Dear Mr. Christopher:

Pursuant to Rules X and XI of the Rules of the U.S. House of Representatives, the Committee on Energy and Commerce and its Subcommittee on Oversight and Investigations are conducting an investigation into the safety of the Nation's food supply. The recent detection of a dangerous pesticide in imported Chinese ginger is of particular interest in this investigation.

We appreciate your taking the time to speak with Committee staff regarding this issue. To further assist us in this investigation, we request that you provide all records relating to Christopher Ranch's purchase of the imported Chinese garlic and ginger containing pesticides for the five years prior to the date of this letter. Please note that, for the purpose of responding to this request, the terms "records" and "relating" should be interpreted in accordance with the attachment to this letter.

We request you supply all requested information by no later than the close of business on Friday, February 22, 2008. If you have any questions about this request, please contact David Nelson or Kevin Barstow with the Committee on Energy and Commerce staff at (202) 226-2424.
