Thanks for the update. Not much of a vacation at this end. Haven't connected with SLJ or Marcus on endangerment or Ca waiver issue. Will be in bright and early.

here today...

- MCP briefed SLJ on OARM issue but didn't have a lot of detail. Susie having coffee with SLJ in morning to answer any questions.
- Trying to get Lead NAAQS rule out Thursday (Jennifer doesn't want it going on Friday)
- Also, discussion at this morning's meeting re appro time to update RAs on air issues
