

Congress of the United States

Washington, DC 20515

November 5, 2003

Dear Colleague:

Halliburton and the Administration have denied overcharging the American taxpayer to transport gasoline into Iraq. Look at the numbers and decide for yourself.

To date, the White House has failed to respond to multiple requests to explain these gasoline prices. For more information and documentation on Halliburton's Iraqi oil deals, see "Iraq Contracts" at www.house.gov/reform/min or www.house.gov/commerce_democrats.

Sincerely,

Henry A. Waxman
