The Honorable Frank

Pallone, Jr.

Chairman

Subcommittee on Health Committee on Energy and Commerce

2125 Rayburn House Office Building

House Office Building

Washington, DC 20515

Dear Chairman Dingell and Chairman Pallone:

Thank you for the opportunity to air concerns from small tobacco manufacturers as they relate to HR 1108, the Family Smoking Prevention and Tobacco Control Act.

As some of the primary economic issues of small tobacco manufacturers have been addressed in the proposed amendments, we support HR 1108 as presented to the Committee on Energy and Commerce on April 2, 2008, and having it move forward through the various stages of the legislative process without further amendment.

I look forward to working with you to preserve these small tobacco manufacturer-related provisions and other provisions of the legislation and ultimately seeing passage of this legislation in Congress. Thank you for your consideration and accommodation.

Sincerely,
