The Honorable Thomas E. White  
Secretary of the Army  
The Pentagon  
Washington, DC 20310

Dear Secretary White:

I have received your January 22 letter and appreciate your responses to my questions about your contacts with your former employer, Enron.

I have additional questions about the information you provided, as well as questions about the operations of Enron, Enron Energy Services, and your role in the military's privatization of energy utilities, a program that was promoted by Enron.

To follow up on these issues, I would like to schedule an interview next week between you and the Government Reform minority investigative staff. My staff would be willing to meet with you in your office at a time of your convenience.

You are in a unique position because you are the person in government who has the most intimate knowledge of Enron. For this reason, I hope you will cooperate with this request.

Sincerely,

  
Henry A. Waxman
