Thanks for touching base on this. Yes, I do think a meeting with Roger early next week would be good -- probably Tuesday.

If you could go ahead and set that up with Robin, that'd be great.

NR [ And if you're able to share the briefing sooner rather than later, that'd be great. Thanks!

Subject meeting with Roger and briefing package

Mary Ann,

Given that there is a meeting with the Administrator on the GHG waiver on Wednesday, we should probably set up a meeting with Roger for early next week. Do you want me to work with Robin to schedule that, or do you want to do the honors? Also, I have a draft briefing (following Roger's request that it be focused on our options beyond granting). Do you want to see it sooner rather than later? John hasn't reviewed it yet.
