**Sources:** Prepared by the Congressional Research Service using information from the following sources:

FY2003 – FY2006 enacted amounts are prior year levels specified in House and Senate Appropriations Committee reports on subsequent year appropriations bills, reflecting applicable rescissions. FY2007 enacted amount is specified in P.L. 110-5 (H.J.Res. 20).

FY2003 – FY2007 requested amounts are as reported by the House and Senate Appropriations Committees in their respective reports on the appropriations bills for those fiscal years. FY2008 request is from EPA's FY2008 congressional budget justification.
