

UNITED STATES SERVICE ACADEMY NOMINATIONS

GENERAL INFORMATION

To be eligible for nomination to one of the U.S. Service Academies, you must be at least 17 years old, but not have passed your 23rd birthday (as of July 1st of the year of admission to an academy; 25th birthday for Merchant Marine Academy). You must be a U.S. citizen, of strong character, unmarried, not pregnant, and have no legal obligation to support children or other dependents.

Each U.S. Representative and Senator may have five cadets at each of the three service academies (Naval, Air Force, and Military) at any one time. The number of vacancies is determined by the number of cadets who either graduate or leave academies each year. I will be notified of available vacancies at each academy in August of this year. Because of extreme competition for nominations, you are urged to apply to every nominating authority which your eligibility allows. This includes at a minimum, my office, Senators Lindsey Graham and Jim DeMint, and Vice President Dick Cheney.

Certain information is required as outlined below in order for you to be considered as an applicant. It is your responsibility to submit this information and to keep it updated. The deadline for receipt of this information is November 1st, 2008, as we must have time to process your application. Your materials must be received in my office by November 1st, 2008, to be eligible.

REQUIREMENTS

1. Residency: Your legal home must be in the Fourth Congressional District of South Carolina.
2. Application Form: The enclosed application form must be completed and returned promptly. Formal candidacy is established in my office upon receipt of the application. It is not necessary to send all required information at once, and please do not wait to file your application if transcripts or test scores are not immediately available.
3. Autobiographical Essay: You must submit an autobiographical essay with your application. This essay should be a minimum of one page in length and you may focus on any aspect of your life.
4. Recommendation Forms: The enclosed recommendation forms must be completed by your school guidance counselor, principal, coach, or teacher and returned to my office. I require two recommendation forms.
5. Transcript: An official transcript of your high school record and class rank must be submitted. This transcript must show your final junior grades and numerical class rank (percentile ranks are not acceptable). If you apply before this information is available, it is your responsibility to request that your guidance counselor send an up-to-date transcript to keep your records current.

6. College Boards: You must take either the American College Test (ACT) or the Scholastic Aptitude Test (SAT) as part of your evaluation for appointment. Information about the test can be obtained from your high school guidance counselor. The ACT code number for my office is 7664 and the SAT code number is 4526. When you register to take the ACT or SAT, use the code number and your scores will automatically be forwarded to my office.
7. Leadership and Physical Fitness: Leadership potential and physical fitness are judged from the information provided on your application form. This information should be kept up to date. Unlike civilian colleges, the service academies place a strong emphasis on physical training. In addition, the service academies, like civilian colleges and universities, place a high premium on leadership and extra-curricular activities. Therefore, consideration must be given to each candidate's proven ability in these areas.

OTHER INFORMATION

At the Merchant Marine Academy, ten candidates will be selected for nomination from The Fourth Congressional District to compete for the statewide quota of ten.

There are no congressional nominations to the U.S. Coast Guard Academy. Appointments to the U.S. Coast Guard Academy are made through a nationwide competition. Students who are interested in an appointment should contact the Academy directly. Applications should be directed to the Superintendent, U.S. Coast Guard Academy, New London, Connecticut 06320.

BASIS FOR SELECTION

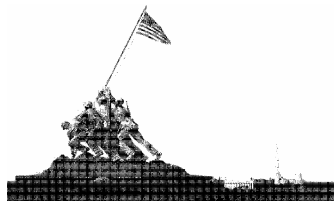

Selections are made competitively on the basis of a composite of academic factors, leadership potential, extracurricular activities, physical fitness and recommendations. The following are included:

1. School records, class rank and grade point average.
2. Extracurricular activities.
3. College Board Scores.
4. Motivation.
