829–1040. If you have a qualifying child or children, fill in the child(ren)'s name, social security number, and relationship to you (or your spouse, if applicable) in the spaces provided. Also, remember to check the box in column (4). You only need to list on line 6c qualifying children for the child tax credit.

A child must have a valid social security number to be a qualifying child. Individual taxpayer identification numbers (ITINs) and adoption taxpayer identification numbers (ATINs) are not acceptable.

Income

Line 7. Enter the total of your wages, salaries, tips, etc. that you received in 2007. For most people, the amount to enter on this line (if any) should be shown in box 1 of their Form(s) W-2.

If you are self-employed or a partner in a partnership, and you are not required to file an income tax return because you had less than \$400 in net earning from self-employment, also include on line 7 any income you earned as a self-employed person or as a partner in a partnership.

If you didn't have any of this type of income in 2007, enter -0- on this line.

Line 14a. Enter the total of any payments you received in 2007 for veterans disability and death benefits, and social security and tier 1 railroad retirement benefits. If you do not know the exact amount of these benefits, you may

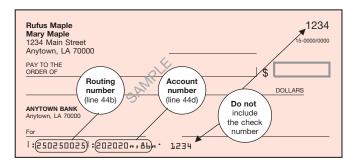

estimate the amount received by multiplying your monthly benefit, prior to any deductions for withheld taxes or Medicare premiums, by the number of months during 2007 you received the benefit.

Line 40b. Enter your nontaxable combat pay. This amount is reported to you in box 12 of your Form(s) W-2 with code Q.

Refund

Lines 44b through 44d. If you want your economic stimulus payment directly deposited to your checking or savings account, complete lines 44b through 44d. Otherwise, we will send you a check. You can find the information on one of your checks, as seen on the sample check below.

Sample Check—Lines 44b Through 44d

Line 44b. The routing number must be nine digits. The first two digits must be 01 through 12 or 21 through 32. On the sample check above, the routing number is 250250025.

Line 44c. Check the appropriate box for the type of account. Do not check more than one box.

Line 44d. The account number can be up to 17 characters (both numbers and letters). Include hyphens but omit spaces and special symbols. Enter the number from left to right and leave any unused boxes blank. On the sample check above, the account number is 20202086. Do not include the check number.

Sign Here

Form 1040A is not considered a valid return unless you sign it. If you are filing a joint return, your spouse must also sign. Also, be sure to date your return. Enter your daytime phone number in the space provided.

Child's return. If your child cannot sign the return, either parent can sign the child's name in the space provided. Then, enter "By (your signature), parent for minor child."

Mail Your Return

See the back cover for filing instructions and addresses.

Write the words "Stimulus Payment" across the top of the form you file.
