Scott D. Quesenberry
Office of the United States Trade Representative

In pursuance of the applicable provisions established in paragraph 2, Section 7 of NAFTA Annex 300-B, Mexico would like to request trilateral consultations about the possibility to amend the following specific rules of origin established in NAFTA Annex 401:

- 54.08 A change to heading 54.08 from filament yarn of cellulose acetate of heading 54.03 or any other chapter, except from heading 51.06 through 51.10, 52.05 through 52.06 or 55.09 through 55.10.
- 58.01-58.11 A change to heading 58.01 through 58.11 from any other chapter, except from heading 51.06 through 51.13; 52.04 through 52.12, 53.07 through 53.08 or 53.10 through 53.11 or 54.01 through 54.02, 54.04 through 54.06, 54.07 through 54.08 or Chapter 55.

The above mentioned proposal is the result of a determination of the Mexican Government that filament yarn of cellulose acetate can not be supplied by the Mexican industry in commercial quantities in a timely manner. Please note the proposed amendments were submitted for consideration of the US on November 22, 2005.

Best regards,

José Guadalupe Saenz Solís.
